CHAPTER 1

48-5-1. Legislative intent.

The intent and purpose of the tax laws of this state are to have all property and subjects of taxation returned at the value which would be realized from the cash sale, but not the forced sale, of the property and subjects as such property and subjects are usually sold except as otherwise provided in this chapter.

48-5-2. Definitions.

As used in this chapter, the term:

(.1) 'Arm's length, bona fide sale' means a transaction which has occurred in good faith without fraud or deceit carried out by unrelated or unaffiliated parties, as by a willing buyer and a willing seller, each acting in his or her own self-interest, including but not limited to a distress sale, short sale, bank sale, or sale at public auction.

(1) "Current use value" of bona fide conservation use property means the amount a knowledgeable buyer would pay for the property with the intention of continuing the property in its existing use and in an arm's length, bona fide sale and shall be determined in accordance with the specifications and criteria provided for in subsection (b) of Code Section 48-5-269.

(2) "Current use value" of bona fide residential transitional property means the amount a knowledgeable buyer would pay for the property with the intention of continuing the property in its existing use and in an arm's length, bona fide sale. The tax assessor shall consider the following criteria, as applicable, in determining the current use value of bona fide residential transitional property:

(A) The current use of such property;

(B) Annual productivity; and

(C) Sales data of comparable real property with and for the same existing use.

(3) 'Fair market value of property' means the amount a knowledgeable buyer would pay for the property and a willing seller would accept for the property at an arm's length, bona fide sale. The income approach, if data is available, shall be ~~considered~~ utilized in determining the fair market value of income-producing property, and, if actual income and expense data are voluntarily supplied by the property owner, such data shall be considered in such determination. Notwithstanding any other provision of this chapter to the contrary, the transaction amount of the most recent arm's length, bona fide sale in any year shall be the maximum allowable fair market value for the next taxable year. With respect to the valuation of equipment, machinery, and fixtures when no ready market exists for the sale of the equipment, machinery, and fixtures, fair market value may be determined by resorting to any reasonable, relevant, and useful information available, including, but not limited to, the original cost of the property, any depreciation or obsolescence, and any increase in value by reason of inflation. Each tax assessor shall have access to any public records of the taxpayer for the purpose of discovering such information.

(A) In determining the fair market value of a going business where its continued operation is reasonably anticipated, the tax assessor may value the equipment, machinery, and fixtures which are the property of the business as a whole where appropriate to reflect the accurate fair market value.

(B) The tax assessor shall apply the following criteria in determining the fair market value of real property:

(i) Existing zoning of property;

(ii) Existing use of property, including any restrictions or limitations on the use of property resulting from state or federal law or rules or regulations adopted pursuant to the authority of state or federal law;

(iii) Existing covenants or restrictions in deed dedicating the property to a particular use;

(iv) Bank sales, other financial institution owned sales, or distressed sales, or any combination thereof, of comparable real property;

(v) Decreased value of the property based on limitations and restrictions resulting from the property being in a conservation easement;

(vi) Rent limitations, ~~operational requirements~~ higher operating costs resulting from regulatory requirements imposed on the property, and any other restrictions imposed upon the property in connection with the property being eligible for any income tax credits ~~described in subparagraph (B.1)~~ with respect to real property which are claimed and granted pursuant to either Section 42 of the Internal Revenue Code of 1986, as amended, or Chapter 7 of this paragraph title or receiving any other state or federal subsidies provided with respect to the use of the property as residential rental property; provided, however, that ~~such properties described in subparagraph (B.1) of this paragraph~~ this division shall not be considered comparable real property for the assessment or appeal of assessment of ~~other properties not covered by this division; and~~

(vii)(I) In establishing the value of any property subject to rent restrictions under the sales comparison approach, any income tax credits described in division (vi) of this subparagraph that are attributable to a property may be considered in determining the fair market value of the property provided that the tax assessor uses comparable sales of property which, at the time of the comparable sale, had unused income tax credits that were transferred in an arm's length bona fide sale.

(II) In establishing the value of any property subject to rent restrictions under the income approach, any income tax credits described in division (vi) of this subparagraph that are attributable to property may be considered in determining the fair market value of the property provided that such income tax credits generate actual income to the record holder of title to the property; and

~~(vii)~~ (viii) Any other existing factors provided by law or by rule and regulation of the commissioner deemed pertinent in arriving at fair market value.

(B.1) The tax assessor shall not consider any income tax credits with respect to real property which are claimed and granted pursuant to either Section 42 of the Internal Revenue Code of 1986, as amended, or Chapter 7 of this title in determining the fair market value of real property.

(B.2) In determining the fair market value of real property, the tax assessor shall not include the value of any intangible assets used by a business, wherever located, including patents, trademarks, trade names, customer agreements, and merchandising agreements.

(C) Fair market value of "historic property" as such term is defined in subsection (a) of Code Section 48-5-7.2 means:

(i) For the first eight years in which the property is classified as "rehabilitated historic property," the value equal to the greater of the acquisition cost of the property or the appraised fair market value of the property as recorded in the county tax digest at the time preliminary certification on such property was received by the county board of tax assessors pursuant to subsection (c) of Code Section 48-5-7.2;

(ii) For the ninth year in which the property is classified as "rehabilitated historic property," the value of the property as determined by division (i) of this subparagraph plus one-half of the difference between such value and the current fair market value exclusive of the provisions of this subparagraph; and

(iii) For the tenth and following years, the fair market value of such property as determined by the provisions of this paragraph, excluding the provisions of this subparagraph.

(D) Fair market value of "landmark historic property" as such term is defined in subsection (a) of Code Section 48-5-7.3 means:

(i) For the first eight years in which the property is classified as "landmark historic property," the value equal to the greater of the acquisition cost of the property or the appraised fair market value of the property as recorded in the county tax digest at the time certification on such property was received by the county board of tax assessors pursuant to subsection (c) of Code Section 48-5-7.3;

(ii) For the ninth year in which the property is classified as "landmark historic property," the value of the property as determined by division (i) of this subparagraph plus one-half of the difference between such value and the current fair market value exclusive of the provisions of this subparagraph; and

(iii) For the tenth and following years, the fair market value of such property as determined by the provisions of this paragraph, excluding the provisions of this subparagraph.

(E) Timber shall be valued at its fair market value at the time of its harvest or sale in the manner specified in Code Section 48-5-7.5.

(F) Fair market value of "brownfield property" as such term is defined in subsection (a) of Code Section 48-5-7.6 means:

(i) Unless sooner disqualified pursuant to subsection (e) of Code Section 48-5-7.6, for the first ten years in which the property is classified as "brownfield property," or as this period of preferential assessment may be extended pursuant to subsection (o) of Code Section 48-5-7.6,

the value equal to the lesser of the acquisition cost of the property or the appraised fair market value of the property as recorded in the county tax digest at the time application was made to the Environmental Protection Division of the Department of Natural Resources for participation under Article 9 of Chapter 8 of Title 12, the "Georgia Hazardous Site Reuse and Redevelopment Act," as amended; and

(ii) Unless sooner disqualified pursuant to subsection (e) of Code Section 48-5-7.6, for the eleventh and following years, or at the end of any extension of this period of preferential assessment pursuant to subsection (o) of Code Section 48-5-7.6, the fair market value of such property as determined by the provisions of this paragraph, excluding the provisions of this subparagraph.

(4) "Foreign merchandise in transit" means personal property of any description which has been or will be moved by waterborne commerce through any port located in this state and:

(A) Which has entered the export stream, although temporarily stored or warehoused in the county where the port of export is located; or

(B) Which was shipped from a point of origin located outside the customs territory of the United States and on which United States customs duties are paid at or through any customs district or port located in this state, although stored or warehoused in the county where the port of entry is located while in transit to a final destination.

(5) "Forest land conservation value" of forest land conservation use property means the amount determined in accordance with the specifications and criteria provided for in Code Section 48-5-271 and Article VII, Section I, Paragraph III(f) of the Constitution.

(6) "Forest land fair market value" means the 2008 fair market value of the forest land; provided, however, that when the 2008 fair market value of the forest land has been appealed by a property owner and the ultimate fair market value of the forest land is changed in the appeal process by either the board of assessors, the board of equalization, a hearing officer, an arbitrator, or a superior court judge, then the final fair market value of the forest land shall replace the 2008 fair market value of the forest land. This final fair market value of the forest land shall be used in the calculation of local assistance grants. If local assistance grants have been granted to either a county, a county board of education, or a municipality based on the 2008 fair market value of forest land and subsequently the fair market value of such forest land is reduced on an appeal, then the county or the municipality shall reimburse the state, within 12 months unless otherwise agreed to by the parties, the difference between local assistance grants paid to the county or municipality and the amount which would have been due based on the final fair market value of the forest land. Such 2008 valuation may increase from one taxable year to the next by a rate equal to the percentage change in the price index for gross output of state and local government from the prior year to the current year as defined by the National Income and Product Accounts and determined by the United States Bureau of Economic Analysis and indicated by the Price Index for Government Consumption Expenditures and General Government Gross Output (Table 3.10.4).

48-5-3. Taxable property.

All real property including, but not limited to, leaseholds, interests less than fee, and all personal property shall be liable to taxation and shall be taxed, except as otherwise provided by law.

All laws relating to ad valorem taxation of private corporations shall apply to ad valorem taxation of agencies of the United States and corporations organized under the laws of the United States.

48-5-5. Acquisition of situs by foreign merchandise in transit.

(a) Foreign merchandise in transit shall acquire no situs so as to become subject to ad valorem taxation by political subdivisions of this state in which the port of original entry or the port of export of such merchandise is located. Such property shall not acquire situs by virtue of the fact that while in the warehouse the property is assembled, bound, joined, processed, disassembled, divided, cut, broken in bulk, relabeled, or repackaged. The grant of "no situs" status shall be liberally construed to effect the purposes of this Code section.

(b) Property which meets all of the following qualifications shall acquire no situs so as to become subject to ad valorem taxation by political subdivisions of this state:

- (1) Such property is owned by a person who is not a Georgia resident and does not maintain or operate a place of business in Georgia;

48-5-7.1. Tangible real property devoted to agricultural purposes

Definition; persons entitled to preferential tax assessment; covenant to maintain agricultural purposes; penalty for breach of covenant.

(a) For purposes of this article, "tangible real property which is devoted to 'bona fide agricultural purposes' ":

(1) Is tangible real property, the primary use of which is good faith commercial production from or on the land of agricultural products, including horticultural, floricultural, forestry, dairy, livestock, poultry, and apiarian products and all other forms of farm products; but

(2) Includes only the value which is \$100,000.00 or less of the fair market value of tangible real property which is devoted to the storage or processing of agricultural products from or on the property; and

(3) Excludes the entire value of any residence located on the property.

(b) No property shall qualify for the preferential ad valorem property tax assessment provided for in subsection (b) of Code Section 48-5-7 unless:

(1) It is owned by one or more natural or naturalized citizens; or

(2) It is owned by a family-farm corporation, the controlling interest of which is owned by individuals related to each other within the fourth degree by civil reckoning, and such corporation derived 80 percent or more of its gross income for the year immediately preceding the year in which application for preferential assessment is made from bona fide agricultural pursuits carried out on tangible real property located in this state, which property is devoted to bona fide agricultural purposes.

(c) No property shall qualify for said preferential assessment if such assessment would result in any person who has a beneficial interest in such property, including any interest in the nature of stock ownership, receiving in any tax year any benefit of preferential assessment as to more than 2,000 acres. If any taxpayer has any beneficial interest in more than 2,000 acres of tangible real property which is devoted to bona fide agricultural purposes, such taxpayer shall apply for preferential assessment only as to 2,000 acres of such land.

(d) No property shall qualify for preferential assessment unless and until the owner of such property agrees by covenant with the appropriate taxing authority to maintain the eligible property in bona fide agricultural purposes for a period of at least ten years beginning on the first day of January of the year in which such property qualifies for preferential assessment and ending on the last day of December of the tenth year of the covenant period. After the expiration of any ten-year covenant period, the property shall not qualify for further preferential assessment until and unless the owner of the property enters into a renewal covenant for an additional period of ten years.

(e) No property shall maintain its eligibility for preferential assessment unless a valid covenant remains in effect and unless the property is continuously devoted to bona fide agricultural purposes during the entire period of the covenant.

(f) If any change in ownership of such qualified property occurs during the covenant period, all qualification requirements must be met again before the property shall be eligible to be continued for preferential assessment. If ownership of the property is acquired during a covenant period by a person qualified to enter into an original covenant, by a newly formed corporation the stock in which is owned by the original covenantor or others related to the original covenantor within the fourth degree by civil reckoning, or by the personal representative of an owner who was a party to the covenant, then the original covenant may be continued by such acquiring party for the remainder of the term, in which event no breach of the covenant shall be deemed to have occurred.

(g) A penalty shall be imposed under this subsection if during the period of the covenant entered into by a taxpayer the covenant is breached. The penalty shall be computed by multiplying the amount by which the preferential assessment has reduced taxes otherwise due for the year in which the breach occurs times:

(1) A factor of five if the breach occurs in the first or second year of the covenant period;

(2) A factor of four if the breach occurs during the third or fourth year of the covenant period;

(3) A factor of three if the breach occurs during the fifth or sixth year of the covenant period; or

(4) A factor of two if the breach occurs in the seventh, eighth, ninth, or tenth year of the covenant period.

(h) A penalty imposed under subsection (g) of this Code section shall bear interest at the rate specified in Code Section 48-2-40 from the date the covenant is breached.

(i) Penalties and interest imposed under this Code section shall constitute a lien against the property and shall be collected as other unpaid ad valorem taxes are collected. Such penalties and interest shall be distributed pro rata to each taxing jurisdiction wherein the preferential assessment has been granted based upon the total amount by which such preferential assessment has reduced taxes for each such taxing jurisdiction on the property in question as provided in this Code section.

(j) The penalty imposed by subsection (g) of this Code section shall not apply in any case where a covenant is breached solely as a result of:

(1) The acquisition of part or all of the property under the power of eminent domain;

(2) The sale of part or all of the property to a public or private entity which would have had the authority to acquire the property under the power of eminent domain; or

(3) The death of an owner who was a party to the covenant.

(k) All applications for preferential assessment, including the covenant agreement required under this Code section, shall be filed on or before the last day for filing ad valorem tax returns in the county for the tax year for which such preferential assessment shall be first applicable. An application for continuation of preferential assessment upon a change in ownership of the qualified property shall be filed on or before the last date for filing tax returns in the year following the year in which the change in ownership occurred. Applications for preferential assessment shall be filed with the county board of tax assessors who shall approve or deny the

application. If the application is approved on or after July 1, 1998, the county board of tax assessors shall file a copy of the approved application in the office of the clerk of the superior court in the county in which the eligible property is located. The clerk of the superior court shall file and index such application in the real property records maintained in the clerk's office. Applications approved prior to July 1, 1998, shall be filed and indexed in like manner without payment of any fee. If the application is not so recorded in the real property records, a transferee of the property affected shall not be bound by the covenant or subject to any penalty for its breach. The fee of the clerk of the superior court for recording such applications approved on or after July 1, 1998, shall be paid by the owner of the eligible property with the application for preferential treatment and shall be paid to the clerk by the board of tax assessors when the application is filed with the clerk. If the application is denied, the board of tax assessors shall notify the applicant in the same manner that notices of assessment are given pursuant to Code Section 48-5-306 and shall return any filing fees advanced by the owner. Appeals from the denial of an application by the board of tax assessors shall be made in the same manner that other property tax appeals are made pursuant to Code Section 48-5-311. As to property approved for preferential assessment prior to July 1, 1998, the county board of tax assessors shall file copies of all approved applications in the office of the clerk of the superior court not later than August 14, 1998, and the clerk shall file, index, and record such approved applications, as provided for in this subsection, with the fee of the clerk of the superior court for filing, indexing, and recording to be paid out of the general funds of the county.

(l) The commissioner shall by regulation provide uniform application and covenant forms to be used in making application for preferential assessment. Such application shall include an oath or affirmation by the taxpayer that he has not at any time received, or made a pending application for, preferential assessment in the same or another county with respect to any property which taken together with property for which application is then being made exceeds 2,000 acres.

(m) The commissioner shall annually submit a report to the Governor and members of the General Assembly which shall show the fiscal impact of the preferential assessment provided for in this Code section. The report shall include the amount of assessed value eliminated from each county's digest as a result of the preferential assessment; approximate tax dollar losses, by county, to all local governments affected by such preferential assessment; and any recommendations regarding state and local administration of this Code section, with emphasis upon enforcement problems, if any, attendant with this Code section. The report shall also include any other data or facts which the commissioner deems relevant.

(n)(1) The transfer prior to July 1, 1988, of a part of the property subject to a covenant shall not constitute a breach of a covenant entered into before or after July 1, 1984, if:

(A) The part of the property so transferred is used for single-family residential purposes and the residence is occupied by a person who is related within the fourth degree of civil reckoning to an owner of the property subject to the covenant; and

(B) The part of the property so transferred, taken together with any other part of the property so transferred during the covenant period, does not exceed a total of three acres.

(2) The transfer on or after July 1, 1988, of a part of the property subject to a covenant shall not constitute a breach of a covenant entered into before or after July 1, 1988, if:

(A) The part of the property so transferred is transferred to a person who is related within the fourth degree of civil reckoning to an owner of the property subject to the covenant; and

(B) The part of the property so transferred, taken together with any other part of the property transferred to the same relative during the covenant period, does not exceed a total of five acres.

(o) The following shall not constitute a breach of a covenant entered into before or after July 1, 1984:

(1) Mineral exploration of the property subject to the covenant or the leasing of the property subject to the covenant for purposes of mineral exploration if the primary use of the property continues to be the good faith commercial production from or on the land of agricultural products; or

(2) Allowing all or part of the property subject to the covenant to lie fallow or idle for purposes of any land conservation program, for purposes of any federal agricultural assistance program, or for other agricultural management purposes.

(p) Property which is subject to preferential assessment shall be separately classified from all other property on the tax digest; and such separate classification shall be such as will enable any person examining the tax digest to readily ascertain that the property is subject to preferential assessment. Covenants shall be public records and shall be indexed and maintained in such manner as will allow members of the public to readily locate the covenant affecting any particular property subject to preferential assessment.

(q)(1) In any case in which a covenant is breached solely as a result of the foreclosure of a deed to secure debt, or the property is conveyed to the lien holder without compensation and in lieu of foreclosure, the penalty specified by paragraph (2) of this subsection shall apply and the penalty specified by subsection (g) of this Code section shall not apply if:

(A) The deed to secure debt was executed as a part of a bona fide commercial loan transaction in which the grantor of the deed to secure debt received consideration equal in value to the principal amount of the debt secured by the deed to secure debt;

(B) The loan was made by a person or financial institution who or which is regularly engaged in the business of making loans; and

(C) The deed to secure debt was intended by the parties as security for the loan and was not intended for the purpose of carrying out a transfer which would otherwise be subject to the penalty specified by subsection (g) of this Code section.

(2) When a breach occurs solely as a result of a foreclosure which meets the qualifications of paragraph (1) of this subsection, the penalty imposed shall be the amount by which preferential assessment has reduced taxes otherwise due for the year in which the covenant is breached.

(3) A penalty imposed under this subsection shall bear interest at the rate specified in Code Section 48-2-40 from the date the covenant is breached.

(r)(1) In any case in which a covenant is breached solely as a result of a medically demonstrable illness or disability which renders the owner of the real property physically unable to continue the property in agricultural use, the penalty specified by paragraph (2) of this subsection shall apply and the penalty specified by subsection (g) of this Code section shall not apply. The penalty specified by paragraph (2) of this subsection shall likewise be substituted for the penalty specified by subsection (g) of this Code section in any case in which a covenant is

breached solely as a result of a medically demonstrable illness or disability which renders the operator of the real property physically unable to continue the property in agricultural use, provided that the alternative penalty shall apply in this case only if the operator of the real property is a member of the family owning a family-farm corporation which owns the real property.

(2) When a breach occurs which meets the qualifications of paragraph (1) of this subsection, the penalty imposed shall be the amount by which preferential assessment has reduced taxes otherwise due for the year during which the covenant is breached.

(3) A penalty imposed under this subsection shall bear interest at the rate specified in Code Section 48-2-40 from the date the covenant is breached.

(4) Prior to the imposition of the alternative penalty authorized by this subsection in lieu of the penalty specified by subsection (g) of this Code section, the board of tax assessors shall require satisfactory evidence which clearly demonstrates that the breach is the result of a medically demonstrable illness or disability which meets the qualifications of paragraph (1) of this subsection.

(r.1) In any case in which a covenant is breached solely as a result of an owner electing to discontinue the property in its qualifying use, provided such owner has renewed without an intervening lapse at least once the covenant under this Code section, has reached the age of 65 or older, and has kept the property in a qualifying use under the renewal covenant for at least three years the penalty specified by subsection (g) of this Code section shall not apply and the penalty imposed shall be the amount by which preferential assessment has reduced taxes otherwise due for the year in which the covenant is breached. Such penalty shall bear interest at the rate specified in Code Section 48-2-40 from the date of the breach. Such election shall be in writing and shall not become effective until filed with the county board of tax assessors.

(s) Property which is subject to preferential assessment and which is subject to a covenant under this Code section may be changed from such covenant and placed in a covenant for bona fide conservation use under Code Section 48-5-7.4 if such property meets all of the requirements and conditions specified in Code Section 48-5-7.4. Any such change shall terminate the covenant under this Code section, shall not constitute a breach of the covenant under this Code section, and shall require the establishment of a new covenant period under Code Section 48-5-7.4. No property may be changed under this subsection more than once.

(t) At such time as the property ceases to be eligible for preferential assessment or when any ten-year covenant period expires and the property does not qualify for further preferential assessment, the owner of the property shall file an application for release of preferential treatment with the county board of tax assessors who shall approve the release upon verification that all taxes and penalties with respect to the property have been satisfied. After the application for release has been approved by the board of tax assessors, the board shall file the release in the office of the clerk of the superior court in the county in which the original covenant was filed. The clerk of the superior court shall file and index such release in the real property records maintained in the clerk's office. No fee shall be paid to the clerk of the superior court for recording such release. The commissioner shall by regulation provide uniform release forms.

48-5-7.2. Certification as rehabilitated historic property for purposes of preferential assessment.

(a)(1) For the purposes of this article, "rehabilitated historic property" means tangible real property which:

(A) Qualifies for listing on the Georgia Register of Historic Places as provided in Part 1 of Article 3 of Chapter 3 of Title 12;

(B) Is in the process of or has been substantially rehabilitated, provided that in the case of owner occupied residential real property the rehabilitation has increased the fair market value of the building or structure by not less than 50 percent, or, in the case of income-producing real property, the rehabilitation has increased the fair market value of the building or structure by not less than 100 percent, or, in the case of real property used primarily as residential property but partially as income-producing property, the rehabilitation has increased the fair market value of the building or structure by not less than 75 percent, provided that the exact percentage of such increase in the fair market value to be required shall be determined by rules and regulations promulgated by the Board of Natural Resources. For the purposes of this subparagraph, the term "fair market value" shall mean the fair market value of the property, excluding the provisions of subparagraph (C) of paragraph (3) of Code Section 48-5-2;

(C) The rehabilitation of which meets the rehabilitation standards as provided in regulations promulgated by the Department of Natural Resources; and

(D) Has been certified by the Department of Natural Resources as rehabilitated historic property eligible for preferential assessment.

(2) The preferential classification and assessment of rehabilitated historic property provided for in this Code section shall apply to the building or structure which is the subject of the rehabilitation, the real property on which the building or structure is located, and not more than two acres of real property surrounding the building or structure. The remaining property shall be assessed for tax purposes as otherwise provided by law.

(3) Property may qualify as historic property only if substantial rehabilitation of such property was initiated after January 1, 1989, and only property which has been certified as rehabilitated historic property by the Department of Natural Resources after July 1, 1989, may qualify for preferential assessment.

(b) In order for property to qualify for preferential assessment as provided for in subsection (c) of Code Section 48-5-7, the property must receive certification as rehabilitated historic property as defined in paragraph (1) of subsection (a) of this Code section and pursuant to regulations promulgated by the Department of Natural Resources. Applications for certification of such property shall be accompanied by a fee specified by rules and regulations of the Board of Natural Resources. The Department of Natural Resources may, at its discretion, delegate its responsibilities conferred under subparagraph (a)(1)(C) of this Code section.

(c) Upon a property owner's receiving preliminary certification pursuant to the provisions of subsection (b) of this Code section, such property owner shall submit a copy of such preliminary certification to the county board of tax assessors. A property owner shall have 24 months from the date that preliminary certification is received pursuant to subsection (b) of this Code section in which to complete the rehabilitation of such property in conformity with the application approved by the Department of Natural Resources. After receiving the preliminary certification from the property owner, the county board of tax assessors shall not increase the assessed value of such property during the period of rehabilitation of such property, not to exceed two years. During such period of rehabilitation of the property, the county tax receiver or tax commissioner shall enter upon the tax digest a notation that the property is subject to

preferential assessment and shall also enter an assessment of the fair market value of the property, excluding the preferential assessment authorized by this Code section. Any taxes not paid on the property as a result of the preliminary certification and frozen assessed value of the property shall be considered deferred until a final determination is made as to whether such property qualifies for preferential assessment as provided in this Code section.

(d) Upon the completion of the rehabilitation of such property, the property owner shall submit a request in writing for final certification to the Department of Natural Resources. The Department of Natural Resources shall determine whether such property as rehabilitated constitutes historic property which will be listed on the Georgia Register of Historic Places and which qualifies for preferential assessment. The Department of Natural Resources shall issue to the property owner a final certification if such property so qualifies.

(e) Upon receipt of final certification from the Department of Natural Resources, a property owner desiring classification of any such historic property as rehabilitated historic property in order to receive the preferential assessment shall make application to the county board of tax assessors and include the order of final certification with such application. The county board of tax assessors shall determine if the value of the building or structure has been increased in accordance with the provisions of subparagraph (a)(1)(B) of this Code section; provided, however, that, if the property owner can document expenditures on rehabilitation of owner occupied property of not less than 50 percent of the fair market value of the building or structure at the time of the preliminary certification of the property, or, in the case of income-producing property, expenditures on rehabilitation of such property of not less than 100 percent of the fair market value of the building or structure at the time of preliminary certification of the property, or, in the case of real property used primarily as residential property but partially as income-producing property, expenditures on rehabilitation of such property of not less than 75 percent of the fair market value of the building or structure at the time of preliminary certification of the property, the county board of tax assessors shall be required to grant preferential assessment to such property. For the purposes of this subsection, the term "fair market value" shall mean the fair market value of the building or structure, excluding the provisions of subparagraph (C) of paragraph (3) of Code Section 48-5-2; and such rehabilitation expenditures shall also include expenditures incurred in preserving specimen trees upon not more than two acres of real property surrounding the building or structure. As used in this Code section, the term "specimen tree" means any tree having a trunk diameter of 30 inches or more. The county board of tax assessors shall make the determination within 30 days after receiving the application and shall notify the applicant in the same manner that notices of assessment are given pursuant to Code Section 48-5-306. Appeals from the denial of an application for preferential assessment by the board of tax assessors shall be made in the same manner that other property tax appeals are made pursuant to Code Section 48-5-311.

(f) A property owner who fails to have property classified as rehabilitated historic property and listed on the Georgia Register of Historic Places for the preferential assessment shall be required to pay the difference between the amount of taxes on the property during the period that the assessment was frozen pursuant to the provisions of subsection (c) of this Code section and the amount of taxes which would have been due had the property been assessed at the regular fair market value, plus interest at the rate prescribed in Code Section 48-2-40.

