<u>Footnotes:</u>

- 1. The Local Distribution is adjusted with an accrual to reflect payment activity that occurs after the actual distribution (3 business days prior to the end of a month).
- 2. "Other Fees & Taxes" include payments that have been deposited in the bank, but for which returns may not yet have been processed. These undistributed tax amounts are then re-classified (once the return is processed) to the appropriate tax revenue account. "Other Fees" also includes Unclaimed Property collections.
- 3. Per HB 463, the DOR is required to collect and separately maintain tax revenue collections for IRP AAVT / Trailers. However, in prior months, receipts for IRP AAVT were reported as part of Motor Vehicle-Tag, Title & Fees. Thusly, a one-time December adjustment was booked to retain and remit \$6.2M to Treasury.
