^{1.} The Local Distribution is adjusted with an accrual to reflect payment activity that occurs after the actual distribution (3 business days prior to the end of a month).

^{2. &}quot;Other Fees & Taxes" include payments that have been deposited in the bank, but for which returns may not yet have been processed. These undistributed tax amounts are then re-classified (once the return is processed) to the appropriate tax revenue account. "Other Fees" also includes Unclaimed Property collections.
