Georgia Department of Revenue - Motor Vehicle Division Affidavit of Correction for ETR Remote E-signature Solutions

Purpose of this affidavit: This affidavit is to be completed by the seller/transferor of a motor vehicle when there is a correction made in the assignment of title or Manufacturer's Certificate of Origin. This affidavit cannot be used when information has been blocked out by erasure or the use of correction fluid, or to correct an odometer reading, a purchase date or an incorrectly recorded lienholder or security interest holder.

Completing this affidavit: This affidavit must be completed in its entirety using a remote signature solution.

Section A: Provide the reason for correcting the title assignment.

Section B: Record the vehicle information for which the title assignment has been corrected.

Section C: Certify that all statements are true and accurate.

How to submit this affidavit: Submit this affidavit electronically along with required document(s) through the Georgia Department of Revenue - Motor Vehicle Division's Electronic Title and Registration (ETR) program using a remote signature solution.

Required document(s): You must provide the Manufacturer's Certification of Origin or Certificate of Title showing the assignment correction.
