

Instructions for Form 4562

Georgia Depreciation and Amortization (Including Information on Listed Property)

Assets Placed in Service during Tax Years Beginning on or after January 1, 2008. Georgia's I.R.C. Section 179 deduction is \$250,000 for 2008 through 2013, \$500,000 for 2014 through 2016, \$510,000 for 2017, \$1,000,000 for 2018, \$1,020,000 for 2019, \$1,040,000 for 2020, \$1,050,000 for 2021, \$1,080,000 for 2022, \$1,160,000 for 2023 and \$1,220,000 for 2024. The related phase out is \$800,000 for 2008 through 2013, \$2,000,000 for 2014 through 2015, \$2,010,000 for 2016, \$2,030,000 for 2017, \$2,500,000 for 2018, \$2,550,000 for 2019, \$2,590,000 for 2020, \$2,620,000 for 2021, \$2,700,000 for 2022, \$2,890,000 for 2023 and \$3,050,000 for 2024. Georgia has not adopted the Section 179 deduction for certain real property.

Georgia has not adopted the following depreciation provisions:

- The 30%, 50% and 100% bonus depreciation rules of I.R.C. Section 168(k).
- New York Liberty Zone Benefits, I.R.C. Section 1400L.
- 50% first year depreciation for post 8/28/2006 Gulf Opportunity Zone property, I.R.C. Section 1400N(d)(1).
- 50% bonus depreciation for most tangible property and computer software bought after May 4, 2007 and placed in service in the Kansas Disaster Area, I.R.C. Section 1400N(d)(1).
- 50% bonus depreciation for "qualified reuse and recycling property", I.R.C. Section 168(m).
- 50% bonus depreciation in connection with disasters federally declared after 2007, I.R.C. Section 168(n).
- Increased (\$8,000) first-year depreciation limit for passenger automobiles if the passenger automobile is "qualified property", I.R.C. Section 168(k).
- For assets placed in service on or before December 31, 2017, 15 year straight-line cost recovery period for certain improvements to retail space, I.R.C. Sections 168(e)(3) (E)(ix), 168(e)(8), and 168(b)(3)(I).
- For assets placed in service on or before December 31, 2017, modified rules relating to the 15 year straight-line cost recovery for qualified restaurant property (allowing buildings to now be included) I.R.C. Section 168(e)(7).
- 5 year depreciation life for most new farming machinery and equipment, I.R.C. Section 168(e)(3)(B)(vii).
- Temporary tax relief provisions relating to the Midwestern disaster area, I.R.C. Sections 1400N(f).

The Part I, Line 11 Business Income Limitation should be recomputed for Georgia purposes by adjusting the amount for Federal tax changes Georgia has not adopted. Please see the Federal tax changes section of the Georgia income tax booklets for more information.

Assets Placed in Service during Tax Years Beginning on or after January 1, 2005 and before January 1, 2008. For tax years beginning on or after January 1, 2005 and before January 1, 2008, Georgia did adopt the increased I.R.C. Section 179 deduction amounts and the related phase outs that were enacted as part of Federal Acts passed on or before January 1, 2008. As such, for assets placed in service during 2005 through 2007, the only Georgia depreciation differences are due to I.R.C. Section 168(k) (30% and 50% bonus depreciation), I.R.C. Section 1400 L (tax benefits for the New York Liberty Zone), and I.R.C. Section 1400(d)(1) (post 8/28/2006 Gulf Opportunity (GOZ) property).

Assets Placed in Service during Tax Years Beginning before January 1, 2005. For tax years beginning before January 1, 2005, Georgia did not adopt I.R.C. Section 168(k) (30% and 50% bonus depreciation), Section 1400L (tax benefits for the New York Liberty Zone), and I.R.C. 1400N(d)(1) (post 8/28/2006 Gulf Opportunity Zone (GOZ) property). Further, Georgia treated I.R.C. Section 179(b) as it was in effect before enactment of the Jobs and Growth Tax Relief Reconciliation Act of 2003. As such, Georgia continued to use a \$25,000 limit for the Section 179 deduction and a \$200,000 limit for the phase out of the Section 179 deduction. Assets placed in service during tax years beginning before January 1, 2005, should continue to be depreciated using the assumption that the bonus depreciation was not allowed and a lower Section 179 amount was used.

