### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Golden Dome Scholarship Fund, Inc. as of September 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **NOTES TO FINANCIAL STATEMENTS**

For the Years Ended September 30, 2021 and 2020

---

#### **NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Golden Dome Scholarship Fund, Inc.'s accounting policies reflect practices common to student scholarship organizations. The more significant accounting policies are summarized below for the convenience of financial statement readers.

##### **Organization**

Golden Dome Scholarship Fund, Inc., (Golden Dome), was organized in 2009 as a Georgia nonprofit Student Scholarship Organizations ("SSO"), and is exempt from federal income tax under the provision of Section 501(c)(3) of the Internal Revenue Code with an effective date of July 14, 2009. Golden Dome's mission is to provide educational funding for private school scholarships through collecting tax-deductible contributions and distributing them to participating private schools.

##### **Financial Statement Presentation**

The financial statements of Golden Dome have been prepared in accordance with U.S. generally accepted accounting principles, which require Golden Dome to report information regarding its financial position and activities according to the following net asset classifications:

*Net assets without donor restrictions* – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of Golden Dome's management and the board of directors.

*Net assets with donor restrictions* – Net assets subject to stipulations imposed by donors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of Golden Dome or the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

##### **Fund Accounting**

To ensure observance of limitations and restrictions placed on the use of resources of Golden Dome, the accounts of Golden Dome are maintained in accordance with principles of fund accounting, the procedures by which resources are classified for accounting and reporting purposes into funds established according to their nature and purpose. Accordingly, all financial transactions have been recorded and reported by the fund group. Within each fund group, fund balances, whose uses are restricted, are so indicated and are distinguishable from unrestricted funds over which Golden Dome has complete control and discretion.

##### **Contributions**

Golden Dome has adopted FASB ASC 958, "Accounting for Contributions Received and Contributions Made." FASB ASC 958 affects the way contributions are accounted for and reported depending on the existence and/or nature of any donor restrictions. Under FASB ASC 958, such contributions are required to be reported as temporarily restricted support and are then reclassified to unrestricted net assets upon expiration of the time or purpose restriction. Under SSO regulations, ninety-two percent of the scholarship contributions that an SSO receives must be used to fund scholarships, with the remaining eight percent available to cover administrative and operating expenses. When a scholarship is paid, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and as net assets released from restrictions.

Donated marketable securities and other noncash donations are recorded as contributions at their estimated fair values at the date of donation. It is Golden Dome's policy to sell these securities as soon as practicable after receipt. There were no marketable securities donated for the years ended September 30, 2021 and 2020.

### **NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

#### **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **Cash and Cash Equivalents**

Golden Dome considers its short-term investments, which are highly liquid and purchased with original maturities of three months or less, to be cash equivalents. The investments are carried at cost, which approximates fair value. At times, cash and cash equivalents may exceed federally insured amounts. The Organization believes it mitigates risks by depositing with financially secure institutions.

#### **Advertising and promotion**

Advertising and promotion costs are expensed as incurred.

#### **Property and Equipment**

Purchases of property and equipment are recorded at acquisition cost. Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Golden Dome reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. Golden Dome reclassifies temporarily restricted net assets to unrestricted net assets at that time. Maintenance and repairs are expensed as incurred. Depreciation for all fixed assets is provided utilizing the straight-line method over the estimated useful lives of the assets. The ranges of estimated lives used in computing depreciation were as follows:

Equipment

3 – 10 years

#### **Functional Expenses**

The costs of providing program and other activities have been summarized on a functional basis in the accompanying statement of activities and changes in net assets. Accordingly, certain costs have been allocated on a reasonable basis that is consistently applied among the program, fundraising and general and administrative expenses. Such allocations are determined by management on an equitable basis. The allocation of functional expenses is detailed in Note I.

#### **Income Taxes**

Golden Dome is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization has adopted FASB Interpretation No. 48, an interpretation of FASB Accounting Standards Codification (ASC) 740, to account for uncertainty in income taxes.