(g)(1) Property which has been classified by the county board of tax assessors as rehabilitated historic property shall be eligible for the preferential assessment provided for in subsection (c) of Code Section 48-5-7; provided, however, that, for the purposes of determining the years of eligibility for preferential assessment, the tax year following the year in which the preliminary

certification was filed with the county board of tax assessors pursuant to subsection (c) of this Code section shall be considered and counted as the first year of eligibility.

(2) Property which is subject to preferential assessment shall be separately classified from all other property on the tax digest; and such separate classification shall be such as will enable any person examining the tax digest to ascertain readily that the property is subject to preferential assessment.

(3) The county tax receiver or tax commissioner shall enter upon the tax digest as the basis or value of a parcel of rehabilitated historic property a value equal to the greater of the acquisition cost of the property or the assessment of the fair market value of the property as recorded in the county tax digest at the time preliminary certification on such property was received by the county board of tax assessors pursuant to subsection (c) of this Code section. Property classified as rehabilitated historic property shall be recorded upon the tax digest as provided in this Code section for nine consecutive assessment years, and the notation "rehabilitated historic property" shall be entered on the tax digest adjacent to the valuation of such property to indicate that the property is being preferentially assessed. The tax commissioner or tax receiver shall also enter upon the tax digest an assessment of the fair market value of the property each year, excluding the provisions of subparagraph (C) of paragraph (3) of Code Section 48-5-2.

(h) When property has once been classified and assessed as rehabilitated historic property, it shall remain so classified and be granted the special assessment until the property becomes disqualified by any one of the following:

(1) Written notice by the taxpayer to the county tax commissioner or receiver to remove the preferential classification and assessment;

(2) Sale or transfer of ownership making the property exempt from property taxation;

(3) Decertification of such property by the Department of Natural Resources. The Department of Natural Resources has the authority to decertify any property which no longer possesses the qualities and features which made it eligible for the Georgia Register of Historic Places or which has been altered through inappropriate rehabilitation as determined by the Department of Natural Resources. The sale or transfer to a new owner shall not operate to disqualify the property from preferential classification and assessment so long as the property continues to qualify as rehabilitated historic property. When for any reason the property or any portion thereof ceases to qualify as rehabilitated historic property, the owner at the time of change shall notify the Department of Natural Resources and the county board of tax assessors prior to the next January; or

(4) The expiration of nine years during which the property was classified and assessed as rehabilitated historic property; provided, however, that any such property may qualify thereafter as rehabilitated historic property if such property is subject to subsequent rehabilitation and qualifies under the provisions of this Code section.

(i) Any person who is aggrieved or adversely affected by any order or action of the Department of Natural Resources pursuant to this Code section shall, upon petition within 30 days after the issuance of such order or taking of such action, have a right to a hearing before an administrative law judge appointed by the Board of Natural Resources. The hearing before the administrative law judge shall be conducted in accordance with Chapter 13 of Title 50, the "Georgia Administrative Procedure Act." The decision of the administrative law judge shall constitute the final decision of the board and any party to the hearing, including the Department

of Natural Resources, shall have the right of judicial review thereof in accordance with Chapter 13 of Title 50, the "Georgia Administrative Procedure Act."

(j)(1) The taxes and interest deferred pursuant to this Code section shall constitute a prior lien and shall attach as of the date and in the same manner and shall be collected as are other liens for taxes, as provided for under this title, but the deferred taxes and interest shall only be due, payable, and delinquent as provided in this Code section.

(2) Liens for taxes deferred under this Code section, except for any lien covering the then current tax year, shall not be divested by an award for year's support authorized pursuant to Chapter 5 of Title 53 of the "Pre-1998 Probate Code," if applicable, or Chapter 3 of Title 53 of the "Revised Probate Code of 1998." History

48-5-7.3. Landmark historic property

(a) (1) For the purposes of this Code section, "landmark historic property" means tangible real property which:

(A) Has been listed on the National Register of Historic Places or on the Georgia Register of Historic Places as provided in Part 1 of Article 3 of Chapter 3 of Title 12 and has been so certified by the Department of Natural Resources; and

(B) Has been certified by a local government as landmark historic property having exceptional architectural, historic, or cultural significance pursuant to a comprehensive local historic preservation or landmark ordinance which is of general application within such locality and has been approved as such by the state historic preservation officer.

(2) The preferential classification and assessment of landmark historic property provided for in this Code section shall apply to the building or structure which is listed on the National Register of Historic Places or on the Georgia Register of Historic Places, the real property on which the building or structure is located, and not more than two acres of real property surrounding the building or structure. The remaining property shall be assessed for tax purposes as otherwise provided by law.

(3) Property may qualify as landmark historic property and be eligible to receive the preferential assessment provided for in this Code section only if the local governing authority has adopted an ordinance authorizing such preferential assessments for landmark historic property under this Code section. Notwithstanding any other provision of this paragraph, said ordinances may extend the preferential assessment authorized by this Code section to tangible income-producing real property, tangible non-income producing real property, or combination thereof, so as to encourage the preservation of historic properties and assist in the revitalization of historic areas.

(b) In order for property to qualify under this Code section for preferential assessment as provided for in subsection (c.1) of Code Section 48-5-7, the property must receive the certifications required for landmark historic property as defined in paragraph (1) of subsection (a) of this Code section.

(c) Upon receipt of said certifications, a property owner desiring classification of any such historic property as landmark historic property in order to receive the preferential assessment shall make application to the county board of tax assessors and include said certifications with

such application. The county board of tax assessors shall determine if the provisions of this Code section have been complied with and upon such determination, the county board of tax assessors shall be required to grant preferential assessment to such property. The county board of tax assessors shall make the determination within 30 days after receiving the application and shall notify the applicant in the same manner that notices of assessment are given pursuant to Code Section 48-5-306. Appeals from the denial of an application for preferential assessment by the board of tax assessors shall be made in the same manner that other property tax appeals are made pursuant to Code Section 48-5-311.

(d) (1) Property which has been classified by the county board of tax assessors as landmark historic property shall be immediately eligible for the preferential assessment provided for in subsection (c.1) of Code Section 48-5-7; provided, however, that, for the purposes of determining the years of eligibility for preferential assessment, the tax year following the year in which the certification was filed with the county board of tax assessors pursuant to subsection (c) of this Code section shall be considered and counted as the first year of eligibility.

(2) Property which is subject to preferential assessment shall be separately classified from all other property on the tax digest; and such separate classification shall be such as will enable any person examining the tax digest to ascertain readily that the property is subject to preferential assessment.

(3) The county tax receiver or tax commissioner shall enter upon the tax digest as the basis or value of a parcel of landmark historic property a value equal to the greater of the acquisition cost of the property or the assessment of the fair market value of the property as recorded in the county tax digest at the time certification on such property was received by the county board of tax assessors pursuant to subsection (c) of this Code section. Property classified as landmark historic property shall be recorded upon the tax digest as provided in this Code section for nine consecutive assessment years, and the notation "landmark historic property" shall be entered on the tax digest adjacent to the valuation of such property to indicate that the property is being preferentially assessed. The tax commissioner or tax receiver shall also enter upon the tax digest an assessment of the fair market value of the property each year, excluding the provisions of subparagraph (D) of paragraph (3) of Code Section 48-5-2.

(e) (1) When property has once been classified and assessed as landmark historic property, it shall remain so classified and be granted the special assessment until the property becomes disqualified by any one of the following:

(A) Written notice by the taxpayer to the county tax commissioner or receiver to remove the preferential classification and assessment;

(B) Sale or transfer of ownership making the property exempt from property taxation;

(C) Decertification of such property by the Department of Natural Resources. The Department of Natural Resources has the authority to decertify any property which no longer possesses the qualities and features which made it eligible for the Georgia Register of Historic Places or which has been altered through inappropriate rehabilitation as determined by the Department of Natural Resources. The sale or transfer to a new owner shall not operate to disqualify the property from preferential classification and assessment so long as the property continues to qualify as landmark historic property, except as specified in subparagraph (B) of this paragraph. When for any reason the property or any portion thereof ceases to qualify as landmark historic

property, the owner at the time of change shall notify the Department of Natural Resources and the county board of tax assessors prior to the next January;

(D) Decertification of such property by the local governing authority for failure to maintain such property in a standard condition as specified in the local historic preservation or landmark ordinance or in local building codes; or

(E) The expiration of nine years during which the property was classified and assessed as landmark historic property; provided, however, that any such property may qualify thereafter as landmark historic property if such property is subject to subsequent rehabilitation and qualifies under other portions of the historic properties tax incentive program contained within the provisions of this Code section.

(2) Except as otherwise provided in this Code section, if a property becomes disqualified pursuant to any provision of this subsection, the decertification shall be transmitted to the county board of tax assessors and said assessors shall appropriately notate the property as decertified. Such property shall not be eligible to receive the preferential assessment provided for in this Code section during the taxable year in which such disqualification occurs.

(f) Any person who is aggrieved or adversely affected by any order or action of the Department of Natural Resources pursuant to this subsection shall, upon petition within 30 days after the issuance of such order or taking of such action, have a right to a hearing before an administrative law judge appointed by the Board of Natural Resources. The hearing before the administrative law judge shall be conducted in accordance with Chapter 13 of Title 50, the "Georgia Administrative Procedure Act." The decision of the administrative law judge shall constitute the final decision of the board and any party to the hearing, including the Department of Natural Resources, shall have the right of judicial review thereof in accordance with Chapter 13 of Title 50, the "Georgia Administrative Procedure Act."

(g) No property shall be eligible to receive simultaneously more than one of the preferential assessments provided for in this Code section and Code Section 48-5-7.2.

(h) Any landmark historic property which lies within a locally designated landmark or historic preservation district which is predominantly a residential district as determined by the local governing authority shall not be eligible for the preferential assessment provided for in this subsection if such landmark historic property constitutes a nonconforming use pursuant to applicable local zoning ordinances or if such landmark historic property does not contribute to the architectural, historic, or cultural values for which said district is significant.

(i) (1) The difference between the preferential assessment granted by this Code section and the taxes which would otherwise be assessed and interest thereon shall constitute a prior lien and shall attach as of the date and in the same manner and shall be collected as are other liens for taxes, as provided for under this title, but shall only be due, payable, and delinquent as provided in this Code section.

(2) Such liens for taxes, except for any lien covering the then current tax year, shall not be divested by an award for year's support authorized pursuant to Chapter 5 of Title 53 of the "Pre-1998 Probate Code," if applicable, or Chapter 3 of Title 53 of the "Revised Probate Code of 1998." 48-5-7.4. 48-5-7.4. Bona fide conservation use property; residential transitional property; application procedures; penalties for breach of covenant; classification on tax digest; annual report.

(a) For purposes of this article, the term "bona fide conservation use property" means property described in and meeting the requirements of paragraph (1) or (2) of this subsection, as follows

(1) Not more than 2,000 acres of tangible real property of a single person, the primary purpose of which is any good faith production, including but not limited to subsistence farming or commercial production, from or on the land of agricultural products or timber, subject to the following qualifications:

(A) Such property includes the value of tangible property permanently affixed to the real property which is directly connected to such owner's production of agricultural products or timber and which is devoted to the storage and processing of such agricultural products or timber from or on such real property;

(A.1) In the application of the limitation contained in the introductory language of this paragraph, the following rules shall apply to determine beneficial interests in bona fide conservation use property held in a family owned farm entity as described in division (1)(C)(iv) of this subsection:

(i) A person who owns an interest in a family owned farm entity as described in division (1)(C)(iv) of this subsection shall be considered to own only the percent of the bona fide conservation use property held by such family owned farm entity that is equal to the percent interest owned by such person in such family owned farm entity; and

(ii) A person who owns an interest in a family owned farm entity as described in division (1)(C)(iv) of this subsection may elect to allocate the lesser of any unused portion of such person's 2,000 acre limitation or the product of such person's percent interest in the family owned farm entity times the total number of acres owned by the family owned farm entity subject to such bona fide conservation use assessment, with the result that the family owned farm entity may receive bona fide conservation use assessment on more than 2,000 acres;

(B) Such property excludes the entire value of any residence and its underlying property; as used in this subparagraph, the term "underlying property" means the minimum lot size required for residential construction by local zoning ordinances or two acres, whichever is less. This provision for excluding the underlying property of a residence from eligibility in the conservation use covenant shall only apply to property that is first made subject to a covenant or is subject to the renewal of a previous covenant on or after May 1, 2012;

(C) Except as otherwise provided in division (vii) of this subparagraph, such property must be owned by:

(i) One or more natural or naturalized citizens;

(ii) An estate of which the devisees or heirs are one or more natural or naturalized citizens;

(iii) A trust of which the beneficiaries are one or more natural or naturalized citizens;

(iv) A family owned farm entity, such as a family corporation, a family partnership, a family general partnership, a family limited partnership, a family limited corporation, or a family limited liability company, all of the interest of which is owned by one or more natural or naturalized citizens related to each other by blood or marriage within the fourth degree of civil reckoning, except that, solely with respect to a family limited partnership, a corporation, limited partnership, limited corporation, or limited liability company may serve as a general partner of the family limited partnership and hold no more than a 5 percent interest in such family limited partnership, an estate of which the devisees or heirs are one or more natural or naturalized citizens, or a trust of which the beneficiaries are one or more natural or naturalized citizens, or an entity created by the merger or consolidation of two or more entities which independently qualify as a family owned farm entity, and which family owned farm entity derived 80 percent or more of its gross income from bona fide conservation uses, including earnings on investments directly related to past or future bona fide conservation uses, within this state within the year immediately preceding the year in which eligibility is sought; provided, however, that in the case of a newly formed family farm entity, an estimate of the income of such entity may be used to determine its eligibility;

(v) A bona fide nonprofit conservation organization designated under Section 501(c)(3) of the Internal Revenue Code;

(vi) A bona fide club organized for pleasure, recreation, and other nonprofitable purposes pursuant to Section 501(c)(7) of the Internal Revenue Code; or

(vii) In the case of constructed storm-water wetlands, any person may own such property;

(D) Factors which may be considered in determining if such property is qualified may include, but not be limited to:

(i) The nature of the terrain;

(ii) The density of the marketable product on the land;

(iii) The past usage of the land;

(iv) The economic merchantability of the agricultural product; and

(v) The utilization or nonutilization of recognized care, cultivation, harvesting, and like practices applicable to the product involved and any implemented plans thereof;

(E) Such property shall, if otherwise qualified, include, but not be limited to, property used for:

(i) Raising, harvesting, or storing crops;

(ii) Feeding, breeding, or managing livestock or poultry;

(iii) Producing plants, trees, fowl, or animals, including without limitation the production of fish or wildlife by maintaining not less than ten acres of wildlife habitat either in its natural state or under management, which shall be deemed a type of agriculture; provided, however, that no form of commercial fishing or fish production shall be considered a type of agriculture; or

(iv) Production of aquaculture, horticulture, floriculture, forestry, dairy, livestock, poultry, and apiarian products; and

(F) The primary purpose described in this paragraph includes land conservation and ecological forest management in which commercial production of wood and wood fiber products may be undertaken primarily for conservation and restoration purposes rather than financial gain; or

(2) Not more than 2,000 acres of tangible real property, excluding the value of any improvements thereon, of a single owner of the types of environmentally sensitive property specified in this paragraph and certified as such by the Department of Natural Resources, if the primary use of such property is its maintenance in its natural condition or controlling or abating pollution of surface or ground waters of this state by storm-water runoff or otherwise enhancing the water quality of surface or ground waters of this state and if such owner meets the qualifications of subparagraph (C) of paragraph (1) of this subsection:

(A) Environmentally sensitive areas, including any otherwise qualified land area 1,000 feet or more above the lowest elevation of the county in which such area is located that has a percentage slope, which is the difference in elevation between two points 500 feet apart on the earth divided by the horizontal distance between those two points, of 25 percent or greater and shall include the crests, summits, and ridge tops which lie at elevations higher than any such area;

(B) Wetland areas that are determined by the United States Army Corps of Engineers to be wetlands under their jurisdiction pursuant to Section 404 of the federal Clean Water Act, as amended, or wetland areas that are depicted or delineated on maps compiled by the Department of Natural Resources or the United States Fish and Wildlife Service pursuant to its National Wetlands Inventory Program;

(C) Significant ground-water recharge areas as identified on maps or data compiled by the Department of Natural Resources;

(D) Undeveloped barrier islands or portions thereof as provided for in the federal Coastal Barrier Resources Act, as amended;

(E) Habitats as certified by the Department of Natural Resources as containing species that have been listed as either endangered or threatened under the federal Endangered Species Act of 1973, as amended;

(F) River or stream corridors or buffers which shall be defined as those undeveloped lands which are:

(i) Adjacent to rivers and perennial streams that are within the 100 year flood plain as depicted on official maps prepared by the Federal Emergency Management Agency; or

(ii) Within buffer zones adjacent to rivers or perennial streams, which buffer zones are established by law or local ordinance and within which land-disturbing activity is prohibited; or

(G) (i) Constructed storm-water wetlands of the free-water surface type certified by the Department of Natural Resources under subsection (k) of Code Section 12-2-4 and approved for such use by the local governing authority.

(ii) No property shall maintain its eligibility for current use assessment as a bona fide conservation use property as defined in this subparagraph unless the owner of such property files an annual inspection report from a licensed professional engineer certifying that as of the date of such report the property is being maintained in a proper state of repair so as to accomplish the objectives for which it was designed. Such inspection report and certification shall be filed with the county board of tax assessors on or before the last day for filing ad valorem tax returns in the county for each tax year for which such assessment is sought.

(a.1) Notwithstanding any other provision of this Code section to the contrary, in the case of property which otherwise meets the requirements for current use assessment and the qualifying use is pursuant to division (1)(E)(iii) of subsection (a) of this Code section, when the owner seeks to renew the covenant or reenter a covenant subsequent to the termination of a previous covenant which met such requirements and the owner meets the qualifications under this Code section but the property is no longer being used for the qualified use for which the previous covenant was entered pursuant to division (1)(E)(iii) of subsection (a) of this Code section, the property is not environmentally sensitive property within the meaning of paragraph (2) of subsection (a) of this Code section, and the primary use of the property is maintenance of a wildlife habitat of not less than ten acres either by maintaining the property in its natural condition or under management, the county board of tax assessors shall be required to accept such use as a qualifying use for purposes of this Code section.

(b) Except in the case of the underlying portion of a tract of real property on which is actually located a constructed storm-water wetlands, the following additional rules shall apply to the qualification of conservation use property for current use assessment:

(1) When one-half or more of the area of a single tract of real property is used for a qualifying purpose, then such tract shall be considered as used for such qualifying purpose unless some other type of business is being operated on the unused portion; provided, however, that such unused portion must be minimally managed so that it does not contribute significantly to erosion or other environmental or conservation problems. The lease of hunting rights or the use of the property for hunting purposes shall not constitute another type of business. The charging of admission for use of the property for fishing purposes shall not constitute another type of business;

(2) The owner of a tract, lot, or parcel of land totaling less than ten acres shall be required by the tax assessor to submit additional relevant records regarding proof of bona fide conservation use for qualified property that on or after May 1, 2012, is either first made subject to a covenant or is subject to a renewal of a previous covenant. If the owner of the subject property provides proof that such owner has filed with the Internal Revenue Service a Schedule E, reporting farm related income or loss, or a Schedule F, with Form 1040, or, if applicable, a Form 4835, pertaining to such property, the provisions of this paragraph, requiring additional relevant records regarding proof of bona fide conservation use, shall not apply to such property. Prior to a denial of eligibility under this paragraph, the tax assessor shall conduct and provide proof of a visual on-site inspection of the property. Reasonable notice shall be provided to the property owner before being allowed a visual, on-site inspection of the property by the tax assessor;

(3) No property shall qualify as bona fide conservation use property if such current use assessment would result in any person who has a beneficial interest in such property, including any interest in the nature of stock ownership, receiving in any tax year any benefit of current use assessment as to more than 2,000 acres. If any taxpayer has any beneficial interest in more than 2,000 acres of tangible real property which is devoted to bona fide conservation uses, such

taxpayer shall apply for current use assessment only as to 2,000 acres of such land;

(4) No property shall qualify as bona fide conservation use property if it is leased to a person or entity which would not be entitled to conservation use assessment;

(5) No property shall qualify as bona fide conservation use property if such property is at the time of application for current use assessment subject to a restrictive covenant which prohibits the use of the property for the specific purpose described in subparagraph (a)(1)(E) of this Code section for which bona fide conservation use qualification is sought; and

(6) No otherwise qualified property shall be denied current use assessment on the grounds that no soil map is available for the county in which such property is located; provided, however, that if no soil map is available for the county in which such property is located, the owner making an application for current use assessment shall provide the board of tax assessors with a certified soil survey of the subject property unless another method for determining the soil type of the subject property is authorized in writing by such board.

(c) For purposes of this article, the term "bona fide residential transitional property" means not more than five acres of tangible real property of a single owner which is private single-family residential owner occupied property located in a transitional developing area. Such classification shall apply to all otherwise qualified real property which is located in an area which is undergoing a change in use from single-family residential use to agricultural, commercial, industrial, office-institutional, multifamily, or utility use or a combination of such uses. Change in use may be evidenced by recent zoning changes, purchase by a developer, affidavits of intent, or close proximity to property which has undergone a change from single-family residential use. To qualify as residential transitional property, the valuation must reflect a change in value attributable to such property's proximity to or location in a transitional area.

(d) No property shall qualify for current use assessment under this Code section unless and until the owner of such property agrees by covenant with the appropriate taxing authority to maintain the eligible property in bona fide qualifying use for a period of ten years beginning on the first day of January of the year in which such property qualifies for such current use assessment and ending on the last day of December of the final year of the covenant period. After the owner has applied for and has been allowed current use assessment provided for in this Code section, it shall not be necessary to make application thereafter for any year in which the covenant period is in effect and current use assessment shall continue to be allowed such owner as specified in this Code section. At least 60 days prior to the expiration date of the covenant, the county board of tax assessors shall send by first-class mail written notification of such impending expiration. Upon the expiration of any covenant period, the property shall not qualify for further current use assessment under this Code section unless and until the owner of the property has entered into a renewal covenant for an additional period of ten years; provided, however, that the owner may enter into a renewal contract in the ninth year of a covenant period so that the contract is continued without a lapse for an additional ten years.

(e) A single owner shall be authorized to enter into more than one covenant under this Code section for bona fide conservation use property, provided that the aggregate number of acres of qualified property of such owner to be entered into such covenants does not exceed 2,000 acres. Any such qualified property may include a tract or tracts of land which are located in more than one county. A single owner shall be authorized to enter qualified property in a covenant for bona fide conservation use purposes and to enter simultaneously the residence located on such property in a covenant for bona fide residential transitional use if the

qualifications for each such covenant are met. A single owner shall be authorized to enter qualified property in a covenant for bona fide conservation use purposes and to enter other qualified property of such owner in a covenant for bona fide residential transitional use.

(f) An owner shall not be authorized to make application for and receive current use assessment under this Code section for any property which at the time of such application is receiving preferential assessment under Code Section 48-5-7.1 except that such owner shall be authorized to change such preferential assessment covenant in the manner provided for in subsection (s) of Code Section 48-5-7.1.

(g) Except as otherwise provided in this subsection, no property shall maintain its eligibility for current use assessment under this Code section unless a valid covenant remains in effect and unless the property is continuously devoted to an applicable bona fide qualifying use during the entire period of the covenant. An owner shall be authorized to change the type of bona fide qualifying conservation use of the property to another bona fide qualifying conservation use and the penalty imposed by subsection (l) of this Code section shall not apply, but such owner shall give notice of any such change in use to the board of tax assessors.

(h) If any breach of a covenant occurs, the existing covenant shall be terminated and all qualification requirements must be met again before the property shall be eligible for current use assessment under this Code section.

(i) (1) If ownership of all or a part of the property is acquired during a covenant period by a person or entity qualified to enter into an original covenant, then the original covenant may be continued by such acquiring party for the remainder of the term, in which event no breach of the covenant shall be deemed to have occurred.

(2) (A) As used in this paragraph, the term "contiguous" means real property within a county that abuts, joins, or touches and has the same undivided common ownership. If an applicant's tract is divided by a county boundary, public roadway, public easement, public right of way, natural boundary, land lot line, or railroad track, then the applicant has, at the time of the initial application, a one-time election to declare the tract as contiguous irrespective of a county boundary, public roadway, public easement, public right of way, natural boundary, land lot line, or railroad track.

(B) If a qualified owner has entered into an original bona fide conservation use covenant and subsequently acquires additional qualified property contiguous to the property in the original covenant, the qualified owner may elect to enter the subsequently acquired qualified property into the original covenant for the remainder of the ten-year period of the original covenant; provided, however, that such subsequently acquired qualified property shall be less than 50 acres.

(j) (1) All applications for current use assessment under this Code section, including the covenant agreement required under this Code section, shall be filed on or before the last day for filing ad valorem tax returns in the county for the tax year for which such current use assessment is sought, except that in the case of property which is the subject of a reassessment by the board of tax assessors an application for current use assessment may be filed in conjunction with or in lieu of an appeal of the reassessment. An application for continuation of such current use assessment upon a change in ownership of all or a part of the qualified property shall be filed on or before the last date for filing tax returns in the year following the year in which the change in ownership occurred. Applications for current use

assessment under this Code section shall be filed with the county board of tax assessors who shall approve or deny the application. If the application is approved on or after July 1, 1998, the county board of tax assessors shall file a copy of the approved application in the office of the clerk of the superior court in the county in which the eligible property is located. The clerk of the superior court shall file and index such application in the real property records maintained in the clerk's office. Applications approved prior to July 1, 1998, shall be filed and indexed in like manner without payment of any fee. If the application is not so recorded in the real property records, a transferee of the property affected shall not be bound by the covenant or subject to any penalty for its breach. The fee of the clerk of the superior court for recording such applications approved on or after July 1, 1998, shall be paid by the owner of the eligible property with the application for preferential treatment and shall be paid to the clerk by the board of tax assessors when the application is filed with the clerk. If the application is denied, the board of tax assessors shall notify the applicant in the same manner that notices of assessment are given pursuant to Code Section 48-5-306 and shall return any filing fees advanced by the owner. Appeals from the denial of an application by the board of tax assessors shall be made in the same manner that other property tax appeals are made pursuant to Code Section 48-5-311.

(2) In the event such application is approved, the taxpayer shall continue to receive annual notification of any change in the fair market value of such property and any appeals with respect to such valuation shall be made in the same manner as other property tax appeals are made pursuant to Code Section 48-5-311.

(k) (1) The commissioner shall by regulation provide uniform application and covenant forms to be used in making application for current use assessment under this Code section. Such application shall include an oath or affirmation by the taxpayer that he or she is in compliance with the provisions of paragraphs (3) and (4) of subsection (b) of this Code section, if applicable.

(2) The applicable local governing authority shall accept applications for approval of property for purposes of subparagraph (a)(2)(G) of this Code section and shall certify property to the local board of tax assessors as meeting or not meeting the criteria of such paragraph. The local governing authority shall not certify any property as meeting the criteria of subparagraph (a)(2)(G) of this Code section unless:

(A) The owner has submitted to the local governing authority:

(i) A plat of the tract in question prepared by a licensed land surveyor, showing the location and measured area of such tract;

(ii) A certification by a licensed professional engineer that the specific design used for the constructed storm-water wetland was recommended by the engineer as suitable for such site after inspection and investigation; and

(iii) Information on the actual cost of constructing and estimated cost of operating the storm-water wetland, including without limitation a description of all incorporated materials, machinery, and equipment; and

(B) An authorized employee or agent of the local governing authority has inspected the site before, during, and after construction of the storm-water wetland to determine compliance with the requirements of subparagraph (a)(2)(G) of this Code section.