Summary (See IRS instructions)

Table with 3 rows and 2 columns. Row 1: 21 Listed property. Enter amount from line 28. Row 2: 22 Total. Add amounts from line 12, lines 14 through 17, lines 19 and 20 in column (g), and line 21. Row 3: 23 For assets shown above and placed in service during the current year, enter the portion of the basis attributable to IRC Section 263A costs.

Part V

Listed Property (Include automobiles, certain other vehicles, certain aircraft, certain computers, and property used for entertainment, recreation, or amusement.)

Note: For any vehicle for which you are using the standard mileage rate or deducting lease expense, complete only 24a, 24b, columns (a) through (c) of Section A, all of Section B, and Section C if applicable.

Section A--Depreciation and Other Information (Caution: See IRS instructions for limits for passenger automobiles.)

Table with 2 main sections: 24a Do you have evidence to support the business/investment use claimed? and 24b If "Yes", is the evidence written? Columns include (a) Type of property, (b) Date placed in service, (c) Business/investment use percentage, (d) Cost or other basis, (e) Basis for depreciation, (f) Recovery period, (g) Method/Convention, (h) Depreciation deduction, (i) Elected section 179 cost. Row 25: Special depreciation allowance for qualified listed property placed in service during the tax year and used more than 50% in a qualified business use (see instructions).

26 Property used more than 50% in a qualified business use:

Table with 9 columns for property details and percentage of business use.

27 Property used 50% or less in a qualified business use:

Table with 9 columns for property details, percentage of business use, and S/L status.

28 Add amounts in column (h), lines 25 through 27. Enter here and on line 21. 29 Add amounts in column (i), line 26. Enter here and on line 7, page 1.

Section B--Information on Use of Vehicles

Complete this section for vehicles used by a sole proprietor, partner, or other "more than 5% owner," or related person. If you provided vehicles to your employees, first answer the questions in Section C to see if you meet an exception to completing this section for those vehicles.

Table with 12 columns for vehicle information. Rows 30-33: Total business/investment miles driven, Total commuting miles driven, Total other personal (noncommuting) miles driven, Total miles driven during the year. Rows 34-36: Was the vehicle available for personal use during off-duty hours? Was the vehicle used primarily by a more than 5% owner or related person? Is another vehicle available for personal use?

2513504033

Section C--Questions for Employers Who Provide Vehicles for Use by Their Employees

Answer these questions to determine if you meet an exception to completing Section B for vehicles used by employees who **are not** more than 5% owners or related persons.

	Yes	No
37 Do you maintain a written policy statement that prohibits all personal use of vehicles, including commuting, by your employees?		
38 Do you maintain a written policy statement that prohibits personal use of vehicles, except commuting, by your employees? See IRS instructions for vehicles used by corporate officers, directors, or 1% or more owners		
39 Do you treat all use of vehicles by employees as personal use?		
40 Do you provide more than five vehicles to your employees, obtain information from your employees about the use of the vehicles, and retain the information received?		
41 Do you meet the requirements concerning qualified automobile demonstration use?		

Note: If your answer to 37, 38, 39, 40, or 41 is "Yes," do not complete Section B for the covered vehicles.

Part VI Amortization

(a) Description of costs	(b) Date amortization begins	(c) Amortizable amount	(d) Code section	(e) Amortization period or percentage	(f) Amortization for this year
42 Amortization of costs that begins during your 2024 tax year (See IRS instructions):					
43 Amortization of costs that began before your 2024 tax year				43	
44 Total. Add amounts in column (f)				44
