Notice to County Tag Offices O.C.G.A. §§ 40-2-88 and 40-2-88.1 – Mandatory Electronic IRP Registration

Per O.C.G.A. §§ 40-2-88 and 40-2-88.1, effective **January 1, 2018**, applicants for commercial vehicle registration or renewal of registration under the International Registration Plan (IRP) will be required to submit applications electronically (online).

What is required of the County Tag Office?

- County Tag Offices should process titles for vehicles registering under IRP using **Form T-146 IRP Exemption to Title Ad Valorem Tax Application** to exempt applicants from paying TAVT. Once vehicles are registered under IRP, they will be assessed Alternative Ad Valorem Tax (AAVT), which is distributed annually to the County.
- County Tag Offices may **not** handle IRP registrations or function as a service provider. Service Providers (**organizations, businesses, or individuals offering for-hire registration processing services**) are required to be registered with the State, maintain a \$50,000 bond, and submit IRP applications electronically (online).
- Once the title application is complete, the County Tag Office should refer customers to the **Georgia Trucking Portal** to complete IRP registrations online (they may also complete International Fuel Tax Agreement (IFTA) registrations online):
 - ✓ Visit the **Georgia Trucking Portal** at www.cvisn.dor.ga.gov:
 - For IRP: Click on hyperlink titled “**IRP Registration Instructions.**”
 - For IFTA: Click on hyperlink titled “**IFTA Registration Instructions.**”
 - Frequently Asked Questions: Click on the “**FAQs**” tab at top of page.
 - Informational Documents: Click on the “**Documents**” tab at top of page.
 - ✓ Customers must process transactions on the **Georgia Trucking Portal**:
 - For IRP: Click on the “**IRP International Registration Plan**” button/tab to access the IRP application and enter User ID & password.
 - For IFTA: Click on the “**IFTA International Fuel Tax Agreement**” button/tab to access the IFTA application and enter Username & password.

Please do not send customers to the MVD Main Office to complete IRP registrations. Instruct customers to complete IRP registrations online at the Georgia Trucking Portal.