(k.1) In the case of an alleged breach of the covenant, the owner shall be notified in writing by

the board of tax assessors. The owner shall have a period of 30 days from the date of such notice to cease and desist the activity alleged in the notice to be in breach of the covenant or to remediate or correct the condition or conditions alleged in the notice to be in breach of the covenant. Following a physical inspection of property, the board of tax assessors shall notify the owner that such activity or activities have or have not properly ceased or that the condition or conditions have or have not been remediated or corrected. The owner shall be entitled to appeal the decision of the board of tax assessors and file an appeal disputing the findings of the board of tax assessors. Such appeal shall be conducted in the same manner that other property tax appeals are made pursuant to Code Section 48-5-311.

(l) A penalty shall be imposed under this subsection if during the period of the covenant entered into by a taxpayer the covenant is breached. The penalty shall be applicable to the entire tract which is the subject of the covenant and shall be twice the difference between the total amount of tax paid pursuant to current use assessment under this Code section and the total amount of taxes which would otherwise have been due under this chapter for each completed or partially completed year of the covenant period. Any such penalty shall bear interest at the rate specified in Code Section 48-2-40 from the date the covenant is breached.

(m) Penalties and interest imposed under this Code section shall constitute a lien against the property and shall be collected in the same manner as unpaid ad valorem taxes are collected. Such penalties and interest shall be distributed pro rata to each taxing jurisdiction wherein current use assessment under this Code section has been granted based upon the total amount by which such current use assessment has reduced taxes for each such taxing jurisdiction on the property in question as provided in this Code section.

(n) The penalty imposed by subsection (l) of this Code section shall not apply in any case where a covenant is breached solely as a result of:

(1) The acquisition of part or all of the property under the power of eminent domain;

(2) The sale of part or all of the property to a public or private entity which would have had the authority to acquire the property under the power of eminent domain; or

(3) The death of an owner who was a party to the covenant.

(o) The transfer of a part of the property subject to a covenant for a bona fide conservation use shall not constitute a breach of a covenant if:

(1) The part of the property so transferred is used for single-family residential purposes, starting within one year of the date of transfer and continuing for the remainder of the covenant period, and the residence is occupied within 24 months from the date of the start by a person who is related within the fourth degree of civil reckoning to an owner of the property subject to the covenant; and

(2) The part of the property so transferred, taken together with any other part of the property so transferred to the same relative during the covenant period, does not exceed a total of five acres;

and in any such case the property so transferred shall not be eligible for a covenant for bona fide conservation use, but shall, if otherwise qualified, be eligible for current use assessment as residential transitional property and the remainder of the property from which such transfer was

made shall continue under the existing covenant until a terminating breach occurs or until the end of the specified covenant period.

(p) The following shall not constitute a breach of a covenant:

(1) Mineral exploration of the property subject to the covenant or the leasing of the property subject to the covenant for purposes of mineral exploration if the primary use of the property continues to be the good faith production from or on the land of agricultural products;

(2) Allowing all or part of the property subject to the covenant to lie fallow or idle for purposes of any land conservation program, for purposes of any federal agricultural assistance program, or for other agricultural management purposes;

(3) Allowing all or part of the property subject to the covenant to lie fallow or idle due to economic or financial hardship if the owner notifies the board of tax assessors on or before the last day for filing a tax return in the county where the land lying fallow or idle is located and if such owner does not allow the land to lie fallow or idle for more than two years of any five-year period;

(4) (A) Any property which is subject to a covenant for bona fide conservation use being transferred to a place of religious worship or burial or an institution of purely public charity if such place or institution is qualified to receive the exemption from ad valorem taxation provided for under subsection (a) of Code Section 48-5-41. No person shall be entitled to transfer more than 25 acres of such person's property in the aggregate under this paragraph.

(B) Any property transferred under subparagraph (A) of this paragraph shall not be used by the transferee for any purpose other than for a purpose which would entitle such property to the applicable exemption from ad valorem taxation provided for under subsection (a) of Code Section 48-5-41 or subsequently transferred until the expiration of the term of the covenant period. Any such use or transfer shall constitute a breach of the covenant;

(5) Leasing a portion of the property subject to the covenant, but in no event more than six acres, for the purpose of placing thereon a cellular telephone transmission tower. Any such portion of such property shall cease to be subject to the covenant as of the date of execution of such lease and shall be subject to ad valorem taxation at fair market value;

(6) Allowing all or part of the property subject to the covenant on which a corn crop is grown to be used for the purpose of constructing and operating a maze so long as the remainder of such corn crop is harvested;

(7) (A) Allowing all or part of the property subject to the covenant to be used for agritourism purposes.

(B) As used in this paragraph, the term "agritourism" means charging admission for persons to visit, view, or participate in the operation of a farm or dairy or production of farm or dairy products for entertainment or educational purposes or selling farm or dairy products to persons who visit such farm or dairy;

(8) Allowing all or part of the property which has been subject to a covenant for at least one year to be used as a site for farm weddings;

(9) Allowing all or part of the property which has been subject to a covenant for at least one year to be used to host not for profit equestrian performance events to which spectator admission is not contingent upon an admission fee but which may charge an entry fee from each participant;
or

(10) Allowing all or part of the property subject to the covenant to be used to host a not for profit rodeo event to which spectator admission and participant entry fees are charged in an amount that in aggregate does not exceed the cost of hosting such event.

(11)(A) Allowing part of the property subject to the covenant to be used for solar generation of energy and conversion of such energy into heat or electricity, and the sale of the same in accordance with applicable law.

(B) The provisions of subparagraph (A) of this paragraph shall not allow the portion of the property on which such solar energy generating equipment is located, as depicted by a boundary survey prepared by a licensed surveyor, and which is subject to an existing covenant to remain in the covenant. Such property shall be removed from the existing covenant at the time of the installation of the solar energy generating equipment and shall be subject to the penalty for breach of the covenant contained in subsection (g) of this Code section and shall be subject to ad valorem taxation at fair market value; or

(12)(A) Allowing part of the property subject to the covenant to be used for farm labor housing. As used in this paragraph, the term 'farm labor housing' means all buildings or structures used as living quarters when such housing is provided free of charge to workers who provide labor on agricultural property.

(B) The provisions of subparagraph (A) of this paragraph shall not allow the portion of the property on which such farm labor housing is located and which is subject to an existing covenant to remain in the covenant. Such property shall be removed from the existing covenant at the time construction of the farm labor housing begins and shall be subject to ad valorem taxation at fair market value.

(q) In the following cases, the penalty specified by subsection (l) of this Code section shall not apply and the penalty imposed shall be the amount by which current use assessment has reduced taxes otherwise due for the year in which the covenant is breached, such penalty to bear interest at the rate specified in Code Section 48-2-40 from the date of the breach:

(1) Any case in which a covenant is breached solely as a result of the foreclosure of a deed to secure debt or the property is conveyed to the lienholder without compensation and in lieu of foreclosure, if:

(A) The deed to secure debt was executed as a part of a bona fide commercial loan transaction in which the grantor of the deed to secure debt received consideration equal in value to the principal amount of the debt secured by the deed to secure debt;

(B) The loan was made by a person or financial institution who or which is regularly engaged in the business of making loans; and

(C) The deed to secure debt was intended by the parties as security for the loan and was not intended for the purpose of carrying out a transfer which would otherwise be subject to the penalty specified by subsection (l) of this Code section;

(2) Any case in which a covenant is breached solely as a result of a medically demonstrable illness or disability which renders the owner of the real property physically unable to continue the property in the qualifying use, provided that the board of tax assessors shall require satisfactory evidence which clearly demonstrates that the breach is the result of a medically demonstrable illness or disability;

(3) Any case in which a covenant is breached solely as a result of an owner electing to discontinue the property in its qualifying use, provided such owner has renewed without an intervening lapse at least once the covenant for bona fide conservation use, has reached the age of 65 or older, and has kept the property in a qualifying use under the renewal covenant for at least three years. Such election shall be in writing and shall not become effective until filed with the county board of tax assessors; or

(4) Any case in which a covenant is breached solely as a result of an owner electing to discontinue the property in its qualifying use, provided such owner entered into the covenant for bona fide conservation use for the first time after reaching the age of 67 and has either owned the property for at least 15 years or inherited the property and has kept the property in a qualifying use under the covenant for at least three years. Such election shall be in writing and shall not become effective until filed with the county board of tax assessors.

(r) Property which is subject to current use assessment under this Code section shall be separately classified from all other property on the tax digest; and such separate classification shall be such as will enable any person examining the tax digest to ascertain readily that the property is subject to current use assessment under this Code section. Covenants shall be public records and shall be indexed and maintained in such manner as will allow members of the public to locate readily the covenant affecting any particular property subject to current use assessment under this Code section. Based on information submitted by the county boards of tax assessors, the commissioner shall maintain a central registry of conservation use property, indexed by owners, so as to ensure that the 2,000 acre limitations of this Code section are complied with on a state-wide basis.

(s) The commissioner shall annually submit a report to the Governor, the Department of Agriculture, the Georgia Agricultural Statistical Service, the State Forestry Commission, the Department of Natural Resources, and the University of Georgia Cooperative Extension Service and the House Ways and Means, Natural Resources and Environment, and Agriculture and Consumer Affairs committees and the Senate Finance, Natural Resources and Environment, and Agriculture and Consumer Affairs committees and shall make such report available to other members of the General Assembly, which report shall show the fiscal impact of the assessments provided for in this Code section and Code Section 48-5-7.5. The report shall include the amount of assessed value eliminated from each county's digest as a result of such assessments; approximate tax dollar losses, by county, to all local governments affected by such assessments; and any recommendations regarding state and local administration of this Code section and Code Section 48-5-7.5, with emphasis upon enforcement problems, if any, attendant with this Code section and Code Section 48-5-7.5. The report shall also include any other data or facts which the commissioner deems relevant.

(t) A public notice containing a brief, factual summary of the provisions of this Code section shall be posted in a prominent location readily viewable by the public in the office of the board of tax assessors and in the office of the tax commissioner of each county in this state.

(u) Reserved.

(v) Reserved.

(w) At such time as the property ceases to be eligible for current use assessment or when any ten-year covenant period expires and the property does not qualify for further current use assessment, the owner of the property shall file an application for release of current use treatment with the county board of tax assessors who shall approve the release upon verification that all taxes and penalties with respect to the property have been satisfied. After the application for release has been approved by the board of tax assessors, the board shall file the release in the office of the clerk of the superior court in the county in which the original covenant was filed. The clerk of the superior court shall file and index such release in the real property records maintained in the clerk's office. No fee shall be paid to the clerk of the superior court for recording such release. The commissioner shall by regulation provide uniform release forms.

(x) Notwithstanding any other provision of this Code section to the contrary, in any case where a renewal covenant is breached by the original covenantor or a transferee who is related to that original covenantor within the fourth degree by civil reckoning, the penalty otherwise imposed by subsection (l) of this Code section shall not apply if the breach occurs during the sixth through tenth years of such renewal covenant, and the only penalty imposed shall be the amount by which current use assessment has reduced taxes otherwise due for each year in which such renewal covenant was in effect, plus interest at the rate specified in Code Section 48-2-40 from the date the covenant is breached.

(y) The commissioner shall have the power to make and publish reasonable rules and regulations for the implementation and enforcement of this Code section. Without limiting the commissioner's authority with respect to any other such matters, the commissioner may prescribe soil maps and other appropriate sources of information for documenting eligibility as a bona fide conservation use property. The commissioner also may provide that advance notice be given to taxpayers of the intent of a board of tax assessors to deem a change in use as a breach of a covenant.

(z) The governing authority of a county shall not publish or promulgate any information which is inconsistent with the provisions of this chapter.

48-5-7.5. Assessment of standing timber; penalty for failure to timely report; effect of reduction of property tax digest; supplemental assessment

(a) Standing timber shall be assessed for ad valorem taxation only once and such assessment shall be made following its harvest or sale as provided for in this Code section. Such timber shall be subject to ad valorem taxation notwithstanding the fact that the underlying land is exempt from taxation, unless such taxation is prohibited by federal law or treaty. Such timber shall be assessed at 100 percent of its fair market value and shall be taxed on a levy made by each respective taxing jurisdiction according to such 100 percent fair market value. Such assessment shall be made in the county where the timber was grown and shall be taxable by that county and any other taxing jurisdiction therein in which the timber was grown.

(b) For purposes of this Code section, the term "sale" of timber shall mean the arm's length, bona fide sale of standing timber for harvest separate and apart from the underlying land and shall not include the simultaneous sale of a tract of land and the timber thereon.

(c) Lump sum sales.

(1) Where standing timber is sold, in an arm's length, bona fide sale, by timber deed, contract, lease, agreement, or otherwise to be harvested within a three-year period after the date of the sale and for a lump sum price, so much of said timber as will be harvested within three years shall be assessed for taxation as of the date of the sale. The fair market value of such timber for purposes of ad valorem taxation shall be the lump sum price paid by the purchaser in the arm's length, bona fide sale. Any timber described in any sale instrument which is not harvested within three years after the date of the sale shall later be assessed for taxation following its future harvest or sale. Ad valorem taxes shall be payable by the seller and shall be calculated by multiplying the 100 percent fair market value of the timber times the millage rate levied by the taxing authority on tangible property for the previous calendar year. Immediately upon receipt by the seller of the purchase price, the seller shall remit to the purchaser the amount of ad valorem tax due on the sale, in the form of a negotiable instrument payable to the tax collector or tax commissioner. Such negotiable instrument shall be remitted by the purchaser to the tax collector or tax commissioner not later than five days after receipt of the tax from the seller. A purchaser failing to make such remittance shall be personally liable for the tax. With said remittance, the purchaser shall present to the board of tax assessors and to the tax collector or tax commissioner a report of the sale showing the lump sum sales price of the standing timber, the date of sale, the addresses of the seller and purchaser, and the location of the standing timber in the county. The tax collector or tax commissioner shall collect from the purchaser the seller's negotiable instrument in payment of the tax; and a receipt showing payment of the tax shall promptly be delivered by the tax collector or tax commissioner to the seller.

(2) Upon request of the purchaser, the tax collector or tax commissioner shall enter upon or attach to the instrument conveying the standing timber a certification that the ad valorem tax has been paid, the date, and the amount of the tax. The certificate shall be signed by the tax collector or tax commissioner or his deputy. The purchaser may then present the instrument together with the certificate to the clerk of superior court of the county or counties in which the standing timber is located, who shall then file the instrument for record. The ad valorem tax levied under this subsection on lump sum sales of standing timber shall be paid to the tax collector or tax commissioner prior to and as a prerequisite to the filing for record of the instrument with the clerk of superior court, and the clerk shall not be permitted to file the instrument for record unless the instrument discloses on its face the proper certificate showing that the tax has been paid; and the certificate shall be recorded with the instrument.

(d) Unit price sales.

(1) Any person purchasing standing timber, in an arm's length, bona fide sale, by timber deed, contract, lease, agreement, or otherwise by unit prices shall furnish a report to the seller and the county board of tax assessors within 45 days after the end of each calendar quarter. The report shall show the total dollar value of standing timber paid to the seller and the volume, in pounds, if available, or measured volume, of softwood and hardwood pulpwood, chip and saw logs, saw timber, poles, posts, and fuel wood harvested. Such report shall include such data through the last business day of the calendar quarter, the names and addresses of the seller and the purchaser, and the location of the harvested timber. A copy of such report shall also be furnished by the seller to the tax assessors within 60 days after the end of the calendar quarter. The fair market value of such timber for purposes of ad valorem taxation shall be the total dollar values paid by the purchaser in the arm's length, bona fide sale. Ad valorem taxes shall be payable by the seller in the unit price sales transaction as provided in subsection (h) of this Code section and shall be calculated by multiplying the 100 percent fair market value of the timber times the millage rate levied by the taxing authority on tangible property for the previous calendar year.

(2) Reports to the tax assessors shall be confidential, shall not be revealed to any person other than authorized tax officials, and shall be exempt from disclosure under Article 4 of Chapter 18 of Title 50.

(e) Owner harvests. Owners of real property in this state who harvest standing timber from their own lands shall report the volume, in pounds, if available, or measured volume, of softwood and hardwood pulpwood, chip and saw logs, saw timber, poles, posts, and fuel wood harvested through the last business day of each calendar quarter from said lands to the tax assessors within 45 days after the end of each calendar quarter. Such reports shall also identify the location of the tract from which the standing timber was harvested. The fair market value of such timber for purposes of ad valorem taxation shall be as determined under subsection (g) of this Code section. Ad valorem taxes shall be paid by the landowner as provided in subsection (h) of this Code section and shall be calculated by multiplying the 100 percent fair market value of the timber times the millage rate levied by the taxing authority on tangible property for the previous calendar year.

(f) Other sales and harvests. Every sale and every harvest of timber not previously taxed (excepting only a sale not for harvest within three years) shall be a taxable event. If any such sale or harvest is not a reportable taxable event described under subsection (c), (d), or (e) of this Code section, such timber shall be subject to ad valorem taxation under this subsection; and such sale or harvest shall be reported and taxed under the provisions of subsection (c), (d), or (e) of this Code section, whichever is most nearly applicable.

(g) The commissioner, after consultation with the Georgia Forestry Commission, shall provide the tax assessors of each county with the weighted average price paid, in pounds and measured volume, during each calendar year for softwood and hardwood pulpwood, chip and saw logs, saw timber, poles, posts, and fuel wood in each county or multicounty area within 60 days of the end of each calendar year. The most recent weighted average prices provided by the commissioner shall be applied by the tax assessors to the volume of wood removals reported as provided in this Code section to determine the fair market value of timber harvested other than under a taxable lump sum sale or taxable unit price sale.

(h)(1)(A) Based on the reports and data provided under subsections (d), (f), and (g) of this Code section, the tax collector or tax commissioner shall on a quarterly basis mail tax bills for sales and harvests other than lump sum sales. Ad valorem taxes on such sales and harvests shall be payable by the landowner within 30 days of receipt of the bill from the tax collector or tax commissioner.

(B) Based upon the reports and data provided under subsections (e) and (g) of this Code section, ad valorem taxes for owner harvests shall be payable by the landowner to the tax collector or tax commissioner within 45 days after the end of each calendar quarter.

(2) Any ad valorem tax or penalty which is not timely paid as provided in this Code section shall bear interest at the rate specified in Code Section 48-2-40 from the due date. Unpaid taxes, penalty, and interest imposed under this Code section shall constitute a lien against the property of the person responsible for payment of such tax and shall be collected in the same manner as other unpaid ad valorem taxes are collected.

(i) The millage rate applicable at the time of sale or the time of harvest of standing timber shall be the millage rate levied by the taxing authority on tangible property for the preceding calendar year.

(j) Any person who fails to timely make any report or disclosure required by this Code section shall pay a penalty of 50 percent of the tax due, except that if the failure to comply is unintentional and the report or disclosure is filed within 12 months after the due date the amount of the penalty shall be 1 percent for each month or part of a month that the report or disclosure is late.

(k) Forms for reports required by this Code section shall be supplied to each county by the department.

(l)(1) In any county in which the ad valorem taxation of timber pursuant to this Code section reduces the total property tax digest of such county for tax year 1992 by more than 20 percent of the amount of the total property tax digest of such county for the immediately preceding taxable year, such digest shall be supplemented as follows:

(A) The difference between the total property tax digest for the county and the total property tax digest less the total assessed value of standing timber removed from the digest shall be calculated;

(B) The difference calculated under subparagraph (A) of this paragraph shall be reduced by the fair market value of sold or harvested timber; and

(C) If the amount calculated under subparagraph (B) of this paragraph is more than 20 percent of the amount of the total property tax digest of such county for the immediately preceding taxable year, the resulting amount shall be assigned and taxed on a levy made by the tax officials of such county in a pro rata manner against the land underlying the standing timber so removed from the digest.

(2) Where a digest is so supplemented for tax year 1992, it shall be supplemented in subsequent years as follows:

(A) For tax year 1993, such supplemental assessment shall be in an amount equal to 75 percent of the supplemental assessment received for tax year 1992;

(B) For tax year 1994, such supplemental assessment shall be in an amount equal to 50 percent of the supplemental assessment received for tax year 1992;

(C) For tax year 1995, such supplemental assessment shall be in an amount equal to 25 percent of the supplemental assessment received for tax year 1992; and

(D) For tax year 1996 and future tax years, no supplemental assessment shall be received.

(m)(1) Any supplemental assessment added to a digest pursuant to subsection (l) of this Code section shall not be included in the calculation of the equalized adjusted school property tax digest under Code Section 48-5-274 for the purpose of calculating the required local five mill share for school funding purposes under Code Section 20-2-164.

(2) The fair market value of timber harvested or sold added to a digest pursuant to this Code section shall be included in the calculation of the equalized adjusted school property tax digest under Code Section 48-5-274 for the purpose of calculating the required local five mill share for school funding purposes under Code Section 20-2-164.

48-5-7.6. "Brownfield property" defined; related definitions; qualifying for preferential assessment; disqualification of property receiving preferential assessment; responsibilities of property owners; transfers of property; costs; appeals; penalty and creation of lien against property; extension of preferential assessment of brownfield property under certain circumstances

(a)(1) For the purposes of this Code section, "brownfield property" means tangible real property where:

(A) There has been a release of hazardous waste, hazardous constituents, and hazardous substances into the environment;

(B) The director of the Environmental Protection Division of the Department of Natural Resources, under Article 9 of Chapter 8 of Title 12, the "Georgia Hazardous Site Reuse and Redevelopment Act," as amended, has approved and not revoked said approval of the prospective purchaser's corrective action plan or compliance status report for such brownfield property;

(C) The director of the Environmental Protection Division of the Department of Natural Resources, under Article 9 of Chapter 8 of Title 12, the "Georgia Hazardous Site Reuse and Redevelopment Act," as amended, has issued and not revoked a limitation of liability certificate for the prospective purchaser; and

(D) The Environmental Protection Division of the Department of Natural Resources has certified eligible costs of remediation pursuant to subsection (j) of this Code section.

(2) The preferential classification and assessment of brownfield property provided for in this Code section shall apply to all real property qualified by the Environmental Protection Division of the Department of Natural Resources under Article 9 of Chapter 8 of Title 12, the "Georgia

Hazardous Site Reuse and Redevelopment Act," as amended, and any subsequent improvements to said property.

(3) "Eligible brownfield costs" means costs incurred after July 1, 2003, and directly related to the receipt of a limitation of liability pursuant to Article 9 of Chapter 8 of Title 12, the "Georgia Hazardous Site Reuse and Redevelopment Act," as amended, that are not ineligible costs.

(4) "Ineligible costs" means expenses of the following types:

(A) Purchase or routine maintenance of equipment of a durable nature that is expected to have a period of service of one year or more after being put into use at the property without material impairment of its physical condition, unless the applicant can show that the purchase was directly related to the receipt of a limitation of liability, or the applicant can demonstrate that the equipment was a total loss and that the loss occurred during the activities required for receipt of applicant's limitation of liability pursuant to Article 9 of Chapter 8 of Title 12, the "Georgia Hazardous Site Reuse and Redevelopment Act," as amended;

(B) Materials or supplies not purchased specifically for obtaining a limitation of liability pursuant to Article 9 of Chapter 8 of Title 12, the "Georgia Hazardous Site Reuse and Redevelopment Act," as amended;

(C) Employee salaries and out-of-pocket expenses normally provided for in the property owner's operating budget (i.e. meals, fuel) and employee fringe benefits;

(D) Medical expenses;

(E) Legal expenses;

(F) Other expenses not directly related to the receipt of a limitation of liability pursuant to Article 9 of Chapter 8 of Title 12, the "Georgia Hazardous Site Reuse and Redevelopment Act," as amended;

(G) Costs arising as a result of claims for damages filed by third parties against the property owner or its agents should there be a new release at the property during or after the receipt of a limitation of liability;

(H) Costs resulting from releases after the purchase of qualified brownfield property that occur as a result of violation of state or federal laws, rules, or regulations;

(I) Purchases of property;

(J) Construction costs;

(K) Costs associated with maintaining institutional controls after the certification of costs by the Environmental Protection Division of the Department of Natural Resources;
and

(L) Costs associated with establishing, maintaining or demonstrating financial assurance after the certification of costs by the Environmental Protection Division of the Department of Natural Resources.

(5) "Local taxing authority" means a county, municipal, school district, or any other local governing authority levying ad valorem taxes on a taxpayer's property. If a taxpayer's property is taxed by more than one such authority, the term "local taxing authority" shall mean every levying authority.

(6) "Taxable base" means a value assigned to the brownfield property pursuant to the provisions of subparagraph (F) of paragraph (3) of Code Section 48-5-2.

(7) "Tax savings" means the difference between the amount of taxes paid on the taxable base and the taxes that would otherwise be due on the current fair market value of the qualified brownfield property. Tax savings run with the qualified brownfield property regardless of title transfer and shall be available until the brownfield property is disqualified pursuant to subsection (e) of this Code section.

(b) In order for property to qualify under this Code section for preferential assessment as provided for in subsection (c.4) of Code Section 48-5-7, the applicant must receive the certifications required for brownfield property as defined in paragraph (1) of subsection (a) of this Code section.

(c) Upon receipt of said certifications, a property owner desiring classification of any such contaminated property as brownfield property in order to receive the preferential assessment shall make application to the county board of tax assessors and include said certifications with such application. The county board of tax assessors shall determine if the provisions of this Code section have been complied with, and upon such determination, the county board of tax assessors shall be required to grant preferential assessment to such property. The county board of tax assessors shall make the determination within 90 days after receiving the application and shall notify the applicant in the same manner that notices of assessment are given pursuant to Code Section 48-5-306. Failure to timely make such determination or so notify the applicant pursuant to this subsection shall be deemed an approval of the application. Appeals from the denial of an application for preferential assessment by the board of tax assessors shall be made in the same manner that other property tax appeals are made pursuant to Code Section 48-5-311.

(d)(1) Property which has been classified by the county board of tax assessors as brownfield property shall be immediately eligible for the preferential assessment provided for in subsection (c.4) of Code Section 48-5-7; provided, however, that, for the purposes of determining the years of eligibility for preferential assessment, the tax year following the year in which the certification was filed with the county board of tax assessors pursuant to subsection (c) of this Code section shall be considered and counted as the first year of eligibility.

(2) Property which is subject to preferential assessment shall be separately classified from all other property on the tax digest; and such separate classification shall be such as will enable any person examining the tax digest to ascertain readily that the property is subject to preferential assessment.

(3) The local taxing authority shall enter upon the tax digest as the basis or value of a parcel of brownfield property a value equal to the lesser of the acquisition cost of the property or the assessment of the fair market value of the property as recorded in the county tax digest at the time application for participation in the Hazardous Site Reuse and Redevelopment Program was submitted to the Environmental Protection Division of the Department of Natural Resources under Article 9 of Chapter 8 of Title 12, the "Georgia Hazardous Site Reuse and

Redevelopment Act," as amended. Property classified as brownfield property shall be recorded upon the tax digest as provided in this Code section for ten consecutive assessment years, or as extended pursuant to subsection (o) of this Code section, unless sooner disqualified pursuant to subsection (e) of this Code section, and the notation "brownfield property" shall be entered on the tax digest adjacent to the valuation of such property to indicate that the property is being preferentially assessed. The local taxing authority shall also enter upon the tax digest an assessment of the fair market value of the property each year, excluding the provisions of subparagraph (F) of paragraph (3) of Code Section 48-5-2.

