#### Why are we receiving notification?

#### What do we need to do?

Leasing companies should go to the "Leasing Company Registration" tab on the Department of Revenue's Motor Vehicle Division website, [dor.georgia.gov/motor-vehicles](http://dor.georgia.gov/motor-vehicles), to register online and pay the \$100 annual registration fee.

Regardless of when a leasing company initially registers, all leasing companies must renew their registration annually and pay the \$100 annual fee by July 1<sup>st</sup> each year.

#### What will happen if I do not register and pay the \$100 annual registration fee?

If you do not register and pay the \$100 annual registration fee, you may face a penalty of \$2,500.
