

# DRIVES

Driver Record and Integrated Vehicle Enterprise System

## NEWS

AUGUST 2017

### WHAT IS DRIVES?

The Georgia Department of Revenue and the Georgia Department of Driver Services are collaborating on a modernized, joint system for Tag & Title (GRATIS) and the Driver's License system (DDLS).

### WHY IS DRIVES NECESSARY?

The GRATIS and DDLS systems are being replaced because the technology they are based on is in decline and expensive to maintain.

### PHASE 1 KEY DATES

- Pre-Planning: 8/21/2017
- Project Start: 10/30/2017
- Data Conversion Start: 1/2/2018
- Development Start: 3/26/2018
- Testing Start: 6/14/2018
- Training Start: 8/9/2018
- Implementation: 5/27/2019

### STATUS:

- ◆ DRIVES was awarded to Fast Enterprises LLC. DOR is pleased to continue our working relationship with Fast Enterprises after many successful implementations and upgrades for the state of Georgia. Fast Enterprises has a proven track record of on-time and on-budget delivery for major projects both within the State of Georgia and across the world.
- ◆ DRIVES will be implemented in two phases: Vehicle Services (Phase 1— DOR) and Driver Services (Phase 2—DDS).
- ◆ DRIVES Updates
  - ◆ DOR is currently recruiting subject matter experts from all 159 counties to be part of the DRIVES team.
  - ◆ The DRIVES team will be working together on the 10th floor of the Century Center building later this year.
  - ◆ The Organizational Change Management team (OCM) has been documenting existing processes in the Motor Vehicle Division and county offices for the past 16 months.