(e)(1) When property has once been classified and assessed as brownfield property, it shall remain so classified and be granted the preferential assessment until the property becomes disqualified by any one of the following:

(A) Written notice by the taxpayer to the local taxing authority to remove the preferential classification and assessment;

(B) Sale or transfer of ownership to a person not subject to property taxation or making the property exempt from property taxation except a sale or transfer to any authority created by or pursuant to the Constitution of Georgia, statute or local legislation, including a development authority created pursuant to Code Section 36-62-4, constitutional amendment or local legislation, a downtown development authority created pursuant to Code Section 36-42-4, an urban redevelopment agency created pursuant to Code Section 36-61-18, a joint development authority created pursuant to Code Section 36-62-5.1, or a housing authority created pursuant to Code Section 8-3-4;

(C) Revocation of a limitation of liability by the Department of Natural Resources. The Department of Natural Resources has the authority to revoke a limitation of liability pursuant to Article 9 of Chapter 8 of Title 12, the "Georgia Hazardous Site Reuse and Redevelopment Act," as amended. The sale or transfer to a new owner shall not operate to disqualify the property from preferential classification and assessment so long as the property continues to qualify as brownfield property, except as specified in subparagraph (B) of this paragraph;

(D) The later of the expiration of ten years during which the property was classified and assessed as brownfield property or the expiration of this preferential assessment period as extended pursuant to subsection (o) of this Code section; or

(E) The tax savings accrued on the property equal the eligible brownfield costs certified by the Environmental Protection Division of the Department of Natural Resources and submitted to the local taxing authority.

(2) Except as otherwise provided in this Code section, if a property becomes disqualified pursuant to subparagraph (C) of paragraph (1) of this subsection, the decertification shall be transmitted to the county board of tax assessors by the Environmental Protection Division of the Department of Natural Resources and said assessors shall appropriately notate the property as decertified. Such property shall not be eligible to receive the preferential assessment provided for in this Code section during the taxable year in which such disqualification occurs.

(f) After a qualified brownfield property begins to receive preferential tax treatment the property owner shall:

(1) In a sworn affidavit, report his or her tax savings realized for each year to the local taxing authority. Such report shall include:

(A) The number of years preferential tax treatment pursuant to this Code section has been received;

(B) Total certified eligible brownfield costs;

(C) Tax savings realized to date;

(D) Transfers of eligible brownfield costs, if any; and

(E) Eligible brownfield costs remaining;

(2) In the tax year in which the taxes otherwise due on the fair market value of the property exceed any remaining eligible brownfield costs, the taxpayer shall pay the taxes due on the fair market value of the property less any remaining eligible brownfield costs.

(g) A qualified brownfield property may be transferred or leased and continue to receive preferential tax treatment if:

(1) The transferee or lessee of the property is an entity required to pay ad valorem property tax on the qualified brownfield property or an interest therein;

(2) The transferee or lessee complies with all of the requirements of this Code section;

(3) The transferee or lessee meets the requirements of Code Section 12-8-206;

(4) The transferee or lessee continues any and all activities, if any are required, for the continuation of a limitation of liability pursuant to Article 9 of Chapter 8 of Title 12, the "Georgia Hazardous Site Reuse and Redevelopment Act," as amended;

(5) The transferee or lessee and the transferor notify the local taxing authority with respect to the transfer of the qualified brownfield property by filing a separate copy of the transfer with the local taxing authority no later than 90 days following the date of the transfer;

(6) Failure to timely notify one local taxing authority shall not affect any timely notification to any other local taxing authority; and

(7) The transfer of property shall not restart, reset or otherwise lengthen the period of preferential tax treatment pursuant to this Code section.

(h)(1) A qualified brownfield property may be subdivided into smaller parcels and continue to receive preferential tax treatment if:

(A) All of the requirements of subsection (g) of this Code section are met; and

(B) The transferee and transferor agree and jointly submit to the local taxing authority a sworn affidavit stating the eligible brownfield costs being transferred to the subdivided property, to wit:

(i) A transferor's report to the local taxing authority shall include:

(I) The total certified eligible brownfield costs for the qualified brownfield property;

- (II) The tax savings realized to date;
- (III) The eligible brownfield costs being transferred;
- (IV) The number of years of preferential tax treatment pursuant to this Code section has been received;
- (V) The eligible brownfield costs remaining; and
- (VI) A request to establish the taxable base of the transferred property and reestablish the taxable base for the retained property pursuant to paragraph (2) of this subsection;
- (ii) Failure to file a sworn affidavit with one local taxing authority shall not affect any sworn affidavit submitted to any other local taxing authority;
- (iii) A transferee's first report to the local taxing authority shall include:
 - (I) A statement of the amount of the transferred eligible brownfield costs;
 - (II) The number of years of preferential tax treatment the property received prior to transfer (carry over from transferor); and
 - (II) A request to establish a taxable base for the property pursuant to paragraph (2) of this subsection; and
- (iv) Subsequent reports made by a transferee shall include the same information provided by property owners in paragraph (1) of subsection (f) of this Code section.
- (2) The taxable base for the subdivided property shall be established by the local taxing authority based on the ratio of acres purchased to total acres at the time of the establishment of the taxable base for the entire qualified brownfield property. Such ratio shall be applied to the taxable base as recorded in the county tax digest at the time the application was received by the Environmental Protection Division for participation in the Georgia Hazardous Site Reuse and Redevelopment Program. The taxable base on the retained qualified brownfield property shall be decreased by the amount of taxable base assigned to the subdivided portion of the property.
- (3) The subdivision of property shall not restart, reset, or otherwise lengthen the period of preferential tax treatment pursuant to this Code section.
- (i) In the year in which preferential tax treatment ends, the taxpayer shall be liable for any and all ad valorem taxes due on the property for which a certified eligible brownfield cost is not claimed as an offset.
- (j) The Environmental Protection Division of the Department of Natural Resources shall review the eligible costs submitted by the applicant/taxpayer and shall approve or deny those costs prior to those costs being submitted to the local tax authority. Eligible costs to be certified as accurate by the Environmental Protection Division shall be submitted by the applicant to the division at such time and in such form as is prescribed by the division. Eligible costs may be submitted for certification only once for each assessment or remediation undertaken pursuant to Article 9 of Chapter 8 of Title 12, the "Georgia Hazardous Site Reuse and Redevelopment Act,"

as amended. The certification of costs shall be a decision of the director and may be appealed in accordance with subsection (c) of Code Section 12-2-2.

(k) The taxing authority shall provide an appropriate form or forms or space on an existing form or forms to implement this Code section.

(l) Taxpayers shall have the same rights to appeal from the determination of the taxable base and assessments and reassessments of qualified brownfield property as set out in Code Section 48-5-311.

(m) A penalty shall be imposed under this Code section if during the special classification period the taxpayer fails to abide by the corrective action plan. The penalty shall be applicable to the entire tract which is the subject of the special classification and shall be twice the difference between the total amount of tax paid pursuant to preferential assessment under this Code section and the total amount of taxes which would otherwise have been due under this chapter for each completed or partially completed year of the special classification period. Any such penalty shall bear interest at the rate specified in Code Section 48-2-40 from the date the special classification is breached.

(n) Penalties and interest imposed under this Code section shall constitute a lien against the property and shall be collected in the same manner as unpaid ad valorem taxes are collected. Such penalties and interest shall be distributed pro rata to each taxing jurisdiction wherein current use assessment under this Code section has been granted based upon the total amount by which such preferential assessment has reduced taxes for each such taxing jurisdiction on the property in question as provided in this Code section.

(o) (1) Notwithstanding anything to the contrary in subsections (a) through (n) of this Code section, a qualified brownfield property may be eligible for preferential assessment in accordance with the provisions of subsection (c.4) of Code Section 48-5-7 for a period not to exceed 15 years under the following circumstances:

(A) Construction of improvements on the property commenced but thereafter ceased for a period in excess of 180 days;

(B) After a delay in excess of 180 days, construction of improvements on the property resumed; and

(C) The owner of the qualified brownfield property submits a sworn certification to the county board of tax assessors stating the date on which construction first commenced, the date on which construction ceased, and the date on which construction resumed.

(2) Upon receipt of the certification required by subparagraph (C) of paragraph (1) of this subsection, the county board of tax assessors shall extend the period of preferential assessment for one year for each 365 days of construction inactivity for up to a maximum of five consecutive years. Under no circumstances shall the period of preferential assessment exceed 15 consecutive years.

48-5-7.7. Short title; definitions

(a) This Code section shall be known and may be cited as the "Georgia Forest Land Protection Act of 2008."

(b) As used in this Code section, the term:

(1) "Contiguous" means real property within a county that abuts, joins, or touches and has the same undivided common ownership. If an applicant's tract is divided by a county boundary, public roadway, public easement, public right of way, natural boundary, land lot line, or railroad track then the applicant has, at the time of the initial application, a one-time election to declare the tract as contiguous irrespective of a county boundary, public roadway, public easement, public right of way, natural boundary, land lot line, or railroad track.

(2) "Forest land conservation use property" means forest land each tract of which consists of more than 200 acres of tangible real property of an owner subject to the following qualifications:

(A) Such property must be owned by an individual or individuals or by any entity registered to do business in this state;

(B) Such property excludes the entire value of any residence and its underlying land located on the property; as used in this subparagraph, the term 'underlying land' means the minimum lot size required for residential construction by local zoning ordinances or two acres, whichever is less. This provision for excluding the underlying land of a residence from eligibility in the conservation use covenant shall only apply to property that is first made subject to such a covenant, or is subject to a renewal of a previous conservation use covenant, on or after January 1, 2014;

(C) Such property has as its primary use the good faith subsistence or commercial production of trees, timber, or other wood and wood fiber products from or on the land. Such primary use includes land conservation and ecological forest management in which commercial production of wood and wood fiber products may be undertaken primarily for conservation and restoration purposes rather than financial gain. Such property may, in addition, have one or more of the following secondary uses:

(i) The promotion, preservation, or management of wildlife habitat;

(ii) Carbon sequestration in accordance with the Georgia Carbon Sequestration Registry;

(iii) Mitigation and conservation banking that results in restoration or conservation of wetlands and other natural resources; or

(iv) The production and maintenance of ecosystem products and services such as, but not limited to, clean air and water.

"Forest land conservation use property" may include, but not be limited to, land that has been certified as environmentally sensitive property by the Department of Natural Resources or which is managed in accordance with a recognized sustainable forestry certification program such as the Sustainable Forestry Initiative, Forest Stewardship Council, American Tree Farm Program, or an equivalent sustainable forestry certification program approved by the State Forestry Commission.

(3) "Qualified owner" means any individual or individuals or any entity registered to do business in this state.

(4) "Qualified property" means forest land conservation use property as defined in this subsection.

(5) "Qualifying purpose" means a use that meets the qualifications of subparagraph (C) of paragraph (2) of this subsection.

(c) The following additional rules shall apply to the qualification of forest land conservation use property for conservation use assessment:

(1) All contiguous forest land conservation use property of an owner within a county for which forest land conservation use assessment is sought under this Code section shall be in a single covenant unless otherwise required under subsection (e) of this Code section;

(2) When one-half or more of the area of a single tract of real property is used for the qualifying purpose, then the entirety of such tract shall be considered as used for such qualifying purpose unless some other type of business is being operated on the portion of the tract that is not being used for a qualifying purpose; provided, however, that such other portion must be minimally managed so that it does not contribute significantly to erosion or other environmental or conservation problems or must be used for one or more secondary purposes specified in subparagraph (b)(2)(C) of this Code section. The following uses of real property shall not constitute using the property for another type of business:

(A) The lease of hunting rights or the use of the property for hunting purposes;

(B) The charging of admission for use of the property for fishing purposes;

(C) The production of pine straw or native grass seed;

(D) The granting of easements solely for ingress and egress; and

(E) Any type of business devoted to secondary uses listed under subparagraph (b)(2)(C) of this Code section; and

(3) No otherwise qualified forest land conservation use property shall be denied conservation use assessment on the grounds that no soil map is available for the county or counties, if applicable, in which such property is located; provided, however, that if no soil map is available for the county or counties, if applicable, in which such property is located, the board of tax assessors shall use the current soil classification applicable to such property.

(d) No property shall qualify for conservation use assessment under this Code section unless and until the qualified owner of such property agrees by covenant with the appropriate taxing authority to maintain the eligible property in forest land conservation use for a period of 15 years beginning on the first day of January of the year in which such property qualifies for such conservation use assessment and ending on the last day of December of the final year of the covenant period. After the qualified owner has applied for and has been allowed conservation use assessment provided for in this Code section, it shall not be necessary to make application thereafter for any year in which the covenant period is in effect and conservation use assessment shall continue to be allowed such qualified owner as specified in this Code section.

At least 60 days prior to the expiration date of the covenant, the county board of tax assessors where the property is located shall send by first-class mail written notification of such impending expiration. Upon the expiration of any covenant period, the property shall not qualify for further conservation use assessment under this Code section unless and until the qualified owner of the property has entered into a renewal covenant for an additional period of 15 years; provided, however, that the qualified owner may enter into a renewal contract in the fourteenth year of a covenant period so that the contract is continued without a lapse for an additional 15 years.

(e) Subject to the limitations of paragraph (1) of subsection (c) of this Code section, a qualified owner shall be authorized to enter into more than one covenant under this Code section for forest land conservation use property. Any such qualified property may include a tract or tracts of land which are located in more than one county in which event the owner shall enter into a covenant with each county. In the event a single contiguous tract is required to have separate covenants under this subsection, the total acreage of that single contiguous tract shall be utilized for purposes of determining the 200 acre requirement of this Code section.

(f)(1) A qualified owner shall not be authorized to make application for and receive conservation use assessment under this Code section for any property which at the time of such application is receiving preferential assessment under Code Section 48-5-7.1 or current use assessment under Code Section 48-5-7.4; provided, however, that if any property is subject to a covenant under either of those Code sections, it may be changed from such covenant and placed under a covenant under this Code section if it is otherwise qualified. Any such change shall terminate the existing covenant and shall not constitute a breach thereof. No property may be changed more than once under this paragraph.

(2) Any property that is subject to a covenant under this Code section and subsequently fails to adhere to the qualifying purpose, as defined in paragraph (5) of subsection (b) of this Code section, may be changed from the covenant under this Code section and placed under a covenant provided for in Code Section 48-5-7.4 if the property otherwise qualifies under the provisions of that Code section. In such a case, the existing covenant under this Code section shall be terminated, and the change shall not constitute a breach thereof. No property may be changed more than once under this paragraph.

(g) Except as otherwise provided in this Code section, no property shall maintain its eligibility for conservation use assessment under this Code section unless a valid covenant or covenants, if applicable, remain in effect and unless the property is continuously devoted to forest land conservation use during the entire period of the covenant or covenants, if applicable.

(h) If any breach of a covenant occurs, the existing covenant shall be terminated and all qualification requirements must be met again before the property shall be eligible for conservation use assessment under this Code section.

(i)(1) If ownership of all or a part of a forest land conservation use property is acquired during a covenant period by another qualified owner, then the original covenant may be continued only by both such acquiring owner and the transferor for the remainder of the term, in which event, no breach of the covenant shall be deemed to have occurred if the total size of a tract from which the transfer was made is reduced below 200 acres or the size of the tract transferred is less than 200 acres. Following the expiration of the original covenant, no new covenant shall be entered with respect to either tract unless such tract exceeds 200 acres. If a qualified owner has entered into an original forest land conservation use covenant and subsequently acquires additional qualified property contiguous to the property in the original covenant, the qualified

owner may elect to enter the subsequently acquired qualified property into the original covenant for the remainder of the 15 year period of the original covenant; provided, however, that such subsequently acquired qualified property shall be less than 200 acres.

(2) If, following such transfer, a breach of the covenant occurs by the acquiring owner, the penalty and interest shall apply to the entire transferred tract and shall be paid by the acquiring owner who breached the covenant. In such case, the covenant shall terminate on such entire transferred tract but shall continue on such entire remaining tract from which the transfer was made and on which the breach did not occur for the remainder of the original covenant.

(3) If, following such transfer, a breach of the covenant occurs by the transferring owner, the penalty and interest shall apply to the entire remaining tract from which the transfer was made and shall be paid by the transferring owner who breached the covenant. In such case, the covenant shall terminate on such entire remaining tract from which the transfer was made but shall continue on such entire transferred tract and on which the breach did not occur for the remainder of the original covenant.

(j)(1) For each taxable year beginning on or after January 1, 2014, all applications for conservation use assessment under this Code section, including any forest land covenant required under this Code section, shall be filed on or before the last day for filing ad valorem tax appeals of the annual notice of assessment except that in the case of property which is the subject of a tax appeal of the annual notice of assessment under Code Section 48-5-311, an application for forest land conservation use assessment may be filed at any time while such appeal is pending. An application for continuation of such forest land conservation use assessment upon a change in ownership of all or a part of the qualified property shall be filed on or before the last date for filing tax returns in the year following the year in which the change in ownership occurred. Applications for forest land conservation use assessment under this Code section shall be filed with the county board of tax assessors in which the property is located who shall approve or deny the application. Such county board of tax assessors shall file a copy of the approved covenant in the office of the clerk of the superior court in the county in which the eligible property is located. The clerk of the superior court shall file and index such covenant in the real property records maintained in the clerk's office. If the covenant is not so recorded in the real property records, a transferee of the property affected shall not be bound by the covenant or subject to any penalty for its breach. The fee of the clerk of the superior court for recording such covenants shall be paid by the qualified owner of the eligible property with the application for forest land conservation use assessment under this Code section and shall be paid to the clerk by the board of tax assessors when the application is filed with the clerk. If the application is denied, the board of tax assessors shall notify the applicant in the same manner that notices of assessment are given pursuant to Code Section 48-5-306 and shall return any filing fees advanced by the owner. Appeals from the denial of an application or covenant by the board of tax assessors shall be made in the same manner that other property tax appeals are made pursuant to Code Section 48-5-311.

(2) In the event such application is approved, the qualified owner shall continue to receive annual notification of any change in the forest land fair market value of such property and any appeals with respect to such valuation shall be made in the same manner as other property tax appeals are made pursuant to Code Section 48-5-311.

(k) The commissioner shall by regulation provide uniform application and covenant forms to be used in making application for conservation use assessment under this Code section.

(l) In the case of an alleged breach of the covenant, the qualified owner shall be notified in writing by the board of tax assessors. The qualified owner shall have a period of 30 days from

the date of such notice to cease and desist the activity alleged in the notice to be in breach of the covenant or to remediate or correct the condition or conditions alleged in the notice to be in breach of the covenant. Following a physical inspection of property, the board of tax assessors shall notify the qualified owner that such activity or activities have or have not properly ceased or that the condition or conditions have or have not been remediated or corrected. The qualified owner shall be entitled to appeal the decision of the board of tax assessors and file an appeal disputing the findings of the board of tax assessors. Such appeal shall be conducted in the same manner that other property tax appeals are made pursuant to Code Section 48-5-311

(m) (1) A penalty shall be imposed under this subsection if during the period of the covenant entered into by a qualified owner the covenant is breached.

(2) Except as provided in subsection (i) of this Code section and paragraph (4) of this subsection, the penalty shall be applicable to the entire tract which is the subject of the covenant.

(3) The penalty shall be twice the difference between the total amount of the tax paid pursuant to the conservation use assessment under this Code section and the total amount of taxes which would otherwise have been due under this chapter for each completed or partially completed year of the covenant period. Any such penalty shall bear interest at the rate specified in Code Section 48-2-40 from the date the covenant is breached.

(4) If ownership of a portion of the land subject to the original covenant constituting at least 200 acres is transferred to another owner qualified to enter into an original forest land conservation use covenant in a bona fide arm's length transaction and breach subsequently occurs, then the penalty shall either be assessed against the entire remaining tract from which the transfer was made or the entire transferred tract, on whichever the breach occurred. The calculation of penalties in paragraph (2) of this subsection shall be used except that the penalty amount resulting from such calculation shall be multiplied by the percentage which represents the acreage of such tract on which the breach occurs to the original covenant acreage. The resulting amount shall be the penalty amount owed by the owner of such tract of land on which the breach occurred.

(n) In any case of a breach of the covenant where a penalty under subsection (m) of this Code section is imposed, an amount equal to the amount of reimbursement to each county, municipality, and board of education in each year of the covenant shall be collected under subsection (o) of this Code section and paid over to the commissioner who shall deposit such amount in the general fund.

(o) Penalties and interest imposed under this Code section shall constitute a lien against that portion of the property to which the penalty has been applied under subsection (m) of this Code section and shall be collected in the same manner as unpaid ad valorem taxes are collected. Except as provided in subsection (n) of this Code section, such penalties and interest shall be distributed pro rata to each taxing jurisdiction wherein conservation use assessment under this Code section has been granted based upon the total amount by which such conservation use assessment has reduced taxes for each such taxing jurisdiction on the property in question as provided in this Code section.

(p) The penalty imposed by subsection (m) of this Code section shall not apply in any case where a covenant is breached solely as a result of:

- (1) The acquisition of part or all of the property under the power of eminent domain;
- (2) The sale of part or all of the property to a public or private entity which would have had the authority to acquire the property under the power of eminent domain; or
- (3) The death of an individual qualified owner who was a party to the covenant.

(q) The following shall not constitute a breach of a covenant:

(1) Mineral exploration of the property subject to the covenant or the leasing of the property subject to the covenant for purposes of mineral exploration if the primary use of the property continues to be the good faith production from or on the land of timber;

(2) Allowing all or part of the property subject to the covenant to lie fallow or idle for purposes of any forestry conservation program, for purposes of any federal agricultural assistance program, or for other agricultural management purposes;

(3) Allowing all or part of the property subject to the covenant to lie fallow or idle due to economic or financial hardship if the qualified owner notifies the board of tax assessors on or before the last day for filing a tax return in the county where the land lying fallow or idle is located and if such qualified owner does not allow the land to lie fallow or idle for more than two years of any five-year period;

(4) (A) Any property which is subject to a covenant for forest land conservation use being transferred to a place of religious worship or burial or an institution of purely public charity if such place or institution is qualified to receive the exemption from ad valorem taxation provided for under subsection (a) of Code Section 48-5-41. No qualified owner shall be entitled to transfer more than 25 acres of such person's property in the aggregate under this paragraph.

(B) Any property transferred under subparagraph (A) of this paragraph shall not be used by the transferee for any purpose other than for a purpose which would entitle such property to the applicable exemption from ad valorem taxation provided for under subsection (a) of Code Section 48-5-41 or subsequently transferred until the expiration of the term of the covenant period. Any such use or transfer shall constitute a breach of the covenant; ~~or~~

(5) Leasing a portion of the property subject to the covenant, but in no event more than six acres of every unit of 2,000 acres, for the purpose of placing thereon a cellular telephone transmission tower. Any such portion of such property shall cease to be subject to the covenant as of the date of execution of such lease and shall be subject to ad valorem taxation at fair market value.

(6)(A) Allowing part of the property subject to the covenant to be used for solar generation of energy and conversion of such energy into heat or electricity, and the sale of the same in accordance with applicable law.

(B) The provisions of subparagraph (A) of this paragraph shall not allow the portion of the property on which such solar energy generating equipment is located, as depicted by a boundary survey prepared by a licensed surveyor, and which is subject to an existing covenant to remain in the covenant. Such property shall be removed from the existing covenant at the time of the installation of the solar energy generating equipment and shall be subject to the

penalty for breach of the covenant contained in subsection (r) of this Code section and shall be subject to ad valorem taxation at fair market value; or

(7)(A) Allowing part of the property subject to the covenant to be used for farm labor housing. As used in this paragraph, the term 'farm labor housing' means all buildings or structures used as living quarters when such housing is provided free of charge to workers who provide labor on agricultural property.

(B) The provisions of subparagraph (A) of this paragraph shall not allow the portion of the property on which such farm labor housing is located and which is subject to an existing covenant to remain in the covenant. Such property shall be removed from the existing covenant at the time construction of the farm labor housing begins and shall be subject to ad valorem taxation at fair market value.

(r) In the following cases, the penalty specified by subsection (m) of this Code section shall not apply and the penalty imposed shall be the amount by which conservation use assessment has reduced taxes otherwise due for the year in which the covenant is breached, such penalty to bear interest at the rate specified in Code Section 48-2-40 from the date of the breach:

(1) Any case in which a covenant is breached solely as a result of the foreclosure of a deed to secure debt or the property is conveyed to the lienholder without compensation and in lieu of foreclosure, if:

(A) The deed to secure debt was executed as a part of a bona fide commercial loan transaction in which the grantor of the deed to secure debt received consideration equal in value to the principal amount of the debt secured by the deed to secure debt;

(B) The loan was made by a person or financial institution who or which is regularly engaged in the business of making loans; and

(C) The deed to secure debt was intended by the parties as security for the loan and was not intended for the purpose of carrying out a transfer which would otherwise be subject to the penalty specified by subsection (m) of this Code section;

(2) Any case in which a covenant is breached solely as a result of a medically demonstrable illness or disability which renders the qualified owner of the real property physically unable to continue the property in the qualifying use, provided that the board of tax assessors or boards of assessors, if applicable, shall require satisfactory evidence which clearly demonstrates that the breach is the result of a medically demonstrable illness or disability;

(3) Any case in which a covenant is breached solely as a result of a qualified owner electing to discontinue the property in its qualifying use, provided such qualified owner has renewed without an intervening lapse at least once the covenant for land conservation use, has reached the age of 65 or older, and has kept the property in the qualifying use under the renewal covenant for at least three years. Such election shall be in writing and shall not become effective until filed with the county board of tax assessors or boards of assessors, if applicable; or

(4) Any case in which a covenant is breached solely as a result of a qualified owner electing to

discontinue the property in its qualifying use, provided such qualified owner entered into the covenant for forest land conservation use for the first time after reaching the age of 67 and has either owned the property for at least 15 years or inherited the property and has kept the property in the qualifying use under the covenant for at least three years. Such election shall be in writing and shall not become effective until filed with the county board of tax assessors where the property is located.

(s) Property which is subject to forest land conservation use assessment under this Code section shall be separately classified from all other property on the tax digest; and such separate classification shall be such as will enable any person examining the tax digest to ascertain readily that the property is subject to conservation use assessment under this Code section. Covenants shall be public records and shall be indexed and maintained in such manner as will allow members of the public to locate readily the covenant affecting any particular property subject to conservation use assessment under this Code section. Based on information submitted by the county boards of tax assessors, the commissioner shall maintain a central registry of conservation use property, indexed by qualified owners.

(t) The commissioner shall annually submit a report to the Governor, the Department of Agriculture, the Georgia Agricultural Statistical Service, the State Forestry Commission, the Department of Natural Resources, and the University of Georgia Cooperative Extension Service and the House Ways and Means, Natural Resources and Environment, and Agriculture and Consumer Affairs committees and the Senate Finance, Natural Resources and the Environment, and Agriculture and Consumer Affairs committees and shall make such report available to other members of the General Assembly, which report shall show the fiscal impact of the assessments provided for in this Code section. The report shall include the amount of assessed value eliminated from each county's digest as a result of such assessments; approximate tax dollar losses, by county, to all local governments affected by such assessments; and any recommendations regarding state and local administration of this Code section, with emphasis upon enforcement problems, if any, attendant with this Code section. The report shall also include any other data or facts which the commissioner deems relevant.

(u) A public notice containing a brief, factual summary of the provisions of this Code section shall be posted in a prominent location readily viewable by the public in the office of the board of tax assessors and in the office of the tax commissioner of each county in this state.

