NOTICE TO MOTOR VEHICLE DEALERS, MANUFACTURERS AND DISTRIBUTORS

House Bill 207 makes it mandatory for motor vehicle dealers, manufacturers and distributors registering with the Department to register *electronically*. When electronic registration becomes available on September 1, 2021, then all initial and renewal registrations must be made through DRIVES e-Services.

Most dealers of motor vehicles, trailers and manufactured homes have already been able to pre-register online and save time using DRIVES e-Services. Full instructions for e-Services pre-registration are [available on the Department's website](#).
