Georgia Department of Revenue

For Educational Purposes Only:

The material within is intended to give the course participant a solid understanding of general principles in the subject area. As such, the material may not necessarily reflect the official procedures and policies of the Georgia Department of Revenue or the Department's official interpretation of the laws of the State of Georgia. The application of applicability to specific situations of the theories, techniques, and approaches discussed herein must be determined on a case-by-case basis.

SPECIAL THANKS TO ALL THE VENDORS!!!!!!!

GIS1.net

qPublic.net™

Product of Schneider

qPublic.net is the e-government solution that allows citizens to view local government information and public records online.

qPublic.net combines both web-based GIS data reporting tools including CAMA, assessment, and tax into a single, user friendly web application that is designed with your needs in mind. Read More >>