(v) At such time as the property ceases to be eligible for forest land conservation use assessment or when any 15 year covenant period expires and the property does not qualify for further forest land conservation use assessment, the qualified owner of the property shall file an application for release of forest land conservation use treatment with the county board of tax assessors where the property is located who shall approve the release upon verification that all taxes and penalties with respect to the property have been satisfied. After the application for release has been approved by such board of tax assessors, the board shall file the release in the office of the clerk of the superior court in the county in which the original covenant was filed. The clerk of the superior court shall file and index such release in the real property records maintained in the clerk's office. No fee shall be paid to the clerk of the superior court for recording such release. The commissioner shall by regulation provide uniform release forms.

(w) The commissioner shall have the power to make and publish reasonable rules and regulations for the implementation and enforcement of this Code section. Without limiting the commissioner's authority with respect to any other such matters, the commissioner may prescribe soil maps and other appropriate sources of information for documenting eligibility as a

forest land conservation use property. The commissioner also may provide that advance notice be given to a qualified owner of the intent of a board of tax assessors to deem a change in use as a breach of a covenant.

48-5-8. Manner and time of making state levy; notice on taxpayer's ad valorem tax bill

(a) Subject to the conditions specified in subsection (b) of this Code section, the levy for state taxation shall be made by the Governor with the assistance of the commissioner. Each year, as soon as the value of the taxable property is substantially known by the commissioner, the commissioner shall assist the Governor in making the state levy. Immediately after the Governor has made the state levy, the commissioner shall send to each tax collector and tax commissioner written or printed notices of the Governor's order.

(b) (1) For taxable years beginning on or after January 1, 2011, and prior to January 1, 2012, the levy under subsection (a) of this Code Section shall be 0.25 mills.

(C) This subsection shall not abate any prosecution, punishment, penalty, administrative proceedings or remedies, or civil action related to any violation of law committed prior to May 12, 2010.

(c) Each fiscal authority issuing an ad valorem property tax bill shall place a prominent notice on each taxpayer's ad valorem tax bill in substantially the following form: This gradual reduction and elimination of the state property tax and the reduction in your tax bill this year is the result of property tax relief passed by the Governor and the House of Representatives and the Georgia State Senate."

(b) If the real property has a district, number, and section designation, the tax receiver or tax commissioner shall require the person making a return of the real property to return it by district, number, and section designation. If the real property has no designation by district, number, and section, it shall be returned by such description as will enable the tax receiver or tax commissioner to identify it.

(c) No tax receiver or tax commissioner shall receive any return of real property which does not designate the real property as provided in this Code section. The commissioner shall not allow any tax receiver or tax commissioner who receives returns in any manner other than as provided in this Code section any compensation or percentage for his services.

48-5-15.1. Returns of real property and tangible personal property located on airport

(a) All real property and tangible personal property shall be returned for taxation and subject to taxation as provided in this Code section where such property is located on the premises of an airport and:

(1) Such airport is divided by one or more county lines such that the airport is located in two or more counties; and

(2) Such airport is owned or operated by a local airport authority which authority functions on behalf of one of the counties within which the airport is located.

(b) For the purposes of this Code section, an authority shall be considered as functioning on behalf of a county where a majority of the members of the authority are members who meet any of the following descriptions:

All such real and tangible personal property shall be subject to taxation by only the county on behalf of which the airport authority functions and not by any other county.

(d) Nothing in this Code section shall apply with respect to any airport certificated under Title 14, Part 139, of the Code of Federal Regulations or shall apply with respect to the taxation of commercial airliners which shall be subject to Article 12 of this chapter and other applicable provisions of law. With respect to aircraft which would otherwise be subject to the provisions of Code Section 48-5-16, the provisions of this Code section shall control over the provisions of Code Section 48-5-16. Except as specifically provided otherwise in the first sentence of this subsection, this Code section shall control over any other conflicting provisions of this chapter; but nothing in this Code section shall be construed as taking away the tax-exempt status of any property which is otherwise exempted by law from ad valorem taxation.

48-5-16. Return of tangible personal property in county where business conducted; exemptions; boats; aircraft.

(a) Any person who conducts a business enterprise upon real property, which is not taxable in the county in which the person resides or in which the person's office is located, shall return for taxation the tangible personal property of the business enterprise to the tax commissioner or tax receiver of the county in which is taxable the real property upon which the business enterprise is located or conducted.

(b) When the agent in this state of any person who is a resident of another state has on hand and for sale, storage, or otherwise merchandise or other tangible property, he shall return the property for taxation as provided in Code Section 48-5-12.

(c) This Code section shall not apply to public utilities and other companies required to make returns of their properties and franchises to the commissioner under Articles 9, 11, and 12 of this chapter.

(A) "Boat" means every description of watercraft used or capable of being used as a means of transportation on the water.

(B) "Functionally located" means located in a county in this state for 184 days or more during the immediately preceding calendar year. The 184 days or more requirement of this subsection shall mean the cumulative total number of days during such calendar year, which days may, but shall not be required to be, consecutive.

(2) Any person who owns tangible personal property in the form of a boat which is functionally located for recreational or convenience purposes in a county in this state other than the county in which such person maintains a permanent legal residence shall return such property for taxation to the tax commissioner or tax receiver of the county in which such property is functionally located. Tangible personal property of a person which does not meet the 184 days or more requirement provided for in this subsection shall be returned for taxation in the manner provided for in Code Section 48-5-11.

Such aircraft which does not have a primary home base in a county of this state other than the county in which the owner maintains a permanent legal residence shall be returned for taxation in the manner provided for in Code Section 48-5-11.

48-5-17. Proceedings to determine county entitled to return and payment; collection pending determination; commissions.

(a) (1) If a county claims to be entitled to the return and taxation of any property returned or about to be returned in another county, the county claiming to be so entitled may apply to the superior court of the county in which the property has been or is about to be returned, in a petition to which the taxpayer and all the counties claiming the taxes shall be made parties, for direction and judgment as to which county is entitled under the law to the return and taxes.

(2) If a county claims to be entitled to the return and taxation of any property returned or about to be returned in another county by any person to the commissioner, the county disputing the return may apply to the superior court of the county in which the taxpayer has located the property in the return to the commissioner for direction and judgment as to which county under the law is entitled to the return and taxes. All counties claiming the taxes, the taxpayer, and the commissioner shall be made parties to the action.

(3) The proceedings under this Code section shall be the same in all respects as in other actions seeking equitable relief except that the petition shall be triable at the first term of the court and, as in other cases, shall be reviewed on appeal.

(4) This subsection shall not affect the law relating to returns to be made to the commissioner other than by providing a venue for determining a dispute on tax rights as set forth in this subsection.

(b) If any officer having charge of the fiscal affairs of the county bringing the action can make the affidavit required by Code Section 9-10-51, the judge of the superior court before whom the action is brought shall change the venue to an adjoining county. The losing party in the contest shall pay all costs.

(c) The taxes due the state and the undisputed taxes due the counties contesting shall not be held up by an action brought pursuant to this Code section, and the restraint shall apply only to the taxes in dispute under the issue, which shall be plainly set forth in the petition.

(d) Pending the determination of the case, accruing taxes shall be collected by the officers of the county to which the return has been made by the taxpayer. Should another county be found to be entitled to the taxes, judgment shall be entered in favor of the county entitled to the taxes and against the county collecting the taxes for the portion of the taxes paid into the treasury of the collecting county.

(e) Should the amount of taxes recovered by an entitled county for any year exceed the amount

that would have been assessed for that year on the return as made by the taxpayer had the return been made in the county entitled, the excess shall be returned to the taxpayer. Should the amount of taxes recovered fall short, execution shall be issued, as in the case of defaulting taxpayers, by the officer of the county entitled.

(f) No commission shall be paid to the tax receiver, tax collector, or tax commissioner on state and county taxes collected when an action concerning the collection is pending as provided in this Code section. The county's portion of the tax, together with commissions on state and county taxes allowed the tax receiver, tax collector, or tax commissioner shall be paid into the county treasury of the county collecting to await the outcome of the litigation. Upon the final determination, the officers of the county determined to be entitled to the taxes shall receive their legal commissions. The state taxes collected pending the action shall be forwarded to the commissioner by the officer collecting as though no such action were pending. Commissions allowed on state taxes shall be paid into the county treasury of the county collecting to await the determination of the action, as provided in this Code section.

48-5-18. Time for making tax returns.

I do further swear that in making this return I have done so by estimating the true worth and value of every species of property contained therein."

(b) The fact that a person appears to have signed a return of taxable property on behalf of a person required to file a return shall be prima-facie evidence that the person was authorized to sign on behalf of such person.

(c) Any person who shall make any false statement in any return of taxable property shall be guilty of false swearing, whether or not an oath is actually administered to him or her, if such statement shall purport to be under oath. On conviction of such offense, such person shall be punished as provided by Code Section 16-10-71.

(d)(1) As used in this subsection, the term "digital signature" means a digital or electronic method executed or adopted by a party with the intent to be bound by or to authenticate a record, which is unique to the person using it, is capable of verification, is under the sole control of the person using it, and is linked to data in such a manner that if the data are changed the digital or electronic signature is invalidated.

(2) Notwithstanding any provision of law to the contrary, the commissioner is authorized to promulgate rules and regulations setting forth the procedure for satisfying the signature requirement for returns whether by electronic digital signature, voice signature, or other means, so long as appropriate security measures are implemented which assure security and verification of the signature procedure.

48-5-20. Effect of failure to return taxable property; acquisition of real property by transfer; penalty for failure to make timely return.

(a) (1) Any taxpayer of any county who returned or paid taxes in the county for the preceding tax year and who fails to return his property for taxation for the current tax year as required by this chapter shall be deemed to have returned for taxation the same property as was returned or deemed to have been returned in the preceding tax year at the same valuation as the property was finally determined to be subject to taxation in the preceding year. Each such taxpayer shall also be deemed to have claimed the same homestead exemption and personal property exemption as allowed in the preceding year.

(2) Any taxpayer of any county who acquired real property by transfer in the preceding tax year for which a properly completed real estate transfer tax form has been filed and the real estate transfer tax required under Article 1 of Chapter 6 of this title has been paid, and where no subdivision of the real property has occurred at the time of transfer, shall be deemed to have returned for taxation the same real property as was acquired by transfer at the same valuation as the real property was finally determined to be subject to taxation in the preceding year. Nothing in this paragraph shall be construed to relieve the taxpayer of the responsibility to file a new timely claim for a homestead exemption and personal property exemption or to file a timely return where improvements have been made to the real property since it was last returned for taxation.

(b) Any penalty prescribed by this title or by any other law for the failure of a taxpayer to return his property for taxation within the time provided by law shall apply only to the property:

(1) Which the taxpayer did not return prior to the expiration of the time for making returns; and
(2) Which the taxpayer has acquired since his last tax return or which represents improvements on existing property since his last return.

(c) Reserved.

48-5-21. Return and collection of taxes on property unlawfully exempted.

Each tax receiver and tax commissioner shall have all property which is required by law to be returned for taxes, whether or not exempted by the county authorities, returned for taxation. The tax collector or tax commissioner shall collect the taxes due upon the property.

48-5-23.

(a)(1) The governing authority of each county and of each municipal corporation is authorized to provide by appropriate resolution or ordinance for the collection and payment of ad valorem taxes, fees, or special assessments on tangible property other than motor vehicles in installments. If the governing authority of any county or municipal corporation elects to provide for installment payments, any ad valorem taxes, fees, or special assessments due the state, county, and county board of education or the municipality and any municipal board of education

which are levied upon tangible property other than motor vehicles shall become due and payable as provided in this Code section.

(2) The resolution or ordinance required pursuant to this subsection shall be adopted by the governing authority of the county or municipal corporation on or before December 31 for the next succeeding tax year. Any governing authority of a county or municipal corporation electing to collect such taxes, fees, or special assessments in installments shall file with the commissioner a certified copy of the appropriate resolution or ordinance within ten days of its adoption. The resolution or ordinance shall continue in full force and effect in all subsequent tax years unless repealed by the governing authority of the respective county or municipal corporation, in which case the governing authority shall notify the commissioner of the repeal within ten days after such action is taken.

(b) Notwithstanding that the governing authority of any county or municipal corporation, pursuant to this Code section, provides for the collection and payment of ad valorem taxes, fees, or special assessments on tangible property other than motor vehicles in installments based on the fraction of such taxes, fees, or special assessments levied on the property for the preceding tax year, the governing authority of any county or municipal corporation is further authorized to provide by appropriate resolution or ordinance for the collection and payment of ad valorem taxes, fees, or special assessments on tangible property other than motor vehicles in installments with a single billing for the current tax year based on the current final tax digest as authorized by the commissioner pursuant to Code Section 48-5-345, or on a temporary digest authorized by the judge of superior court pursuant to Code Section 48-5-310. The resolution or ordinance required by this subsection shall be adopted by the governing authority of the county or municipal corporation on or before December 31 for the next succeeding tax year. The resolution or ordinance shall be filed with the commissioner and shall continue in full force and effect as provided in subsection (a) of this Code section. Notification of the repeal of the resolution or ordinance shall be made as provided in subsection (a) of this Code section.

(c) The resolution or ordinance providing for such taxes, fees, or special assessments due and payable in installments on tangible property shall establish the due dates for the installments.

(d) Nothing contained in this Code section shall be construed to impose any liability for the payment of any ad valorem taxes, fees, or special assessments upon any person for property which was not owned on January 1 of the applicable tax year.

(e)(1) This Code section shall apply to all persons required by law to make annual tax returns of all their property in this state to the commissioner.

(2) The governing authority of each county and of each municipal corporation is authorized to collect taxes, fees, or special assessments in accordance with the installment provisions of subsection (c) of this Code section even though no assessment has been placed on the subject tangible property for the tax year for which the installments are being collected.

(3) Taxes, fees, or special assessments not paid when due under any installment authorized pursuant to this Code section shall bear interest at the rate provided by law for unpaid ad valorem taxes from the due date of any such installment. Any taxes, fees, or special assessments not paid in full by December 20 or 60 days from the date of billing, whichever comes later, of any year shall be subject to the penalties and interest provided by law.

(f) The governing authority of each county may by ordinance or resolution provide for an earlier due date for the final installment authorized by this Code section. When the governing authority elects to establish an earlier due date, the final installment shall bear interest at the rate specified in Code Section 48-2-40 from the earlier date so established.

48-5-29. Acquisition of jurisdiction by superior court in ad valorem property tax litigation; payment and distribution of property taxes; excess payments; underpayments.

(a) Before the superior court has jurisdiction to entertain any civil action, appeal, or affidavit of illegality filed under this title by any aggrieved taxpayer concerning liability for ad valorem property taxes, taxability of property for ad valorem property taxes, valuation of property for ad valorem taxes, or uniformity of assessments for ad valorem property taxes, the taxpayer shall pay the amount of ad valorem property taxes assessed against the property at issue for the last year for which taxes were finally determined to be due on the property, or, if less, the amount of the temporary tax bill issued pursuant to Code Section 48-5-311. For the purposes of this Code section, taxes shall not be deemed finally determined to be due on a property for a tax year until all appeals under Code Section 48-5-311 and proceedings for refunds under Code Section 48-5-380 have become final.

(b) Ad valorem taxes due under this Code section shall be paid to the tax collector or tax commissioner of the county where the property is located. If the property is located within any municipality, the portion of the payment due the municipality shall be paid to the officer designated by the municipality to collect ad valorem taxes.

(c) All taxes paid to the county tax collector or tax commissioner under this Code section shall be distributed to the state, county, county schools, and any other applicable taxing districts in the same proportion as the millage rate for each bears to the total millage rate applicable to the property for the current year. If the total millage rate has not been determined for the current year, the distribution shall be made on the basis of the millage rates established for the immediately preceding year.

(d) Any payment made by the taxpayer in accordance with this Code section which is in excess of his or her finally determined tax liability shall be refunded to the taxpayer. If the amount finally determined to be the tax liability of the taxpayer exceeds the amount paid under this Code section, the taxpayer shall be liable for the amount of the difference between the amount of tax paid and the amount of tax owed. The amount of difference shall be subject to the interest as provided under subsection (g) of Code Section 48-5-311.

48-5-30. Filing extension for Member of the Armed Forces serving abroad.

Notwithstanding any provision of Code Section 48-5-7.1 or 48-5-7.4 to the contrary, a member of the armed forces of the United States serving outside the continental United States may file such member's initial or renewal application for special assessment at any time within a period of six months following the return of such member to the continental United States.

(2) At least two weeks prior to the establishment by each levying authority of the millage rates for ad valorem taxes for educational purposes and ad valorem taxes for purposes other than educational purposes for the current calendar year.

Such reports shall be in a prominent location in such newspaper and shall not be included with legal advertisements. The size and location of the advertisements shall not be grounds for contesting the validity of the levy.

(c) The reports required under subsection (b) of this Code section shall contain the following:

(1) For levying authorities, the assessed taxable value of all property, by class and in total, which is within the levying authority's taxing jurisdiction and the proposed millage rate for the levying authority's purposes for the current calendar year and such assessed taxable values and the millage rates for each of the immediately preceding five calendar years, as well as the proposed total dollar amount of ad valorem taxes to be levied for the levying authority's purposes for the current calendar year and the total dollar amount of ad valorem taxes levied for the levying authority's purposes for each of the immediately preceding five calendar years. The information required for each year specified in this paragraph shall also indicate the percentage increase and total dollar increase with respect to the immediately preceding calendar year. In the event the rate levied in the unincorporated area is different from the rate levied in the incorporated area, the report shall also indicate all required information with respect to the incorporated area, unincorporated area, and a combination of incorporated and unincorporated areas;

(2) For recommending authorities, the assessed taxable value of all property, by class and in total, which is within the recommending authority's taxing jurisdiction and the proposed millage rate for the recommending authority's purposes for the current calendar year and such assessed taxable values and the millage rates for each of the immediately preceding five calendar years, as well as the proposed total dollar amount of ad valorem taxes to be

recommended for the recommending authority's purposes for the current calendar year and the total dollar amount of ad valorem taxes levied for the recommending authority's purposes for each of the immediately preceding five calendar years. The information required for each year specified in this paragraph shall also indicate the percentage increase and total dollar increase with respect to the immediately preceding calendar year; and

(3) The date, time, and place where the levying or recommending authority will be setting its millage rate for such authority's purposes.

(d) The commissioner shall not accept for review the digest of any county which does not submit simultaneously a copy of such published reports for the county governing authority and the county board of education with such digest. In the event a digest is not accepted for review by the commissioner pursuant to this subsection, it shall be accepted for review upon satisfactory submission by such county of a copy of such published reports. The levies of each of the levying authorities other than the county governing authority shall be invalid and unenforceable until such time as the provisions of this Code section have been met.

(2) 'Certified tax digest' means the total net assessed value on the annual property tax digest certified by the tax commissioner of a taxing jurisdiction to the department and authorized by the commissioner for the collection of taxes, or, in the case where the governing authority of a county whose digest has not been approved by the commissioner has petitioned the superior court of the county for an order authorizing the immediate and temporary collection of taxes, the temporary digest so authorized.

(3) 'Levying authority' means a county, a municipality, or a consolidated city-county governing authority or other governing authority of a political subdivision of this state that exercises the power to levy ad valorem taxes to carry out the governing authority's purposes.

(4) 'Mill' means one one-thousandth of a United States dollar.

(6) 'Millage equivalent' means the number of mills which would result when the total net assessed value added by reassessments is divided by the certified tax digest and the result is multiplied by the previous year's millage rate.

(7) 'Net assessed value' means the taxable assessed value of property after all exemptions.

(8) 'Recommending authority' means a county, independent, or area school board of education that exercises the power to cause the levying authority to levy ad valorem taxes to carry out the purposes of such board of education.

(c)(1) Whenever a recommending authority or levying authority shall propose to adopt a millage rate which does not exceed the roll-back rate, it shall adopt that millage rate at an advertised public meeting and at a time and place which is convenient to the taxpayers of the taxing jurisdiction, in accordance with the procedures specified under Code Section 48-5-32.

(2) In those instances in which the recommending authority or levying authority proposes to establish a general maintenance and operation millage rate which would require increases beyond the roll-back rate, the recommending authority or levying authority shall advertise its intent to do so and shall conduct at least three public hearings thereon, at least one of which shall commence between the hours of 6:00 P.M. and 7:00 P.M., inclusive, on a business weekday. The recommending authority or levying authority shall place an advertisement in a newspaper of general circulation serving the residents of the unit of local government and post such advertisement on the website of the recommending or levying authority, which shall read as follows:

'NOTICE OF PROPERTY TAX INCREASE

The (name of recommending authority or levying authority) has tentatively adopted a millage rate which will require an increase in property taxes by (percentage increase over roll-back rate) percent.

All concerned citizens are invited to the public hearing on this tax increase to be held at (place of meeting) on (date and time).

Times and places of additional public hearings on this tax increase are at (place of meeting) on (date and time).

This tentative increase will result in a millage rate of (proposed millage rate) mills, an increase of (millage rate increase above the roll-back rate) mills. Without this tentative tax increase, the millage rate will be no more than (roll-back millage rate) mills. The proposed tax increase for a

home with a fair market value of (average home value from previous year's digest rounded to the nearest \$25,000.00) is approximately \$(increase) and the proposed tax increase for nonhomestead property with a fair market value of (average nonhomestead property value from previous year's digest rounded to nearest \$25,000.00) is approximately \$(increase).'

Simultaneously with this notice the recommending authority or levying authority shall provide a press release to the local media.

(3) The advertisement shall appear at least one week prior to each hearing, be prominently displayed, be not less than 30 square inches, and not be placed in that section of the newspaper where legal notices appear and shall be posted on the appropriate website at least one week prior to each hearing. In addition to the advertisement specified under this paragraph, the levying or recommending authority may include in the notice reasons or explanations for such tax increase.

(4) No recommending authority shall recommend and no levying authority shall levy a millage rate in excess of the proposed millage rate as established pursuant to paragraph (2) of this subsection without beginning anew the procedures and hearings required by this Code section and those required by Code Section 48-5-32.

(5) Any notice or hearing required under this Code section may be combined with any notice or hearing required under Article 1 of Chapter 81 of Title 36 or Code Section 48-5-32.

(d) Nothing contained in this Code section shall serve to extend or authorize any millage rate in excess of the maximum millage rate permitted by law or to prevent the reduction of the millage rate.

(e) The commissioner shall not accept a digest for review or issue an order authorizing the collection of taxes if the recommending authority or levying authority other than municipal governing authorities has established a millage rate that is in excess of the correct rollback without complying fully with the procedures required by this Code section. In the event a digest is not accepted for review by the commissioner pursuant to this subsection, it shall be accepted for review upon satisfactory submission by such authorities of such evidence. The levies of each of the levying authorities other than the county governing authority shall be invalid and unenforceable until such time as the provisions of this Code section have been met.

(f) The commissioner shall promulgate such rules and regulations as may be necessary for the administration of this Code section.

The tax commissioner or tax receiver shall provide affidavit forms for this purpose. Such applications shall be processed in the same manner as other applications for homestead exemption, and the provisions of law applicable to the processing of homestead

exemptions, as the same now exists or may hereafter be amended, shall apply thereto. Provided, that after any such owner has filed the proper affidavit, as provided above, and has once been allowed the exemption provided in this subsection, it shall not be necessary that he make application and file the said affidavit thereafter for any year and the said exemption shall continue to be allowed to such owner. It shall be the duty of any such owner, however, to notify the tax commissioner or tax receiver in the event he becomes ineligible for any reason for the exemption provided in this subsection.

(c) The application for the homestead exemption of individuals 65 years of age or older provided for by subsection (b) of this Code section shall be in the form prescribed by the commissioner. This exemption shall not apply to taxes assessed on improvements to the homestead or additional land that is added to the homestead after January 1 of the base year. If any real property is removed from the homestead, the assessment in the base year shall be adjusted to reflect such removal and the exemption shall be recalculated accordingly.

(c) A person shall not receive the homestead exemption granted by subsection (b) of this Code section unless the person or person's agent files an application with the tax commissioner of the

county giving the person's age and the amount of gross income which the person and the person's spouse and any other persons residing within such homestead received during the last taxable year, and such additional information relative to receiving such exemption as will enable the tax commissioner to make a determination as to whether such owner is entitled to such exemption.

(d) The commissioner shall provide application forms for the exemption granted by this Code section which shall require such information as may be necessary to determine the initial and continuing eligibility of the owner for the exemption.

(e) The exemption shall be claimed and returned as provided in Code Section 48-5-50.1. (f) The exemption granted by this Code section shall not apply to or affect any municipal taxes or county school district taxes for educational purposes. The homestead exemption granted by this Code section shall be in lieu of and not in addition to any other homestead exemption applicable to county ad valorem taxes for county purposes.

(g) The exemption granted by this Code section shall apply to all taxable years beginning on or after January 1, 1995.

(f) Any person who as of January 1, 1991, has applied and is eligible for the exemption for disabled veterans, their surviving spouses, and minor children formerly provided for by the sixth unnumbered subparagraph of Article VII, Section I, Paragraph IV of the Constitution of 1976; the exemption for disabled veterans provided for in Article VII, Section II, Paragraph V of the Constitution of 1983; or the exemption for disabled veterans formerly provided for by Code Section 48-5-48.3 as enacted by an Act approved April 11, 1986 (Ga. L. 1986, p. 1445), shall be eligible for the exemption granted by subsection (b) of this Code section without applying for such exemption.

(g)(1) If a disabled veteran receives a final determination of disability from the United States Department of Veterans Affairs containing a retroactive period of eligibility, such disabled veteran or his or her surviving unremarried spouse or minor children shall be entitled to a refund of the ad valorem taxes paid during such period that he or she or his or her surviving unremarried spouse or minor children would have otherwise been exempt from such taxes pursuant to this Code section, provided that the refund shall only be for the three tax years preceding his or her or his or her surviving unremarried spouse's or minor children's application for the homestead exemption permitted by this Code section.

(2) Upon application for the homestead exemption provided by this Code section and submittal of proper documentation, each county and municipality shall consider the taxes paid by such disabled veteran or his or her surviving unremarried spouse or minor children under the circumstances provided in paragraph (1) of this subsection to be voluntarily or involuntarily overpaid and shall refund such taxes to such disabled veteran or his or her surviving unremarried spouse or minor children in accordance with Code Section 48-5-380.

(3) Upon final determination and approval of a period of prior eligibility, the county board of assessors shall immediately transmit such approval to the local tax commissioner and local municipal tax officer if applicable. The tax commissioner and municipal tax officer shall be authorized to refund the proportionate amount of taxes from the entities for whom the taxes were collected for the tax years approved for the exemption. Such refund shall not exceed three tax years and shall not include interest.

48-5-48.1. Tangible personal property inventory exemption; application; failure to file application as waiver of exemption; denials; notice of renewals

(a) Any person, firm, or corporation seeking a level 1 freeport exemption from ad valorem taxation of certain tangible personal property inventory when such exemption has been authorized by the governing authority of any county or municipality after approval of the electors of such county or municipality pursuant to the authority of the Constitution of Georgia or Code Section 48-5-48.2 shall file a written application and schedule of property with the county board of tax assessors on forms furnished by such board. Such application shall be filed in the year in which exemption from taxation is sought no later than the date on which the tax receiver or tax commissioner of the county in which the property is located closes the books for the return of taxes.

