Footnotes:

1. The Local Distribution is adjusted with an accrual to reflect payment activity that occurs after the actual distribution (3 business days prior to the end of a month).

2. "Other Interest, Fees & Sales" include payments that have been deposited in the bank, but for which returns may not have been processed. These undistributed tax payments are then re-classified (once the return is processed) to the appropriate revenue tax account. "Other" also includes Unclaimed Property collections.
