UNCLAIMED PROPERTY

INTRODUCTION

The Disposition of Unclaimed Property Act, O.C.G.A. Section 44-12-190 et. seq., (the "Act") protects the rights of owners of abandoned property and relieves those holding the property of the continuing responsibility to account for such property. Under the Act, when someone ("holder") holds property that belongs to someone else ("owner") but has lost contact with that owner for a specified period of time ("dormancy period"), that holder must turn over ("remit") the property to the state. The remittance must be accompanied by a report describing the property and contain certain information that will help the state advertise the property and take other steps to return the property to the rightful owner. The state serves as custodian for any property remitted under the Act, allowing the owners or their heirs an opportunity to claim their property in the future.

This booklet contains reporting forms and instructions to help holders comply with the Act. UP-1 INS, "HOLDER REPORT FORM" contains information about the entity making the report. UP-2 INS, "OWNER DETAIL REPORT FORM" contains a list of the individual owners and the specific property accounts. Both forms must be completed and submitted with your remittance check. An electronic report replaces the need for a UP-2 INS form.

WHO MUST REPORT

Anyone that has abandoned property must remit it to the state if they have held the property for longer than the dormancy period. The Unclaimed Property Act applies to both for profit and non-profit businesses as well as governmental entities. Holders incorporated in Georgia must report and remit to this state any unclaimed property of owners having a Georgia address, or an incomplete, unknown or foreign address. Holders not incorporated in Georgia must report and remit unclaimed property belonging to an owner having a Georgia address.

Unclaimed Property Time Line

INSURANCE COMPANIES

If you are filing for the first time, the report should include all property dated prior to December 31, 2019

STEPS FOR FILING YOUR ANNUAL UNCLAIMED PROPERTY REPORT

STEP 1: IDENTIFY THE UNCLAIMED PROPERTY required to be remitted the Georgia Department of Revenue, Unclaimed Property Program. Examples of property to be remitted to the state as unclaimed property include savings and checking accounts, unclaimed wages, dividends, credit balances and outstanding checks. For a complete listing of the types of property that must be remitted under the Act, refer to Page 4.

STEP 2: TRY TO LOCATE THE OWNERS OF THE UNCLAIMED PROPERTY IDENTIFIED IN STEP 1. This process is defined as “due diligence.” If an account has a value of \$50 or more, the law requires that holders must make an effort to communicate with an owner prior to remitting the property to the state. You can do this by sending a first class letter to the owner’s last known address at least 60 days, but no more than 120 days, before remitting the owner’s property to the state. A sample due diligence letter can be found on Page 6.

STEP 3: SEND YOUR REPORT AND CHECK PAYABLE TO the Georgia Department of Revenue, Unclaimed Property Program. Submit by May 1, 2025

SECURITIES: Securities must be transferred to Georgia’s custodial account with Wells Fargo Advisors, DTC Number 0141, Account Number 7888-0087. DTC Transfer Form UP-3 INS must accompany the Holder Summary Report.