(b) The application for the level 1 freeport exemption shall provide for:

(1) A schedule of the inventory of goods in the process of manufacture or production which shall include all partly finished goods and raw materials held for direct use or consumption in the ordinary course of the taxpayer's manufacturing or production business in the State of Georgia;

(2) A schedule of the inventory of finished goods manufactured or produced within the State of Georgia in the ordinary course of the taxpayer's manufacturing or production business when held by the original manufacturer or producer of such finished goods; and

(3) A schedule of the inventory of finished goods which on January 1 are stored in a warehouse, dock, or wharf, whether public or private, and which are destined for shipment outside the State of Georgia and the inventory of finished goods which are shipped into the State of Georgia from outside this state and which are stored for transshipment to a final destination outside this state. The information required by Code Section 48-5-48.2 to be contained in the official books and

records of the warehouse, dock, or wharf where such property is being stored, which official books and records are required to be open to the inspection of taxing authorities of this state and political subdivisions thereof, shall not be required to be included as a part of or to accompany the application for such exemption; and

(4) A schedule of the stock in trade of a fulfillment center which on January 1 are stored in the fulfillment center. The information required by Code Section 48-5-48.2 to be contained in the official books and records of the fulfillment center where such property is being stored, which official books and records are required to be open to the inspection of the taxing authorities of this state and political subdivisions thereof, shall not be required to be included as a part of or to accompany the application for such exemption.

(c) (1) For purposes of this subsection, the term "file properly" shall mean and include the timely filing of the application and complete schedule of the inventory for which exemption is sought on or before the due date specified in subsection (a) of this Code section.

(2) The failure to file properly the application and schedule shall constitute a waiver of the exemption on the part of the person, firm, or corporation failing to make the application for such exemption for that year as follows:

(A) The failure to report any inventory for which such exemption is sought in the schedule provided for in the application shall constitute a waiver of the exemption on the part of the person, firm, or corporation failing to so report for that taxable year in an amount equal to the difference between fair market value of the inventory as reported and the fair market value finally determined to be applicable to the inventory for which the exemption is sought; and

(B) The failure to file timely such application and schedule shall constitute a waiver of the exemption until the first day of the month following the month such application and schedule are filed properly with the county tax assessor; provided, however, that unless the application and schedule are filed on or before June 1 of such year, the exemption shall be waived for that entire year.

(d) Upon receiving the application required by this Code section, the county board of tax assessors shall determine the eligibility of all types of tangible personal property listed on the application. If any property has been listed which the board believes is not eligible for the exemption, the board shall issue a letter notifying the applicant that all or a portion of the application has been denied. The denial letter shall list the type and total fair market value of all property listed on the application for which the exemption has been approved and the type and total fair market value of all property listed on the application for which the exemption has been denied. The applicant shall have the right to appeal from the denial of the exemption for any property listed and such appeal shall proceed as provided in Code Section 48-5-311. Except as otherwise provided in subparagraph (c)(2)(A) of this Code section, the county board of assessors shall not send a second letter of notification denying the exemption of all or a portion of such property listed on the application on new grounds that could and should have been discerned at the time the initial denial letter was issued.

(e) If the level 1 freeport exemption has been granted to a taxpayer for a taxable year, the county board of tax assessors shall issue a notice of renewal to the taxpayer for the immediately following taxable year. Such notice of renewal shall be issued not later than January 15 of such immediately following taxable year to facilitate the filing of a timely application and schedule by the taxpayer for such taxable year.

48-5-48.2. Level 1 freeport exemption; referendum

(a) This Code section shall be known and may be cited as the "Level 1 Freeport Exemption."

(b) As used in this Code section, the term:

(1) "Destined for shipment to a final destination outside this state" means, for purposes of a level 1 freeport exemption, that portion or percentage of an inventory of finished goods which the taxpayer can establish, through a historical sales or shipment analysis, either of which utilizes information from the preceding calendar year, or other reasonable, documented method, is reasonably anticipated to be shipped to a final destination outside this state. Such other reasonable, documented method may only be utilized in the case of a new business, in the case of a substantial change in scope of an existing business, or in other unusual situations where a historical sales or shipment analysis does not adequately reflect future anticipated shipments to a final destination outside this state. It is not necessary that the actual final destination be known as of January 1 in order to qualify for the exemption.

(2) "Finished goods" means, for purposes of a level 1 freeport exemption, goods, wares, and merchandise of every character and kind but shall not include unrecovered, unextracted, or unsevered natural resources or raw materials or goods in the process of manufacture or production or the stock in trade of a retailer.

(3) "Foreign merchandise in transit" means, for purposes of a level 1 freeport exemption, any goods which are in international commerce where the title has passed to a foreign purchaser and the goods are temporarily stored in this state while awaiting shipment overseas.

(4) 'Fulfillment center' means, for purposes of a level 1 freeport exemption, a business location in Georgia which is used to pack, ship, store, or otherwise process tangible personal property sold by electronic, Internet, telephonic, or other remote means, provided that such a business location does not allow customers to purchase or receive goods onsite at such business location.

(5) "Raw materials" means, for purposes of a level 1 freeport exemption, any material, whether crude or processed, that can be converted by manufacture, processing, or a combination thereof into a new and useful product but shall not include unrecovered, unextracted, or unsevered natural resources.

(6) 'Stock in trade of a fulfillment center' means, for purposes of a level 1 freeport exemption, goods, wares, and merchandise held by one in the business of making sales of such goods when such goods are held or stored at a fulfillment center.

(7) "Stock in trade of a retailer" means, for purposes of a level 1 freeport exemption, finished goods held by one in the business of making sales of such goods at retail in this state, within the meaning of Chapter 8 of this title, when such goods are held or stored at a business location from which such retail sales are regularly made. Goods stored in a warehouse, dock, or wharf, including a warehouse or distribution center which is part of or adjoins a place of business from which retail sales are regularly made, shall not be considered stock in trade of a retailer to the extent that the taxpayer can establish, through a historical sales or shipment analysis, either of which utilizes information from the preceding calendar year, or other reasonable, documented

method, the portion or percentage of such goods which is reasonably anticipated to be shipped outside this state for resale purposes.

(c) The governing authority of any county or municipality may, subject to the approval of the electors of such political subdivision, exempt from ad valorem taxation, including all such taxes levied for educational purposes and for state purposes, all or any combination of the following types of tangible personal property:

(1) Inventory of goods in the process of manufacture or production which shall include all partly finished goods and raw materials held for direct use or consumption in the ordinary course of the taxpayer's manufacturing or production business in this state. The exemption provided for in this paragraph shall apply only to tangible personal property which is substantially modified, altered, or changed in the ordinary course of the taxpayer's manufacturing, processing, or production operations in this state. For purposes of this paragraph, the following activities shall constitute substantial modification in the ordinary course of manufacturing, processing, or production operations:

(A) The cleaning, drying, pest control treatment, or segregation by grade of grain, peanuts or other oil seeds, or cotton;

(B) The remanufacture of aircraft engines or aircraft engine parts or components, meaning the substantial overhauling or rebuilding of aircraft engines or aircraft engine parts or components; and

(C) The blending of fertilizer bulk materials into a custom mixture, whether performed at a commercial fertilizer blending plant, retail outlet, or any application site;

(2) Inventory of finished goods manufactured or produced within this state in the ordinary course of the taxpayer's manufacturing or production business when held by the original manufacturer or producer of such finished goods. The exemption provided for in this paragraph shall be for a period not exceeding 12 months from the date such property is produced or manufactured; or

(3) Inventory of finished goods which, on January 1, are stored in a warehouse, dock, or wharf, whether public or private, and which are destined for shipment to a final destination outside this state and inventory of finished goods which are shipped into this state from outside this state and stored for transshipment to a final destination outside this state, including foreign merchandise in transit. The exemption provided for in this paragraph shall be for a period not exceeding 12 months from the date such property is stored in this state. Such period shall be determined based on application of a first-in, first-out method of accounting for the inventory. The official books and records of the warehouse, dock, or wharf where such property is being stored shall contain a full, true, and accurate inventory of all such property, including the date of the receipt of the property, the date of the withdrawal of the property, the point of origin of the property, and the point of final destination of the same, if known. The official books and records of any such warehouse, dock, or wharf, whether public or private, pertaining to any such property for which a freeport exemption has been claimed shall be at all times open to the inspection of all taxing authorities of this state and of any political subdivision of this state; or

(4) Stock in trade of a fulfillment center which, on January 1, are stored in a fulfillment center and which are made available to remote purchasers who may make such purchases by electronic, Internet, telephonic, or other remote means, and where such stock in trade of a fulfillment center will be shipped from the fulfillment center and delivered to the purchaser at a

location other than the location of the fulfillment center. The exemption provided for in this paragraph shall be for a period not exceeding 12 months from the date such property is stored in this state. Such period shall be determined based on application of a first-in, first-out method of accounting for the inventory. The official books and records of the fulfillment center where such property is being stored shall contain a full, true, and accurate inventory of all such property, including the date of the receipt of the property and the date of the withdrawal of the property. The official books and records of any such fulfillment center pertaining to any such property for which a freeport exemption has been claimed shall be at all times open to the inspection of all taxing authorities of this state and of any political subdivision of this state.

(d) Whenever the governing authority of any county or municipality wishes to exempt such tangible property from ad valorem taxation, as provided in this Code section, the governing authority thereof shall notify the election superintendent of such political subdivision, and it shall be the duty of said election superintendent to issue the call for an election for the purpose of submitting to the electors of the political subdivision the question of whether such exemption shall be granted. The referendum ballot shall specify as separate questions the type or types of property as defined in this Code section which are being proposed to be exempted from taxation. The election superintendent shall issue the call and shall conduct the election on a date and in the manner authorized under Code Section 21-2-540.

(e) The governing authority of any county or municipality wherein an exemption has been approved by the voters as provided in this Code section may, by appropriate resolution, a copy of which shall be immediately transmitted to the state revenue commissioner, exempt from taxation 20 percent, 40 percent, 60 percent, 80 percent or all of the value of such tangible personal property as defined in this Code section; provided, however, that once an exemption has been granted, no reduction in the percent of the value of such property to be exempted may be made until and unless such exemption is revoked or repealed as provided in this Code section. An increase in the percent of the value of the property to be exempted may be accomplished by appropriate resolution of the governing authority of such county or municipality, and a copy thereof shall be immediately transmitted to the state revenue commissioner, provided that such increase shall be in increments of 20 percent, 40 percent, 60 percent, or 80 percent of the value of such tangible personal property as defined in this Code section, within the discretion of such governing authority.

(f) (1) If more than one-half of the votes cast on such question are in favor of such exemption, then such exemption may be granted by the governing authority commencing on the first day of any ensuing calendar year; otherwise, such exemption may not be granted. This paragraph is intended to clearly provide that following approval of such exemption in such referendum, such exemption may be granted on the first day of any calendar year following the year in which such referendum was conducted. This paragraph shall not be construed to imply that the granting of such exemption could not previously be delayed to any such calendar year.

(2) Exemptions may only be revoked by a referendum election called and conducted as provided in this Code section, provided that the call for such referendum shall not be issued within five years from the date such exemptions were first granted and, if the results of said election are in favor of the revocation of such exemptions, then such revocation shall be effective only at the end of a five-year period from the date of such referendum.

(g) Level 1 freeport exemptions effected pursuant to this Code section may be granted either in lieu of or in addition to level 2 freeport exemptions under Code Section 48-5-48.6.

(h) The commissioner shall by regulation adopt uniform procedures and forms for the use of local officials in the administration of this Code section.

48-5-48.3 Homestead exemption for senior citizens.

(a) As used in this Code section, the term:

(1) "Homestead" means homestead as defined and qualified in Code Section 48-5-40 of the O.C.G.A., as amended, with the additional qualification that it shall include only the primary residence and not more than ten contiguous acres of land immediately surrounding such residence.

(2) "Senior citizen" means a person who is 65 years of age or over on or before January 1 of the year in which application for the exemption under this Code section is made.

(b) Any person who is a senior citizen and resident of Georgia is granted upon application an exemption on his or her homestead which such person owns and actually occupies as a residence and homestead in an amount equal to the actual levy for state ad valorem taxation made pursuant to Code Section 48-5-8 with respect to that homestead, such exemption being from all ad valorem taxation for state purposes. The value of all property in excess of the exempted amount cited above shall remain subject to taxation.

(c) The exemption shall be claimed and returned in the same manner as otherwise required under Code Section 48-5-50.1. Each person shall file for the exemption only once in the county of his or her residence. Once filed, the exemption shall automatically be renewed from year to year.

(d) The exemption granted by this Code section shall not apply to or affect county taxes, municipal taxes, or school district taxes.

(e) The exemption granted by this Code section shall be in addition to and not in lieu of any other homestead exemption from state taxes.

48-5-48.4 Homestead exemption for unremarried surviving spouse of peace officer or firefighter killed in line of duty.

(a) As used in this Code section, the term:

(1) "Ad valorem taxes" means all state ad valorem taxes and all county, county school district, municipal, and independent school district taxes for county, county school district, municipal, or independent school district purposes including, but not limited to, taxes to retire bonded indebtedness.

(2) "Homestead" means homestead as defined and qualified in Code Section 48-5-40.

(b) Each resident of the state who is the unremarried surviving spouse of a peace officer or firefighter who was killed in the line of duty is granted an exemption on that person's homestead from all ad valorem taxes for the full value of that homestead.

(c) A person shall not receive the homestead exemption granted by subsection (b) of this Code section unless the person or person's agent files an affidavit with the tax commissioner of the

county in which that person resides giving such information relative to receiving such exemption as will enable the tax commissioner to make a determination as to whether such person is entitled to such exemption. The tax commissioner shall provide affidavit forms for this purpose and shall require such information as may be necessary to determine the initial and continuing eligibility of the applicant for the exemption.

(d) The exemption shall be claimed and returned as provided in Code Section 48-5-50.1. The exemption shall be automatically renewed from year to year as long as the applicant occupies the residence as a homestead. After a person has filed the proper affidavit as provided in subsection (c) of this Code section, it shall not be necessary to make application and file such affidavit thereafter for any year and the exemption shall continue to be allowed to such person. It shall be the duty of any person granted the homestead exemption under this Code section to notify the tax commissioner or the designee thereof in the event that person for any reason becomes ineligible for that exemption.

(e) The exemption granted by this Code section shall be in lieu of and not in addition to any other homestead exemption from ad valorem taxes.

(f) The exemption granted by this Code section shall apply to all taxable years beginning on or after January 1, 2007.

(b) The application for the level 2 freeport exemption shall provide for a schedule of the inventory of finished goods held by one in the business of making sales of such goods in this state.

(c) (1) For purposes of this subsection, the term "file properly" shall mean and include the timely filing of the application and complete schedule of the inventory for which exemption is sought on or before the due date specified in subsection (a) of this Code section.

(2) The failure to file properly the application and schedule shall constitute a waiver of the exemption on the part of the person, firm, or corporation failing to make the application for such exemption for that year as follows:

(A) The failure to report any inventory for which such exemption is sought in the schedule provided for in the application shall constitute a waiver of the exemption on the part of the person, firm, or corporation failing to so report for that taxable year in an amount equal to the difference between fair market value of the inventory as reported and the fair market value finally determined to be applicable to the inventory for which the exemption is sought; and

(B) The failure to file timely such application and schedule shall constitute a waiver of the exemption until the first day of the month following the month such application and schedule are filed properly with the county tax assessor; provided, however, that unless the application and schedule are filed on or before June 1 of such year, the exemption shall be waived for that entire year.

(d) Upon receiving the application required by this Code section, the county board of tax assessors shall determine the eligibility of all types of tangible personal property listed on the application. The denial letter shall list the type and total fair market value of all property listed on the application for which the exemption has been approved and the type and total fair market value of all property listed on the application for which the exemption has been denied. The applicant shall have the right to appeal from the denial of the exemption for any property listed, and such appeal shall proceed as provided in Code Section 48-5-311. Except as otherwise provided in subparagraph (c)(2)(A) of this Code section, the county board of assessors shall not send a second letter of notification denying the exemption of all or a portion of such property listed on the application on new grounds that could and should have been discerned at the time the initial denial letter was issued.

(e) If the level 2 freeport exemption has been granted to a taxpayer for a taxable year, the county board of tax assessors shall issue a notice of renewal to the taxpayer for the immediately following taxable year. Such notice of renewal shall be issued not later than January 15 of such immediately following taxable year to facilitate the filing of a timely application and schedule by the taxpayer for such taxable year.

(b) As used in this Code section, the term "finished goods" means, for purposes of a level 2 freeport exemption, goods, wares, and merchandise of every character and kind constituting a business's inventory which would not otherwise qualify for a level 1 freeport exemption.

(c) The governing authority of any county or municipality may, subject to the approval of the electors of such political subdivision, exempt from ad valorem taxation, including all such taxes levied for educational purposes and for state purposes, inventory of finished goods.

(d) Whenever the governing authority of any county or municipality wishes to exempt such tangible property from ad valorem taxation, as provided in this Code section, the governing authority thereof shall notify the election superintendent of such political subdivision, and it shall be the duty of said election superintendent to issue the call for an election for the purpose of submitting to the electors of the political subdivision the question of whether such exemption shall be granted. The referendum ballot shall specify retail business inventory as the types of property as defined in this Code section which are being proposed to be exempted from taxation. The election superintendent shall issue the call and shall conduct the election on a date and in the manner authorized under Code Section 21-2-540.

(e) The governing authority of any county or municipality wherein an exemption has been approved by the voters as provided in this Code section may, by appropriate resolution, a copy

of which shall be immediately transmitted to the state revenue commissioner, exempt from taxation 20 percent, 40 percent, 60 percent, 80 percent, or all of the value of such tangible personal property as defined in this Code section; provided, however, that once an exemption has been granted, no reduction in the percent of the value of such property to be exempted may be made until and unless such exemption is revoked or repealed as provided in this Code section. An increase in the percent of the value of the property to be exempted may be accomplished by appropriate resolution of the governing authority of such county or municipality, and a copy thereof shall be immediately transmitted to the state revenue commissioner, provided that such increase shall be in increments of 20 percent, 40 percent, 60 percent, or 80 percent of the value of such tangible personal property as defined in this Code section, within the discretion of such governing authority.

(f) (1) If more than one-half of the votes cast on such question are in favor of such exemption, then such exemption may be granted by the governing authority commencing on the first day of any ensuing calendar year; otherwise, such exemption may not be granted. This paragraph is intended to clearly provide that following approval of such exemption in such referendum, such exemption may be granted on the first day of any calendar year following the year in which such referendum was conducted. This paragraph shall not be construed to imply that the granting of such exemption could not previously be delayed to any such calendar year.

(2) Exemptions may only be revoked by a referendum election called and conducted as provided in this Code section, provided that the call for such referendum shall not be issued within five years from the date such exemptions were first granted and, if the results of said election are in favor of the revocation of such exemptions, then such revocation shall be effective only at the end of a five-year period from the date of such referendum.

(g) Level 2 freeport exemptions effected pursuant to this Code section may be granted either in lieu of or in addition to level 1 freeport exemptions under Code Section 48-5-48.2.

48-5-49. Determination of eligibility of applicant; appeal.

(a) The official receiving an application for homestead exemption shall determine the eligibility of the applicant to claim the exemption and, whether the application is approved or disapproved, he shall then transfer the application to the county board of tax assessors for final determination by the board as to eligibility and value as provided by law.

(b) The applicant shall have the right of appeal from the decision of the board of assessors to the county board of equalization as provided in Code Section 48-5-311.

48-5-50. Homestead value credited with exemption; approval of correctness of value, exemption, and difference.

The value of the homestead as finally determined shall be credited with the homestead exemption provided by law. The homestead value, exemption, and difference, if any, shall be shown on the owner's tax return and the correctness of the value, exemption, and difference shall be approved on the return as provided by law.

48-5-50.1. Claim and return of constitutional or local law homestead exemptions from county taxes, county school taxes, or municipal or independent school district taxes.

(a) This Code section shall govern the procedure for returning and claiming homestead exemptions which are created by or pursuant to local laws or constitutional amendments which were not general amendments. If, however, such a constitutional amendment or local law contains provisions which are in conflict with this Code section, then such other provisions shall prevail over this Code section.

(b) (1) If the homestead exemption is from county taxes or county school taxes, it shall be claimed and returned as provided in Code Sections 48-5-45, 48-5-46, 48-5-49, and 48-5-50.

(2) If the homestead exemption is from municipal or independent school district taxes, it shall be claimed and returned as provided in Code Sections 48-5-45, 48-5-46, and 48-5-50, except that any reference to the tax commissioner or tax receiver shall be deemed to refer to the municipal governing authority or its designee. The determination of eligibility of the applicant to claim the exemption shall be made by the municipal governing authority subject to appeal to the superior court. Any such appeal must be filed within 30 days after the final determination by the municipal governing authority and shall be a de novo proceeding.

(3) In addition to the provisions required by Code Section 48-5-46, the application for an exemption under this Code section may provide where necessary for an affidavit as to the age of the owner, the income of the owner and of each member of his family residing on the homestead, and such other information as may be necessary to determine eligibility of the owner for the exemption. The commissioner shall not be required to furnish specialized forms required by this Code section.

(3) Assist another knowingly in the preparation of any false or fraudulent claim for exemption under Code Sections 48-5-44 through 48-5-50, or enter into any collusion with another by the execution of a fictitious deed, deed of trust, mortgage, or otherwise.

(b) Any person who violates this Code section shall be guilty of a misdemeanor. In addition, the property shall be taxed in an amount double the tax otherwise to be paid.

48-5-52. Exemption from ad valorem taxation for educational purposes of homesteads of qualified individuals 62 or older; application; replacement of revenue.

(a) The homestead of each resident of each independent school district and of each county school district within this state who is 62 years of age or older and, for the purposes of all tax years beginning on or after January 1, 2003, whose net income together with the net income of

the spouse who also occupies and resides at such homestead, as net income is defined by Georgia law from all sources, except as otherwise provided in this subsection, does not exceed \$10,000.00 for the immediately preceding taxable year for income tax purposes, is exempted from all ad valorem taxes for educational purposes levied by, for, or on behalf of any such school system, including taxes to retire school bond indebtedness. For the purposes of this subsection, net income shall not include income received as retirement, survivor, or disability benefits under the federal Social Security Act or under any other public or private retirement, disability, or pension system, except such income which is in excess of the maximum amount authorized to be paid to an individual and his or her spouse under the federal Social Security Act. Income from such sources in excess of such maximum amount shall be included as net income for the purposes of this subsection. The exemption shall not exceed \$10,000.00 of the homestead's assessed value. Except as otherwise specifically provided by law, the value of that property in excess of such exempted amount shall remain subject to taxation.

(b)(1) The exemption provided for in subsection (a) of this Code section shall not be granted unless an affidavit of the owner of the homestead, prepared upon forms prescribed by the commissioner for that purpose, is filed with either the tax receiver or tax commissioner, in the case of residents of county school districts, or with the governing authority of the owner's city, in the case of residents of independent school districts.

(2) The affidavit shall in the first year for which the exemption is sought be filed on or before the last day for making a tax return and shall show the:

(A) Age of the owner on January 1 immediately preceding the filing of the affidavit;

(B) Total amount of net income received by the owner and spouse from all sources during the immediately preceding calendar year; and

(C) Such additional information as may be required by the commissioner.

(3) Copies of all affidavits received or extracts of the information contained in the affidavits shall be forwarded to the commissioner by the various taxing authorities with whom the affidavits are filed. The commissioner is authorized to compare such information with information contained in any income tax return, sales tax return, or other tax documents or records of the department and to report immediately to the appropriate county or city taxing authority any apparent discrepancies between the information contained in any affidavit and the information contained in any other tax records of the department.

(4) After the owner has filed the affidavit and has once been allowed the exemption provided for in this Code section, it shall not be necessary to make application and file the affidavit thereafter for any year and the exemption shall continue to be allowed to such owner; provided, however, that it shall be the duty of any such owner to notify the tax commissioner or tax receiver in the event the owner becomes ineligible for any reason for the exemption provided for in this Code section.

(c) The homestead exemption granted by this Code section shall extend to and shall apply to those properties the legal title to which is vested in one or more titleholders when such property is actually occupied as a residence by one or more of the titleholders who possess the qualifications provided in subsection (a) of this Code section and who claim the exemption in the manner provided for in this Code section. The exemption shall also extend to those homesteads the title to which is vested in a personal representative or trustee if one or more of the heirs or

(2) The State Board of Education may promulgate reasonable rules to carry out this subsection.

48-5-52.1. Exemption from ad valorem taxation for state, county, municipal, and school purposes of homesteads of unremarried surviving spouses of U.S. service members killed in action.

(a) Any person who is a citizen and resident of Georgia and who is an unremarried surviving spouse of a member of the armed forces of the United States, which member has been killed in or has died as a result of any war or armed conflict in which the armed forces of the United States engaged, whether under United States command or otherwise, shall be granted a homestead exemption from all ad valorem taxation for state, county, municipal, and school purposes in the amount of the greater of \$32,500.00 or the maximum amount which may be granted to a disabled veteran under Section 2102 of Title 38 of the United States Code, as amended. As of January 1, 1999, the maximum amount which may be granted to a disabled veteran under the above-stated federal law is \$43,000.00. For the purposes of this Code section, the term "unremarried surviving spouse" of a member of the armed forces includes the unmarried widow or widower of a member of the armed forces who is receiving spousal benefits from the United States Department of Veterans Affairs. The exemption shall be on the homestead which the unremarried surviving spouse owns and actually occupies as a residence and homestead. In the event such surviving spouse remarries, such person shall cease to be qualified to continue the exemption under this Code section effective December 31 of the taxable year in which such person remarries. The value of all property in excess of such exemption granted to such unremarried surviving spouse shall remain subject to taxation.

(b) In order to qualify for the exemption provided for in this Code section, the unremarried surviving spouse shall furnish to the tax commissioner of the county of residence documents from the Secretary of Defense evidencing that such unremarried surviving spouse receives spousal benefits as a result of the death of such person's spouse who as a member of the armed forces of the United States was killed or died as a result of a war or armed conflict while on active duty or while performing authorized travel to or from active duty during such war or armed conflict in which the armed forces of the United States engaged, whether under United States command or otherwise, pursuant to the Survivor Benefit Plan under Subchapter II of Chapter 73 of Title 10 of the United States Code or pursuant to any preceding or subsequent federal law which provides survivor benefits for spouses of members of the armed forces who were killed or who died as a result of any war or armed conflict.

(c) An unremarried surviving spouse filing for the exemption under this Code section shall be required to file with the tax commissioner information relative to marital status and other such information which the county board of tax assessors deems necessary to determine eligibility for the exemption. Each unremarried surviving spouse shall file for the exemption only once with

the tax commissioner. Once filed, the exemption shall automatically be renewed from year to year, except that the county board of tax assessors may require annually that the holder of an exemption substantiate his or her continuing eligibility for the exemption. It shall be the duty of any person granted the homestead exemption under this Code section to notify the tax commissioner in the event that person for any reason becomes ineligible for such exemption.

(d) The exemption granted by this Code section shall be in lieu of and not in addition to any other exemption from ad valorem taxation for state, county, municipal, and school purposes which is equal to or lower in amount than such exemption granted by this Code section. If the amount of any other exemption from ad valorem taxation for state, county, municipal, and school purposes applicable to any resident qualifying under this Code section is greater than or is increased to an amount greater than the amount of the applicable exemption granted by this Code section, such other exemption shall apply and shall be in lieu of and not in addition to the exemption granted by this Code section.

(e) The exemptions granted by this Code section shall apply to the tax year beginning on January 1, 2001, and all tax years thereafter.

48-5-54. Application of homestead exemptions to properties with multiple titleholders and properties held by administrators, executors, or trustees.

(a) The exemptions granted to the homestead pursuant to this part shall extend to and shall apply to those properties the legal title to which is vested in one or more titleholders if actually occupied by one or more of such owners as a residence. In such instances, such exemptions shall be granted to such properties if claimed in the manner provided by law by one or more of the owners actually residing on such property. Such exemptions shall also extend to those homesteads the title to which is vested in an administrator, executor, or trustee if one or more of the heirs or cestui que uses residing on such property claims the exemption in the manner provided by law. The provisions of this Code section shall also apply to exemptions granted to the homestead by any local law adopted after July 1, 1984, unless the local law expressly provides to the contrary.

