TOTAL

\* For the purpose of levying the Financial Institutions Business License Tax, the jurisdiction of the county is the entire geographical area of the county including areas within municipalities. Therefore, the tax levied by the county is calculated on the gross receipts attributable to each location within the entire geographic area of the county. Municipalities levy the tax on those locations within their respective areas as well.

### FINANCIAL INSTITUTIONS BUSINESS LICENSE TAXES GENERAL INSTRUCTIONS - FORM PT-440

<b>FILING REQUIREMENTS</b> All financial institutions located in the State of Georgia are required to file a Form PT-440 in all jurisdictions that impose the business license tax if that institution has a full service office located within that jurisdiction. The filing deadline is March 1 <sup>st</sup> of each year. Returns should be mailed to the local	On Line C, in Column 1, list all county and municipal locations for the institution. For a county return, list every location in the unincorporated area and within each municipality. For a municipal return, list every location within that city. On Line C, in column 2, enter the number of full service offices						
(city and/or county) official(s) responsible for receiving and processing those returns.	(excluding the principal Georgia office) for each county and each municipality listed separately in column 1.						
<b>TAX RATE(S)</b> State law (O.C.G.A. 48-6-95) provides that each county and municipality may impose a rate of not more than 0.25 percent of Georgia gross receipts. Each county and municipality may	On Line C, in column 3, enter the three decimal ratio you generate, when you divide the figures in column 2 by the figure appearing on Line B.						
impose a minimum tax, which may not exceed \$1000.00.	On Line C, in column 4, enter 80% of the three decimal ratio you entered in column 3.						
The tax is based upon the gross receipts of the financial institution or a portion of the gross receipts if the financial institution has more than one full service office. The law provides for the allocation of gross receipts among branches	On Line C, in column 5, you should <i>NOT</i> make any entry. That column is designed to tax the 20% of gross receipts allocated to the principal Georgia office.						
and the parent bank, depending on whether the financial institution has fewer than five branches in addition to the principal Georgia office OR more than five branches.	On Line C, in column 6, enter the allocation or distribution ratio you generate when you add the ratio appearing in column 4 to the ratio appearing in column 5.						
(1) Where there are <i>fewer</i> than five (5) offices, <i>in addition</i> to the principal Georgia office, the total gross receipts are allocated in equal shares to each location.	On Line C, in column 7, enter the taxable gross receipts for each county and each municipality. To obtain those amounts, multiply the ratio in column 6 <i>times</i> the figure appearing on Line A.						
<ul><li>(refer Schedule 2)</li><li>(2) Where there are more than five (5) offices, the total gross receipts allocated to each location shall be computed by</li></ul>	<b>COMPUTATION OF THE BUSINESS LICENSE TAXES FORM</b> <b>PT-440SCHEDULE 2</b> (for institutions having 5 or fewer full service offices-in addition to the principal Georgia office)						
first allocating 20% of the total to the parent bank and then allocating the remaining 80% in equal shares to the other offices. (refer Schedule 1)	On Line A, enter the adjusted gross receipts as reported on Form 900, Line 7, Schedule 1.						
RELATION TO GA OCCUPATION TAX RETURN FORM 900	On Line B, enter the total number of full service offices of the institution. <i>BE SURE TO INCLUDE THE PRINCIPAL GEORGIA OFFICE.</i>						
The Form PT-440 is used in conjunction with the State Occupation Tax Return - FORM 900.	On Line C, in column 1, list all county and municipal locations for the institution. For a county return, list every location in the unincorporated area and within each municipality. For a municipal						
The amount of adjusted gross receipts shown on Line 7, Schedule 1, Form 900 should be entered on Line A, Schedule 1 of Form PT-440 OR Line A, Schedule 2 of Form PT-440,	return, list every location within that city.						
depending upon the number of branches the institution has. Copies of the Form PT-440 must be attached to the State Occupation Tax Return - Form 900.	On Line C, in column 2, list the number of full service offices for each county and each municipality listed in column 1. Include the principal Georgia office.						
<b>COMPUTATION OF THE BUSINESS LICENSE TAXES</b> <b>FORM PT-440<u>SCHEDULE 1</u> (for institutions having more than 5 full service offices)</b>	On Line C, in column 3, enter the three decimal ratio you generate, when you divide the figures in column 2 by the figure appearing on Line B.						
On Line A, enter the adjusted gross receipts as reported on Form 900, Line 7, Schedule 1.	On Line C, in columns 4, 5 and 6, you should <i>NOT</i> make any entry.						
On Line B, enter the total number of full service offices of the institution. <b>DO NOT INCLUDE THE PRINCIPAL GEORGIA OFFICE.</b>	On Line C, in column 7, enter the taxable gross receipts for each county and each municipality. To obtain those amounts, multiply the ratio in column 3 <i>times</i> the figure appearing on Line A.						
GITIGE.	<b>Definition of an "office"</b> means a place of business of a depository financial institution, which accepts deposits. Does not include unmanned ATM's, point-of-sale terminals, or any unmanned electronic facility at which deposits may be accepted. 48-6-93 (d) (2)
