

## Georgia Department of Revenue - Motor Vehicle Division Attestation for Remote Submission of Electronic Signature

**Purpose of this attestation:** This attestation is to confirm the electronic signature(s) submitted through the Department's remote submission process are authentic, the documents are submitted through the approved ETR vendor and the electronic signature(s) use on odometer disclosure documents meet requirements.

**How to submit this attestation:** This attestation must be completed in its entirety and submitted electronically the Georgia Department of Revenue - Motor Vehicle Division's Electronic Title and Registration (ETR) program.

### ATTESTATION FOR REMOTE SUBMISSION OF ELECTRONIC SIGNATURE

I, , an authorized representative of  
 ("Dealer")

hereby attest that I have identified and authenticated that the electronic signature(s) submitted through the remote submission process are the signatures of the signer(s) who are identified on the document(s) and have been signed upon the signer's review and approval of the contents in the document(s).

Dealer attests that the documents are being submitted through the approved ETR vendor's remote submission solution, which contains a secure authentication system and complies with NIST Special Publication 800-63-3, Revision 3, Digital Identity Guidelines. Dealer further attests that the electronic signature(s) on the odometer disclosure documents meet the requirements set forth by National Highway Traffic Safety Administration Rule 49 CFR 580 for assurance Level 2.