(b) The failure to file properly the application and schedule shall not be cause for waiver of the exemption where such waiver arises because of an administrator's or executor's deed transferring the property to a surviving spouse. In such instances, the board of tax assessors shall give notice of its intent to deny the exemption as required by Code Section 48-5-49, and the surviving spouse may make application for the amount of homestead exemption to which such applicant is entitled within 30 days from the date of the notice by the board of tax assessors. In the case of a base year assessed value homestead exemption, as long as the surviving spouse otherwise meets the requirements specified for such exemption and makes proper application under this subsection, upon approval of such application the exemption shall be continued with the same base year assessed value as had been established for the deceased spouse of such surviving spouse, unless otherwise provided by local law.

48-5-55. Continuation of constitutional exemptions from ad valorem taxes.

48-5-56. Notice of homestead exemptions from ad valorem taxation to accompany bill for ad valorem taxes on real property.

Each bill for ad valorem taxes on real property other than property required to be returned to the commissioner shall contain or be accompanied by a notice in substantially the following form:

In addition to the regular homestead exemption authorized for all homeowners, certain elderly persons are entitled to additional homestead exemptions. If you are eligible for one of these exemptions and are not now receiving the benefit of the exemption, you must apply for the exemption not later than (insert date) in order to receive the exemption in future years. Such rules and regulations shall apply to the evaluation of bona fide conservation use property, exclusive of any improvements thereon, which improvements shall have their current use value determined as otherwise provided by law.

Such rules and regulations shall include, but not be limited to, the following provisions and criteria:

(1) Sales data for arm's length, bona fide sales of comparable real property with and for the same existing use and per-acre property values determined by the capitalization of net income before property taxes, with sales data to be weighted 35 percent and income capitalization values to be weighted 65 percent. All sales data shall be adjusted to remove the influence of the size of the tract on the sales price of tracts below 50 acres in size. Income capitalization values shall be derived from the respective conservation use property classifications, with consideration given to productivity of the respective major geological or geographical regions, and for this purpose:

(A) Net income before property taxes shall be determined for:

(i) Agricultural land by calculating a weighted average of all crop and pasture acreage in each district as designated by paragraph (2) of this subsection in the following manner:

(I) Crop land by calculating the five-year weighted average of per-acre net income before property taxes from the major predominant acreage crops harvested in Georgia, and as used in this subdivision, the term "predominant acreage crops" means the top acreage crops with production in no less than 125 counties of the state; and

(II) Pasture property by calculating a five-year weighted average of per-acre rental rates from pasture land; and

(ii) Forest property by calculating a five-year weighted average of per-acre net income before property taxes from hardwood and softwood harvested in Georgia. For purposes of this division, the term "property taxes" shall not include the tax under Code Section 48-5-7.5 which tax shall be considered in calculating net income; and

(B) The capitalization rate shall be based upon:

(i) The long-term financing rate available on January 1 from the Regional Federal Land Bank located in Columbia, South Carolina, and published pursuant to 26 U.S.C. Section 2032A(e)(7)(A)(ii), further referenced by regulations 26 C.F.R. 20.2032A-4(e);

(ii) The arithmetic mean of Federal Farm Credit bond yields, whose maturity is no less than five years in the future, as published in the *Wall Street Journal* on January 1 or the most recent business day of the current year, rounded to the nearest hundredth;

(iii) For the purpose of determining the income capitalization rate, divisions (i) and (ii) of this subparagraph shall be given weighted influences of 80 percent and 20 percent, respectively; and

(iv) A property tax component which shall be the five-year average true tax rate for the unincorporated area of each county located within the regions established by paragraph (2) of this subsection;

(2) The state shall be divided into an appropriate grouping of the nine crop-reporting districts as delineated by the Georgia Agricultural Statistical Service for the purpose of determining any calculation under this subsection;

(3) In no event may the current use value of any conservation use property in the table of values established by the commissioner under this subsection for the taxable year beginning January 1, 1993, increase or decrease by more than 15 percent from its current use value as set forth in the table of values established by the commissioner under this subsection for the taxable year beginning January 1, 1992. In no event may the current use value of any conservation use property in the table of values established by the commissioner under this subsection for the taxable year beginning January 1, 1994, or any subsequent taxable year increase or decrease by more than 3 percent from its current use value as set forth in the table of values established by the commissioner under this subsection for the immediately preceding taxable year; and

(4) Environmentally sensitive properties as certified by the Department of Natural Resources shall be valued according to the average value determined for property of the same or similar soil type, as determined under paragraphs (1) and (2) of this subsection.

(c) In no event may the current use value of any conservation use property increase or decrease during a covenant period by more than 3 percent from its current use value for the previous taxable year or increase or decrease during a covenant period by more than 34.39 percent from the first year of the covenant period. The limitations imposed by this subsection shall apply to the total value of all the conservation use property that is the subject of an individual covenant including any improvements that meet the qualifications set forth in paragraph (1) of subsection (a) of Code Section 48-5-7.4; provided, however, that in the event the owner changes the use of any portion of the land or adds or removes therefrom any such qualified improvements, the limitations imposed by this subsection shall be recomputed as if the new uses and improvements were in place at the time the covenant was originally entered.

48-5-269.1. Adoption by commissioner and requirement of use of uniform procedural manual for appraising tangible personal property.

(a) The commissioner shall adopt by rule, subject to Chapter 13 of Title 50, the "Georgia Administrative Procedure Act," and maintain an appropriate procedural manual for use by county property appraisal staff in appraising tangible real and personal property for ad valorem tax purposes.

(b) The manual adopted by the commissioner pursuant to this Code section shall be utilized by county property appraisal staff in the appraisal of tangible real and personal property for ad valorem tax purposes.

48-5-270. Commissioner's authority to purchase, develop, prescribe, and improve electronic data processing systems regarding property valuation and assessment.

The commissioner is authorized, from funds appropriated to the department, to develop and prescribe systems of data collection, appraisal, and assessment and any other systems relating to property valuation and assessment utilizing electronic data processing systems and equipment for use by county boards of tax assessors. The commissioner may purchase existing systems and services from other government agencies, educational institutions, or private businesses or contract with these entities for the development of information and new systems that may be utilized by county boards of tax assessors in property valuation and assessment. The commissioner shall actively seek out technological advancements and systems that will improve the uniformity, fairness, and efficiency of property valuations and assessments and include his or her recommendations in the annual budget request.

48-5-271. Table of values for conservation use value of forest land.

(a) The commissioner shall promulgate and county tax officials shall follow uniform rules and regulations establishing a table of values for the conservation use value of forest land conservation use property. Such values shall be the same as provided for forest land values under Code Section 48-5-269.

(b) In no event may the forest land conservation use value of any forest land conservation use property in the table of values established by the commissioner under this Code section for the taxable year beginning January 1, 2010, or any subsequent taxable year increase or decrease by more than 3 percent from its forest land conservation use value as set forth in the table of values established by the commissioner under this Code section. The limitations imposed by this subsection shall apply to the total value of all the forest land conservation use property that is the subject of an individual covenant.

48-5-274. Establishment of equalized adjusted property tax digest; establishment and use of average ratio; information to be furnished by state auditor; grievance procedure; information to be furnished by commissioner.

(a) As used in this Code section, the term:

(1) "Assessment ratio" means the fractional relationship between the assessed value and the fair market value of the property.

(2) "Measures of central tendency" means the tendency of data to cluster around some typical or central value, such as the median ratio, the mean ratio, or the weighted mean ratio (the weighted mean ratio is also called the aggregate ratio), as defined in the Standard on Assessment-Ratio Studies published by the International Association of Assessing Officers.

(b) The state auditor shall establish on a continuing basis, no later than November 15 in each year, an equalized adjusted property tax digest for each county in the state and for the state as a whole for the current calendar year. Such digest shall exclude all real and personal property exempted from taxation and the difference between the value of all taxable property within any tax allocation district and the tax allocation increment base of such tax allocation district as defined under paragraph (15) of Code Section 36-44-3 for which consent has been obtained pursuant to Code Section 36-44-9. The state auditor may establish a unit within the Department of Audits and Accounts consisting of such number of personnel as is deemed necessary in order to establish and maintain on a continuing basis the equalized adjusted property tax digest. The equalized adjusted property tax digest shall be established and maintained as follows:

(1) Determine the locally assessed valuation of the county property tax assessment digest for the preceding calendar year, exclusive of real and personal property exempted from taxation, exclusive of the difference between the value of all taxable property within any tax allocation district and the tax allocation increment base of such tax allocation district as defined under paragraph (15) of Code Section 36-44-3 for which consent has been obtained pursuant to Code Section 36-44-9, exclusive of railroad equipment company property shown on the county railroad equipment company property tax digest, exclusive of any property subject to current use valuation on the county property tax digest, and exclusive of the locally assessed valuation of timber harvested or sold;

(2) Determine the fair market value for timber harvested or sold during the calendar year;

(3) Divide the sum of the locally assessed valuation of the county property tax assessment digest under paragraph (1) of this subsection by the ratio of assessed value to fair market value of the property established by the state auditor in accordance with paragraph (8) of this subsection;

(4) Determine the fair market value of the county railroad equipment company property tax digest for the preceding calendar year;

(5) Determine the sum of the current use valuation of the county property tax digest;

(6) Determine the total fair market value of the Public Utility Digest as established by the commissioner;

(7) The total of the sums obtained through the calculations prescribed in paragraphs (2), (3), (4), (5), and (6) of this subsection shall be known as the current equalized adjusted property tax digest of the county. The sum of the current equalized adjusted property tax digest of all counties of the state combined shall be known as the current equalized adjusted property tax digest for the state as a whole; and

(8) Establish for each county in the state the ratio of assessed value to fair market value of county property subject to taxation, excluding railroad equipment company property. The ratio shall be determined by establishing the ratio of assessed value to sales price for each of a representative number of parcels of real property, the titles to which were transferred during a period of time to be determined by the state auditor, and then by establishing the measure of central tendency for the county as a whole based upon a representative number of usable transactions studied. Any such sales price shall be adjusted upward or downward, in a manner consistent with the Standard on Ratio Studies published by the International Association of Assessing Officers or its successors, as reasonably needed to account for the effects of price changes reflected in the market between the date of sale and January 1 of the calendar year for which the equalized adjusted property tax digest is being prepared. Sales prices also shall be reduced by any portion thereof attributable to personal property, real property exempt from taxation, or standing timber included in the sales transaction. The representative number of transactions shall not include any parcel of which the sales price is not reflective of the fair market value of such property as fair market value is defined in Code Section 48-5-2. The state auditor shall supplement realty sales price data available in any county with actual appraisals of a representative number of parcels of farm property and industrial and commercial property located within the county, the titles to which were not transferred within the period of time determined by the state auditor. The state auditor may make appraisals on other types of real property located within the county when adequate realty sales data cannot be obtained on such property. The representative number of parcels of each class of real property as defined by the commissioner used for the study shall be determined by the state auditor. The state auditor may use the same ratio for other personal property, excluding motor vehicles, within the county as is finally determined for real property within the county.

(c) The assessment ratio of assessed value to fair market value of county property to be established by the state auditor for the purposes of paragraph (8) of subsection (b) of this Code section shall be established through the use of personnel of the Department of Audits and Accounts who have sufficient competence and expertise by way of education, training, and experience in the fields of property evaluation and appraisal techniques. The Department of Audits and Accounts shall use the Standard on Assessment-Ratio Studies published by the International Association of Assessing Officers or its successors to determine the valid

transactions necessary to establish accurately the measure of central tendency described in paragraph (8) of subsection (b) of this Code section; provided, however, that standard shall only be used to the extent it does not conflict with criteria enumerated in subparagraph (B) of paragraph (3) of Code Section 48-5-2.

(d) The assessment ratio of assessed value to fair market value determined for each county shall be used as provided for in this Code section until such time as a new ratio is determined on a continuing basis for each county. The state auditor shall provide to the commissioner the assessment ratio of assessed value to fair market value for all counties upon completion.

(e) On or before November 15 of each year, the state auditor shall furnish to the State Board of Education the current equalized adjusted property tax digest of each county in the state and the current equalized adjusted property tax digest for the state as a whole. In any county which has more than one school system, the state auditor shall furnish the State Board of Education a breakdown of the current county equalized adjusted property tax digest showing the amount of the digest applicable to property located within each of the school systems located within the county. At the same time, the state auditor shall furnish the governing authority of each county, the governing authority of each municipality having an independent school system, the local board of education of each school system, the tax commissioner or tax collector of each county, and the board of tax assessors of each county the current equalized adjusted property tax digest of the local school system or systems, as the case may be, and the current equalized adjusted property tax digest for the state as a whole.

(f)(1) Each county governing authority, each governing authority of a municipality having an independent school system, and each local board of education, when aggrieved or when having an aggrieved constituent, shall have a right, upon written request made within 30 days after receipt of the digest information, to refer the question of correctness of the current equalized adjusted property tax digest of the local school system to the state auditor. The state auditor shall take any steps necessary to make a determination of the correctness of the digest and to notify all interested parties of the determination within 45 days after receiving the request questioning the correctness of the digest.

(2)(A) If any party questioning the correctness of the digest is dissatisfied with the determination made by the state auditor pursuant to paragraph (1) of this subsection, the party shall have the right, which must be exercised within 15 days after being notified of the determination made by the state auditor, to refer in writing the question of the correctness of the digest to a board of arbitrators.

(B) Each board of arbitrators shall consist of three members, one to be chosen by the state auditor within 15 days after receipt of a written complaint, one to be chosen by the complaining party at the time of requesting the arbitration, and one to be chosen within 15 days after selection of the first two members by the first two members of the board. In the event the two arbitrators cannot agree on a third member, the Chief Justice of the Supreme Court of Georgia shall appoint the third member upon petition of either party with notice to the opposing party.

(C) The board of arbitrators or a majority of the board within 15 days after appointment of the full board shall render its decision regarding the correctness of the digest in question and, if correction of the digest is required, regarding the extent and manner in which the digest should be corrected. The decision of the board shall be final.

(D) The state auditor shall correct the digest in question in accordance with the decision of the board of arbitrators and shall report the corrections to the parties entitled to receive such information under this Code section.

(E) Each member of the board of arbitrators shall subscribe to an oath to perform faithfully and impartially the duties required in connection with the controversy concerning the correctness of the digest in question and to render a decision within the time required. Each member of the board of arbitrators shall be paid a sum not to exceed \$250.00 for each appeal heard. In addition, each member of the board shall receive the same daily expense allowance as is provided for each member of the General Assembly and actual transportation costs when traveling by public carrier or the legal mileage rate when traveling by personal automobile. All costs of arbitration of matters arising under this Code section shall be shared and paid equally by the Department of Audits and Accounts and by the governing authority requesting the arbitration.

(3) Upon receiving notice that the current equalized adjusted property tax digest of any local school system is being questioned pursuant to paragraph (1) of this subsection, the state auditor shall notify the State Board of Education that the digest is being questioned. No computations shall be made on the basis of a questioned digest under Article 6 of Chapter 2 of Title 20, the "Quality Basic Education Act," until the digest has been corrected, if necessary, pursuant to this subsection.

(g) The commissioner shall provide to the state auditor such digest information as is needed in the calculation of the equalized adjusted property tax digests. Such information shall be provided for each county and for each local school system. For independent school systems in municipalities authorized to assess property in excess of 40 percent of fair market value pursuant to Code Section 48-5-7, the commissioner shall provide digest information to the state auditor at the assessment ratios utilized by both the municipal government and the county government or governments in which the municipality is located. If revision is made to the digest of any county or any portion of a county comprising a local school system following the initial reporting of the digest to the state auditor, the commissioner shall report any such revision to the state auditor.

(d) The provisions of subsection (b) of this Code section shall be a supplemental alternative to proceedings for removal under Code Section 48-5-296; and the existence of one remedy shall not bar the other.

48-5-295.1. Performance review board.

(a) The county governing authority may, upon adoption of a resolution, request that a performance review of the county board of tax assessors be conducted. Such resolution shall be transmitted to the commissioner who shall appoint an independent performance review board within 30 days after receiving such resolution. The commissioner shall appoint three

competent persons to serve as members of the performance review board, one of whom shall be an employee of the department and two of whom shall be chief appraisers, provided that neither chief appraiser shall be a chief appraiser for the county under review.

(b) It shall be the duty of a performance review board to make a thorough and complete investigation of the county board of tax assessors with respect to all actions of the county board of tax assessors and appraisal staff regarding the technical competency of appraisal techniques and compliance with state law and regulations, including the Property Tax Appraisal Manual. The performance review board shall issue a written report of its findings to the commissioner and the county governing authority which shall include such evaluations, judgments, and recommendations as it deems appropriate. The county governing authority shall reimburse the members of the performance review board for reasonable expenses incurred in the performance of their duties, including mileage, meals, lodging, and costs of materials.

(c) The findings of the report of the review board under subsection (b) of this Code section or of any audit performed by the Department of Revenue at the request of the Governor may be grounds for removal of one or more members of the county board of tax assessors pursuant to subsection (b) of Code Section 48-5-295.

(d) The commissioner shall promulgate such rules and regulations as may be necessary for the administration of this Code section.

48-5-295.2

(a) The commissioner shall appoint an independent performance review board if he or she determines, through the examination of the digest for any county in a digest review year pursuant to Code Section 48-5-342, that there is evidence which calls into question the technical competence of appraisal techniques and compliance with state law and regulations, including the Property Tax Appraisal Manual, with respect to the conservation use value of forest land.

(b) The commissioner shall appoint three competent persons to serve as members of the performance review board, one of whom shall be an employee of the department and two of whom shall be chief appraisers, provided that neither chief appraiser shall be a chief appraiser for the county under review.

The county governing authority shall reimburse the members of the performance review board for reasonable expenses incurred in the performance of their duties, including mileage, meals, lodging, and costs of materials.

(d) The findings of the report of the review board under subsection (c) of this Code section or of any audit performed by the Department of Revenue or the Department of Audits shall be grounds for the state to withhold local assistance grants pursuant to Code Section 48-5A-3; provided, however, that any portion of a local assistance grant designated for use by a board of education of any political subdivision shall not be withheld pursuant to this subsection. If the findings in the report of the performance review board indicate that the provisions of paragraph (6) of Code Section 48-5-2 have been knowingly violated by a local government in order to receive a larger local assistance grant than allowed by law, then the most recent local assistance grant requested by the local government shall be withheld by the Department of

Revenue. For a second or subsequent offense, the next two requests for local assistance grants shall be withheld by the Department of Revenue.

(e) The commissioner shall promulgate such rules and regulations as may be necessary for the administration of this Code section.

48-5-296. Removal from office on petition of freeholders; appeals.

Whenever by petition to the judge of the superior court any 100 or more freeholders of the county allege that any member of the county board of tax assessors is disqualified or is not properly and impartially discharging his duties or is discriminating in favor of certain citizens or classes of citizens and against others, the judge shall cite the member to appear before him at a time and place to be fixed in the citation, such time to be not less than 20 nor more than 40 days from the date of the presentation of the petition, and to answer to the petition. A copy of the petition shall be attached to the citation and service of the citation may be made by any sheriff, deputy sheriff, or constable of this state. The officer making the service shall serve copies and return the original petition and citation to the clerk of the court as other process is returned. At the time and place fixed in the citation, unless postponed for reasonable cause, the judge shall hear and determine the matter without a jury and shall render such judgment and order as may be right and proper, either dismissing the petition or removing the offending member of the county board of tax assessors from office and declaring a vacancy in the office. If either party to the controversy is dissatisfied with the judgment and order of the court, the party may appeal the issue as in other cases.

48-5-297. Meetings.

The first meeting of the county board of tax assessors shall be held no later than ten days after the date the tax receiver or tax commissioner is required by law to submit the tax digest for the year to the county board of tax assessors. The secretary of the board shall at that time and at every meeting of the board present to the board all of the appraisal staff information relating to the digest. The county board of tax assessors must consider the staff information in the performance of their duties. The county board of tax assessors shall adhere to the assessment standards and techniques as required by law, by the commissioner, and by the State Board of Equalization. In each instance, however, the assessment placed on each parcel of property shall be the assessment established by the county board of tax assessors as provided in Code Section 48-5-306.

48-5-298. Selection of chairman and secretary; employment contracts with persons to assist board; payment of expenses.

(a) Each county board of tax assessors shall elect one of its members to serve as chairman for each tax year. The election of a chairman shall be the first order of business at the first meeting of the board for each tax year. At the same time, the board shall select from the county appraisal staff one appraiser to act as secretary to the board for that tax year. Each county board of tax assessors, subject to the approval of the county governing authority, may enter into employment contracts with persons to:

(1) Assist the board in the mapping, platting, cataloging, indexing, and appraising of taxable properties in the county;

(2) Make, subject to the approval of the board, reevaluations of taxable property in the county; and

(3) Search out and appraise unreturned properties in the county.

(b) Each county board of tax assessors may enter into a contract with any municipality or political subdivision of the state to provide any information for which the board could contract pursuant to subsection (a) of this Code section.

(c) The expenses of employees engaged and work performed pursuant to this Code section shall be paid, subject to the contracts and after approval by the county governing authority, out of county funds as a part of the expenses of the board. A county board of education or independent board of education may expend funds to assist in paying the expenses incurred in discovering unreturned properties pursuant to this Code Section for the purpose of collecting unpaid school taxes. The method of such expenditure as provided in this subsection and the amount thereof shall be within the discretion of the county board of education or independent board of education.

48-5-299. Ascertainment of taxable property; assessments against unreturned property; penalty for unreturned property; changing real property values established by appeal in prior year.

(a) It shall be the duty of the county board of tax assessors to investigate diligently and to inquire into the property owned in the county for the purpose of ascertaining what real and personal property is subject to taxation in the county and to require the proper return of the property for taxation. The board shall make such investigation as may be necessary to determine the value of any property upon which for any reason all taxes due the state or the county have not been paid in full as required by law. In all cases where the full amount of taxes due the state or county has not been paid, the board shall assess against the owner, if known, and against the property, if the owner is not known, the full amount of taxes which has accrued and which may not have been paid at any time within the statute of limitations. In all cases where taxes are assessed against the owner of property, the board may proceed to assess the taxes against the owner of the property according to the best information obtainable; and such assessment, if otherwise lawful, shall constitute a valid lien against the property so assessed.

(b) In all cases in which unreturned personal property is assessed by the board after the time provided by law for making tax returns has expired, the board shall add to the assessment of the property a penalty of 10 percent, which shall be included as a part of the taxable value for the year.

(c) When the value of real property is reduced or is unchanged from the value on the initial annual notice of assessment or a corrected annual notice of assessment issued by the board of tax assessors and such valuation has been established as the result of an appeal decision rendered by the board of equalization, hearing officer, arbitrator, or superior court pursuant to Code Section 48-5-311 or stipulated by written agreement signed by the board of tax assessors and taxpayer or taxpayer's authorized representative, the new valuation so established by appeal decision or agreement may not be increased by the board of tax assessors during the next two successive years, unless otherwise agreed in writing by both parties, subject to the following exceptions:

(1) This subsection shall not apply to a valuation established by an appeal decision if the taxpayer or his or her authorized representative failed to attend the appeal hearing or provide the board of equalization, hearing officer, or arbitrator with some written evidence supporting the taxpayer's opinion of value;

(2) This subsection shall not apply to a valuation established by an appeal decision or agreement if the taxpayer files a return at a different valuation during the next two successive years;

(3) Unless otherwise agree in writing by the parties, if the taxpayer files an appeal pursuant to Code Section 48-5-311 during the next two successive years, the board of tax assessors, the board of equalization, hearing officer, or arbitrator may increase or decrease the value of the real property based on the evidence presented by the taxpayer during the appeal process; and

(4) The board of tax assessors may increase or decrease the value of the real property if, after a visual on-site inspection of the property, it is found that there have been substantial additions, deletions, or improvements to such property or that there are errors in the board of tax assessors' records as to the description or characterization of the property, or the board of tax assessors finds an occurrence of other material factors that substantially affect the current fair market value of such property.

(d) When real or personal property is located within a municipality whose boundaries extend into more than one county, it shall be the duty of each board of tax assessors of a county, wherein a portion of the municipality lies, to cooperatively investigate diligently into whether the valuation of such property is uniformly assessed with other properties located within the municipality but outside the county where such property is located. Such investigation shall include, but is not limited to, an analysis of the assessment to sales ratio of properties that have recently sold within the municipality and a comparison of the average assessment level of such properties by the various counties wherein a portion of the municipality lies. The respective boards shall exchange such information as will facilitate this investigation and make any necessary adjustments to the assessment of the real and personal property that is located in their respective counties within the municipality to achieve a uniform assessment of such property throughout the municipality. Any uniformity adjustments pursuant to this subsection shall only apply to the assessment used for municipal ad valorem tax purposes within the applicable county.

48-5-299.1. Designation of board of assessors to receive tax returns.

Upon designation by the tax receiver or tax commissioner pursuant to paragraph (5) of Code Section 48-5-103, it shall be the duty of the board of assessors to receive tax returns as provided under paragraph (4) of Code Section 48-5-103 or to perform all duties of tax receivers or tax commissioners relating to the receiving of applications for homestead exemptions from ad valorem tax, or both, pursuant to such designation.

48-5-300. Power to summon witnesses and require production of documents; exempt documents; contempt proceedings.

(a) (1) Except as otherwise provided in paragraph (2) of this subsection, the county board of tax assessors may issue subpoenas for the attendance of witnesses and may subpoena of any person any books, papers, or documents which may contain any information material to any

question relative to the existence or liability of property subject to taxation or to the identity of the owner of property liable to taxation or relevant to other matters necessary to the proper assessment of taxes lawfully due the state or county. Such subpoenas may be issued in the name of the board, shall be signed by any one or more members of the board or by the secretary of the board, and shall be served upon a taxpayer or witness or any party required to produce documents or records five days before the day upon which any hearing by the board is scheduled at which the attendance of the party or witness or the production of such documents is required.

(2) The authority provided for in paragraph (1) of this subsection shall not apply to the following documents or records:

(A) Any income tax records or returns;

(B) Any property appraisals prior to the appeal process;

(C) All insurance policies; or

(D) Any individual tenant sales information.

(b) If any witness subpoenaed by any county board of tax assessors fails or refuses to appear, fails or refuses to answer questions propounded, or fails or refuses to produce any books, papers, or documents required to be produced by an order of the board, except upon a legal excuse which would relieve the witness of the obligation to attend as a witness or to produce such documents before the superior court if lawfully required to do so, the person so failing or refusing shall be guilty of contempt and shall be cited by the board to appear before a judge of the superior court of the county. The judge of the superior court of the county shall have the same power and jurisdiction to punish the person failing or refusing to comply with the order for contempt and to require and compel the giving of the testimony or the production of the books and records as in cases of contempt committed in the presence of the court and as in cases pending in the court.

48-5-300.1. Time period for taxation of personal property; extension by consent; refunds.

(a) Except as otherwise provided in this Code section or this title, the amount of any tax imposed under this chapter with respect to personal property may be assessed at any time.

(b) Except as otherwise provided by subsection (c) of this Code section or by this title, in the case where a return or report is filed or deemed to be filed for personal property, the amount of any tax imposed by this chapter shall be assessed within three years from the date the original tax bill was paid, unless such personal property in question is the subject of an audit by the board of tax assessors.

(c) Except as otherwise provided by this title, in the case of a false or fraudulent personal property tax return or report filed with the intent to evade tax, or if the property owner has been notified of a pending audit of personal property, the amount of any tax imposed by this chapter may be assessed at any time.

(d) Where, before the expiration of the time prescribed in this Code section for the assessment of any tax imposed by this chapter with respect to personal property, both the board of tax assessors and the person subject to assessment have consented in writing to its assessment

after such time, the tax may be assessed at any time prior to the expiration of the agreed upon period. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the previously agreed upon period. The board of tax assessors is authorized in any such agreement to extend similarly the period within which a claim for refund may be filed.

(e) If a claim for refund of such taxes paid for any taxable period is filed within the last six months of the period during which the board of tax assessors may assess the amount of such taxes, the assessment period shall be extended for a period of six months beginning on the day the claim for refund is filed.

(f) No action without assessment shall be brought for the collection of any such tax after the expiration of the period for assessment.

48-5-301. Time for presentation of returns by tax receiver or tax commissioner.

(a) Except as provided in subsection (b) of this Code section, not later than April 11 in each year the tax receiver or tax commissioner of each county shall present the tax returns of the county for the current year to the county board of tax assessors.

(b) In all counties having a population of not less than 81,300 nor more than 89,000 according to the United States decennial census of 1990 or any future such census, the tax receiver or tax commissioner of each such county shall present the tax returns of the county for the current year to the county board of tax assessors not later than March 11 of that year.

48-5-302. Time for completion of revision and assessment of returns; submission of completed digest to commissioner.

Each county board of tax assessors shall complete its revision and assessment of the returns of taxpayers in its respective county by July 15 of each year, except that, in all counties providing for the collection and payment of ad valorem taxes in installments such date shall be June 1 of each year. The tax receiver or tax commissioner shall then immediately forward one copy of the completed digest to the commissioner for examination and approval.

48-5-303. Correction of mistakes in digest; notification of correction.

(a) The county board of tax assessors shall have authority to correct factual errors in the tax digest when discovered within three years and when such corrections are of benefit to the taxpayer. Such corrections, after approval of the county board of tax assessors, shall be communicated to the taxpayer and notice shall be provided to the tax commissioner.

(b) If a tax receiver or tax commissioner makes a mistake in the digest which is not corrected by the county board of tax assessors or county board of equalization, the commissioner, with the sanction of the Governor, shall correct the mistake by making the necessary entries in the digest furnished the commissioner. The commissioner shall notify the county governing authority and the tax collector of the county from which the digest comes of the mistake and correction."

48-5-304. Approval of tax digests when assessments in arbitration or on appeal; procedure; withholding of grants by Office of Treasury and Fiscal Services.

(a) The commissioner shall not approve any digest of any county when the assessed value that is in dispute for any property or properties on appeal or in arbitration exceeds 5 percent of the total assessed value of the total taxable digest of the county for the same year. In any year in which a complete revaluation or reappraisal program is implemented, the commissioner shall not approve a digest of any county when 8 percent or more of the assessed value in dispute is in arbitration or on appeal and 8 percent or more of the number of properties is in arbitration or on appeal. When the assessed value in dispute on any one appeal or arbitration exceeds 1.5 percent of the total assessed value of the total taxable digest of the county for the same year, such appeal or arbitration may be excluded by the commissioner in making his or her determination of whether the digest may be approved under the limitations provided for in this Code section. Where appeals have been filed or arbitrations demanded, the assessment or assessments fixed by the board of tax assessors shall be listed together with the return value on the assessments and forwarded in a separate listing to the commissioner at the time the digest is filed for examination and approval.

(b) The commissioner shall not approve any digest or portion thereof for any class or strata of property where evidence exists that the county has substantially failed to comply with the provisions of this title or the rules and regulations of the commissioner for valuation of such class or strata of property. The commissioner shall adopt rules and regulations to give effect to this provision.

(c) The Office of Treasury and Fiscal Services shall withhold any and all grants appropriated to any county until the county tax digest for the previous calendar year has been submitted to the commissioner as required by law.

48-5-305. Valuation of property not in digest.

(a) The county board of tax assessors may provide, pursuant to rules or regulations promulgated by the board and consistent with this article, the manner of ascertaining the fair market value for taxation of any real or personal property not appearing in the digest of any year within the period of the statute of limitations.

(b) It is the purpose and intent of this Code section to confer upon the county board of tax assessors full power and authority necessary to have placed upon the digest an assessment of the fair market value of all property in the county of every character which is subject to taxation and for which either state or county taxes have not been paid in full.

(c) Nothing contained in this Code section shall apply to those persons who are required to make their returns to the commissioner.

48-5-306. Notice of changes made in taxpayer's return; contents; posting notice; new assessment description.

(a) Method of giving annual notice of current assessment to taxpayer.

Each county board of tax assessors may meet at any time to receive and inspect the tax returns to be laid before it by the tax receiver or tax commissioner. The board shall examine all the returns of both real and personal property of each taxpayer, and if in the opinion of the board any taxpayer has omitted from such taxpayer's returns any property that should be returned or has failed to return any of such taxpayer's property at its fair market value, the board shall correct the returns, assess and fix the fair market value to be placed on the property, make a note of such assessment and valuation, and attach the note to the returns. The board shall see that all taxable property within the county is assessed and returned at its fair market value and that fair market values as between the individual taxpayers are fairly and justly equalized so that each taxpayer shall pay as nearly as possible only such taxpayer's proportionate share of taxes. The board shall give annual notice to the taxpayer of the current assessment of taxable real property. When any corrections or changes, including valuation increases or decreases, or equalizations have been made by the board to personal property tax returns, the board shall give written notice to the taxpayer of any such changes made in such taxpayer's returns. The annual notice may be given personally by leaving the notice at the taxpayer's dwelling house, usual place of abode, or place of business with some person of suitable age and discretion residing or employed in the house, abode, or business, or by sending the notice through the United States mail as first-class mail to the taxpayer's last known address. The taxpayer may elect in writing to receive all such notices required under this Code section by electronic transmission if electronic transmission is made available by the county board of tax assessors. When notice is given by mail, the county board of tax assessors' return address shall appear in the upper left corner of the face of the mailing envelope and with the United States Postal Service endorsement 'Return Service Requested' and the words 'Official Tax Matter' clearly printed in boldface type in a location which meets United States Postal Service regulations.

(C) The year for which the new assessment is applicable;

(D) A brief description of the assessed property broken down into real and personal property classifications;

'The amount of your ad valorem tax bill for this year will be based on the appraised and assessed values specified in this notice. You have the right to appeal these values to the county board of tax assessors. At the time of filing your appeal you must select one of the following options:

Each posted notice shall contain the name of the owner liable to taxation, if known, or, if the owner is unknown, a brief description of the property together with a statement that the assessment has

(2) No additional charges or fees may be collected from the taxpayer for reasonable search, retrieval, or other administrative costs associated with providing such public records and information; and

(3)(A) The superior courts of this state shall have jurisdiction in law and in equity to entertain actions against the board of tax assessors to enforce compliance with the provisions of this subsection.

(B) In any action brought to enforce the provisions of this subsection in which the court determines that either party acted without substantial justification either in not complying with this subsection or in instituting the litigation, the court shall, unless it finds that special circumstances exist, assess in favor of the complaining party reasonable attorney's fees and other litigation costs reasonably incurred. Whether the position of the complaining party was substantially justified shall be determined on the basis of the record as a whole which is made in the proceeding for which fees and other expenses are sought.

(e) *Description of current assessment.* The notice required by this Code section shall be accompanied by a simple, nontechnical description of the basis for the current assessment.

(f) The commissioner shall promulgate such rules and regulations as may be necessary for the administration of this Code section.

48-5-311. Creation of county boards of equalization; duties; review of assessments; appeals.

(a) *Definition.*

As used in this Code section, the term "appeal administrator" means the clerk of the superior court.

(a.1) *Appeal administrator.*

(1) The appeal administrator is vested with administrative authority in all other matters governing the conduct and business of the boards of equalization so as to provide oversight and supervision of such boards.

(2) It shall be the duty of the appeal administrator to receive any complaint filed with respect to the official actions of any member of a county board of equalization regarding technical competency, compliance with state law and regulations, or rude or unprofessional conduct or behavior toward any member of the public and to forward such complaint to the grand jury for investigation. Following an investigation, the grand jury shall issue a written report of its findings, which shall include such evaluations, judgments, and recommendations as it deems appropriate. The findings of the report may be grounds for removal of a member of the board of equalization by the grand jury for failure to perform the duties required under this Code section.

(a.2) *Establishment of boards of equalization.*

(1) Except as otherwise provided in this subsection, there is established in each county of this state a county board of equalization to consist of three members and three alternate members appointed in the manner and for the term set forth in this Code section. In those counties having more than 10,000 parcels of real property, the county governing authority, by appropriate resolution adopted on or before November 1 of each year, may elect to have selected one additional county board of equalization for each 10,000 parcels of real property in the county or for any part of a number of parcels in the county exceeding 10,000 parcels.

(1.1) The grand jury shall be authorized to conduct a hearing following its receipt of the report of the appeal administrator under paragraph (2) of subsection (a.1) of this Code section and to remove one or more members of the board of equalization for failure to perform the duties required under this Code section.

(2) Notwithstanding any part of this subsection to the contrary, at any time the governing authority of a county makes a request to the grand jury of the county for additional alternate members of boards of equalization, the grand jury shall appoint the number of alternate members so requested to each board of equalization, such number not to exceed a maximum of 21 alternate members for each of the boards. The alternate members of the boards shall be duly qualified and authorized to serve on any of the boards of equalization of the county. The members of each board of equalization may designate a chairperson and two vice chairpersons of each such board of equalization. The appeal administrator shall have administrative authority in all matters governing the conduct and business of the boards of equalization so as to provide oversight and supervision of such boards and scheduling of appeals. Any combination of members or alternate members of any such board of equalization of the county shall be competent to exercise the power and authority of the board. Any person designated as an

alternate member of any such board of equalization of the county shall be competent to serve in such capacity as provided in this Code section upon appointment and taking of oath.

(3) Notwithstanding any provision of this subsection to the contrary, in any county of this state having a population of 400,000 or more according to the United States decennial census of 1990 or any future such census, the governing authority of the county, by appropriate resolution adopted on or before November 1 of each year, may elect to have selected one additional county board of equalization for each 10,000 parcels of real property in the county or for any part of a number of parcels in the county exceeding 10,000 parcels. In addition to the foregoing, any two members of a county board of equalization of the county may decide an appeal from an assessment, notwithstanding any other provisions of this Code section. The decision shall be in writing and signed by at least two members of the board of equalization; and, except for the number of members necessary to decide an appeal, the decision shall conform to the requirements of this Code section.

(4) The governing authorities of two or more counties may by intergovernmental agreement establish regional boards of equalization for such counties which shall operate in the same manner and be subject to all of the requirements of this Code section specified for county boards of equalization. The intergovernmental agreement shall specify the manner in which the members of the regional board shall be appointed by the grand jury of each of the counties, shall specify which appeal administrator shall have oversight over and supervision of such regional board, and shall provide for funding from each participating county for the operations of the appeal administrator as required by subparagraph (d)(4)(C.1) of this Code section. All hearings and appeals before a regional board shall be conducted in the county in which the property which is the subject of the hearing or appeal is located.

(b) *Qualifications of board of equalization members.*

(1) Each person who is, in the judgment of the appointing grand jury, qualified and competent to serve as a grand juror, who is the owner of real property located in the county where such person is appointed to serve, or, in the case of a regional board of equalization, is the owner of real property located in any county in the region where such person is appointed to serve, and who is at least a high school graduate shall be qualified, competent, and compellable to serve as a member or alternate member of the county board of equalization. No member of the governing authority of a county, municipality, or consolidated government; member of a county or independent board of education; member of the county board of tax assessors; employee of the county board of tax assessors; or county tax appraiser shall be competent to serve as a member or alternate member of the county board of equalization.

(2)(A) Each person seeking to be appointed as a member or alternate member of a county board of equalization shall, not later than immediately prior to the time of his or her appointment under subsection (c) of this Code section, file with the clerk of the superior court a uniform application form which shall be a public record. The Council of Superior Court Clerks of Georgia created under Code Section 15-6-50.2 shall design the form which indicates the applicant's education, employment background, experience, and qualifications for such appointment.

(B)(i) Within the first year after a member's initial appointment to the board of equalization, each member shall satisfactorily complete not less than 40 hours of instruction in appraisal and equalization processes and procedures, as prepared and required by the commissioner pursuant to Code Section 48-5-13.

(ii) On or after January 1, 2016, following the completion of each term of office, a member shall, within the first year of appointment to the subsequent term of office, complete satisfactorily not less than 20 hours of instruction in appraisal and equalization processes and procedures, as prepared and required by the commissioner for newly appointed members.

(iii) No person shall be eligible to hear an appeal as a member of a board of equalization unless, prior to hearing such appeal, such person shall satisfactorily complete the 20 hours of instruction in appraisal and equalization processes and procedures required under the applicable provisions of division (i) or (ii) of this subparagraph.

(iv) The failure of any member to fulfill the requirements of the applicable provisions of division (i) or (ii) of this subparagraph shall render such member ineligible to serve on the board; and the vacancy created thereby shall be filled in the same manner as other vacancies on the board are filled.

(C)(i) Any person appointed to a board of equalization shall be required to complete annually a continuing education requirement of at least eight hours of instruction in appraisal and equalization procedures, as prepared and required by the commissioner pursuant to Code Section 48-5-13.

(ii) The failure of any member to fulfill the requirements of division (i) of this subparagraph shall render such member ineligible to serve on the board; and the vacancy created thereby shall be filled in the same manner as other vacancies on the board are filled.

(c) Appointment of board of equalization members.

(1) Except as provided in paragraph (2) of this subsection, each member and alternate member of the county board of equalization shall be appointed for a term of three calendar years next succeeding the date of such member or such alternate member's selection. Each term shall begin on January 1.

(2) The grand jury in each county at any term of court preceding November 1 of 1991 shall select three persons who are otherwise qualified to serve as members of the county board of equalization and shall also select three persons who are otherwise qualified to serve as alternate members of the county board of equalization. The three individuals selected as alternates shall be designated as alternate one, alternate two, and alternate three, with the most recent appointee being alternate number three, the next most recent appointee being alternate number two, and the most senior appointee being alternate number one. One member and one alternate shall be appointed for terms of one year, one member and one alternate shall be appointed for two years, and one member and one alternate shall be appointed for three years. Each year thereafter, the grand jury of each county shall select one member and one alternate for three-year terms.

(3) If a vacancy occurs on the county board of equalization, the individual designated as alternate one shall then serve as a member of the board of equalization for the unexpired term. If a vacancy occurs among the alternate members, the grand jury then in session or the next grand jury shall select an individual who is otherwise qualified to serve as an alternate member of the county board of equalization for the unexpired term. The individual so selected shall become alternate member three, and the other two alternates shall be redesignated appropriately.

(4) Within five days after the names of the members and alternate members of the county board or boards of equalization have been selected, the clerk of the superior court shall cause such appointees to appear before the clerk of the superior court for the purpose of taking and executing in writing the oath of office. The clerk of the superior court may utilize any means necessary for such purpose, including, but not limited to, telephonic or other communication, regular first-class mail, or issuance of and delivery to the sheriff or deputy sheriff a precept containing the names of the persons so selected. Within ten days of receiving the precept, the sheriff or deputy sheriff shall cause the persons whose names are written on the precept to be served personally or by leaving the summons at their place of residence. The summons shall direct the persons named on the summons to appear before the clerk of the superior court on a date specified in the summons, which date shall not be later than December 15.

(5) Each member and alternate member of the county board of equalization, on the date prescribed for appearance before the clerk of the superior court and before entering on the discharge of such member and alternate member's duties, shall take and execute in writing before the clerk of the superior court the following oath:

"I, _____, agree to serve as a member of the board of equalization of the County of _____ and will decide any issue put before me without favor or affection to any party and without prejudice for or against any party. I will follow and apply the laws of this state. I also agree not to discuss any case or any issue with any person other than members of the board of equalization except at any appeal hearing. I shall faithfully and impartially discharge my duties in accordance with the Constitution and laws of this state, to the best of my skill and knowledge. So help me God.

Signature of member or alternate member"

In addition to the oath of office prescribed in this paragraph, the presiding or chief judge of the superior court or the appeal administrator shall charge each member and alternate member of the county board of equalization with the law and duties relating to such office.

(d) Duties and powers of board of equalization members.

(1) The county board of equalization shall hear and determine appeals from assessments and denials of homestead exemptions as provided in subsection (e) of this Code section.

(2) If, in the course of determining an appeal, the county board of equalization finds reason to believe that the property involved in an appeal or the class of property in which is included the property involved in an appeal is not uniformly assessed with other property included in the digest, the board shall request the respective parties to the appeal to present relevant information with respect to that question. If the board determines that uniformity is not present, the board may order the county board of tax assessors to take such action as is necessary to obtain uniformity, except that, when a question of county-wide uniformity is considered by the board, the board may recommend a partial or total county-wide revaluation only upon a determination by a majority of all the members of the board that the clear and convincing weight of the evidence requires such action. The board of equalization may act pursuant to this paragraph whether or not the appellant has raised the issue of uniformity.

(3) The board shall establish procedures which comply strictly with the regulations promulgated by the commissioner pursuant to subparagraph (e)(1)(D) of this Code section for the conducting

of appeals before the board. The procedures shall be entered into the minutes of the board, and a copy of the procedures shall be made available to any individual upon request.

(4)(A) The appeal administrator shall have oversight over and supervision of all boards of equalization of the county and hearing officers. This oversight and supervision shall include, but not be limited to, requiring appointment of members of county boards of equalization by the grand jury; giving the notice of the appointment of members and alternates of the county board of equalization by the county grand jury as required by Code Section 15-12-81; collecting the names of possible appointees; collecting information from possible appointees as to their qualifications; presenting the names of the possible appointees to the county grand jury; processing the appointments as required by paragraph (4) of subsection (c) of this Code section, including administering the oath of office to the newly appointed members and alternates of the county board of equalization as required by paragraph (5) of such subsection; instructing the newly appointed members and alternates as to the training they must receive and the operations of the county board of equalization; presenting to the grand jury of the county the names of possible appointees to fill vacancies as provided in paragraph (3) of such subsection; maintaining a roster of board members and alternates, maintaining a record showing that the board members and alternates completed training, keeping attendance records of board members and alternates for the purpose of payment for service, and maintaining the uniform application forms and keeping a record of the appointment dates of board members and alternates and their terms in office; and informing the county board of equalization that it must establish by regulation procedures for conducting appeals before the board as required by paragraph (3) of this subsection. Oversight and supervision shall also include the scheduling of board hearings, assistance in scheduling hearings before hearing officers, and giving notice of the date, time, and place of hearings to the taxpayers and the county board of tax assessors and giving notice of the decisions of the county board of equalization or hearing officer to the taxpayer and county board of tax assessors as required by division (e)(6)(D)(i) of this Code section.

(B) The county governing authority shall provide any resources to the appeal administrator that are required to be provided by paragraph (7) of subsection (e) of this Code section.

(C) The county governing authority shall provide to the appeal administrator facilities and secretarial and clerical help for appeals pursuant to subsection (e.1) of this Code section.

(C.1) The operations of the appeal administrator under this Code section shall, for budgeting purposes, constitute a distinct budget unit within the county budget that is separate from the operations of the clerk of the superior court. The appeal administrator budget unit shall contain a separate line item for the compensation of the appeal administrator for the performance of duties required under this Code section as well as separate line items for resources, facilities, and personnel as specified under subparagraphs (B) and (C) of this paragraph.

(D) The appeal administrator shall maintain any county records of all notices to the taxpayer and the taxpayer's attorney, of certified receipts of returned or unclaimed mail, and from the hearings before the board of equalization and before hearing officers for 12 months after the deadline to file any appeal to the superior court expires. If an appeal is not filed to the superior court, the appeal administrator is authorized to properly destroy any records from the hearings before the county board of equalization or hearing officers but shall maintain records of all notices to the taxpayer and the taxpayer's attorney and certified receipts of returned or unclaimed mail for 12 months. If an appeal to the superior court is filed, the appeal administrator shall file such appeal and records in the civil action that is considered open by the clerk of

superior court for such appeal, and such records shall become part of the record on appeal in accordance with paragraph (2) of subsection (g) of this Code section.

(e) Appeal.

(1)(A) Any taxpayer or property owner as of the last date for filing an appeal may elect to file an appeal from an assessment by the county board of tax assessors to:

(i) The county board of equalization as to matters of taxability, uniformity of assessment, and value, and, for residents, as to denials of homestead exemptions pursuant to paragraph (2) of this subsection;

(ii) An arbitrator as to matters of value pursuant to subsection (f) of this Code section;

(iii) A hearing officer as to matters of value and uniformity of assessment for a parcel of nonhomestead real property with a fair market value in excess of \$750,000.00 as shown on the taxpayer's annual notice of current assessment under Code Section 48-5-306, and any contiguous nonhomestead real property owned by the same taxpayer, pursuant to subsection (e.1) of this Code section; or

(iv) A hearing officer as to matters of values or uniformity of assessment of one or more account numbers of wireless property as defined in subparagraph (e.1)(1)(B) of this Code section with an aggregate fair market value in excess of \$750,000.00 as shown on the taxpayer's annual notice of current assessment under Code Section 48-5-306, pursuant to subsection (e.1) of this Code section.

(A.1) The commissioner shall establish by rule and regulation a uniform appeal form that the taxpayer may use. Such uniform appeal form shall require the initial assertion of a valuation of the property by the taxpayer.

(B) In addition to the grounds enumerated in subparagraph (A) of this paragraph, any taxpayer having property that is located within a municipality, the boundaries of which municipality extend into more than one county, may also appeal from an assessment on such property by the county board of tax assessors to the county board of equalization, to a hearing officer, or to arbitration as to matters of uniformity of assessment of such property with other properties located within such municipality, and any uniformity adjustments to the assessment that may result from such appeal shall only apply for municipal ad valorem tax purposes.

(B.1) The taxpayer or his or her agent or representative may submit in support of his or her appeal an appraisal given, signed, and certified as such by a real property appraiser as classified by the Georgia Real Estate Commission and the Georgia Real Estate Appraisers Board which was performed not later than nine months prior to the date of assessment. The board of tax assessors shall consider the appraisal upon request. Within 45 days of the receipt of the taxpayer's appraisal, the board of tax assessors shall notify the taxpayer or his or her agent or representative of acceptance of the appraisal or shall notify the taxpayer or his or her agent or representative of the reasons for rejection.

(B.2) The taxpayer or his or her agent or representative may submit in support of his or her appeal the most current report of the sales ratio study for the county conducted pursuant to Code Section 48-5-274. The board of tax assessors shall consider such sales ratio study upon request of the taxpayer or his or her agent or representative.

(B.3) Any assertion of value by the taxpayer on the uniform appeal form made to the board of tax assessors shall be subject to later amendment or revision by the taxpayer by submission of written evidence to the board of tax assessors.

(B.4) If more than one property of a taxpayer is under appeal, the board of equalization, arbitrator, or hearing officer, as the case may be, shall, upon request of the taxpayer, consolidate all such appeals in one hearing and shall announce separate decisions as to each parcel or item of property. Any appeal from such a consolidated hearing to the superior court as provided in subsection (g) of this Code section shall constitute a single civil action and, unless the taxpayer specifically so indicates in the taxpayer's notice of appeal, shall apply to all such parcels or items of property.

(B.5) Within ten days of a final determination of value under this Code section and the expiration of the 30 day appeal period provided by subsection (g) of this Code section, or, as otherwise provided by law, with no further option to appeal, the county board of tax assessors shall forward such final determination of value to the tax commissioner.

(C) Appeals to the county board of equalization shall be conducted in the manner provided in paragraph (2) of this subsection. Appeals to a hearing officer shall be conducted in the manner specified in subsection (e.1) of this Code section. Appeals to an arbitrator shall be conducted in the manner specified in subsection (f) of this Code section. Such appeal proceedings shall be conducted between the hours of 8:00 A.M. and 7:00 P.M. on a business day. Following the notification of the taxpayer of the date and time of such taxpayer's scheduled hearing, the taxpayer shall be authorized to exercise a one-time option of changing the date and time of the taxpayer's scheduled hearing to a day and time acceptable to the taxpayer and the county board of tax assessors. The appeal administrator shall grant additional extensions to the taxpayer or the county board of tax assessors for good cause shown, or by agreement of the parties.

(D) The commissioner, by regulation, shall adopt uniform procedures and standards which shall be followed by county boards of equalization, hearing officers, and arbitrators in determining appeals. Such rules shall be updated and revised periodically and reviewed no less frequently than every five years. The commissioner shall publish and update annually a manual for use by county boards of equalization, arbitrators, and hearing officers.

(2)(A) *Appeal to board of equalization.* An appeal shall be effected by e-mailing, if the county board of tax assessors has adopted a written policy consenting to electronic service, by mailing to, or by filing with the county board of tax assessors a notice of appeal within 45 days from the date of mailing the notice pursuant to Code Section 48-5-306. A written objection to an assessment of real property received by a county board of tax assessors stating the location of the real property and the identification number, if any, contained in the tax notice shall be deemed a notice of appeal by the taxpayer under the grounds listed in paragraph (1) of this subsection. A written objection to an assessment of personal property received by a county board of tax assessors giving the account number, if any, contained in the tax notice and stating that the objection is to an assessment of personal property shall be deemed a notice of appeal by the taxpayer under the grounds listed in paragraph (1) of this subsection. The county board of tax assessors shall review the valuation or denial in question, and, if any changes or corrections are made in the valuation or decision in question, the board shall send a notice of the changes or corrections to the taxpayer pursuant to Code Section 48-5-306. Such notice shall also explain the taxpayer's right to appeal to the county board of equalization as provided

in subparagraph (C) of this paragraph if the taxpayer is dissatisfied with the changes or corrections made by the county board of tax assessors.

(B) If no changes or corrections are made in the valuation or decision, the county board of tax assessors shall send written notice thereof to the taxpayer, to any authorized agent or representative of the taxpayer who the taxpayer has requested that such notice be sent, and to the county board of equalization which notice shall also constitute the taxpayer's appeal to the county board of equalization without the necessity of the taxpayer's filing any additional notice of appeal to the county board of tax assessors or to the county board of equalization. The county board of tax assessors shall also send or deliver all necessary papers to the county board of equalization. If, however, the taxpayer and the county board of tax assessors execute a signed agreement as to valuation, the appeal shall terminate as of the date of such signed agreement.

(C) If changes or corrections are made by the county board of tax assessors, the board shall notify the taxpayer in writing of such changes. The commissioner shall develop and make available to county boards of tax assessors a suitable form which shall be used in such notification to the taxpayer. The notice shall be sent by regular mail properly addressed to the address or addresses the taxpayer provided to the county board of tax assessors and to any authorized agent or representative of the taxpayer who the taxpayer has requested that such notice be sent. If the taxpayer is dissatisfied with such changes or corrections, the taxpayer shall, within 30 days of the date of mailing of the change notice, notify the county board of tax assessors to continue the taxpayer's appeal to the county board of equalization by e-mailing, if the county board of tax assessors has adopted a written policy consenting to electronic service, or by mailing to or filing with the county board of tax assessors a written notice of continuance. The county board of tax assessors shall send or deliver the notice of appeal and all necessary papers to the county board of equalization.

(D) The written notice to the taxpayer required by this paragraph shall contain a statement of the grounds for rejection of any position the taxpayer has asserted with regard to the valuation of the property. No addition to or amendment of such grounds as to such position shall be permitted before the county board of equalization.

(3)(A) In each year, the county board of tax assessors shall review the appeal and notify the taxpayer of any corrections or changes within 180 days after receipt of the taxpayer's notice of appeal. If the county board of tax assessors fails to respond to the taxpayer within such 180 day period, the property valuation asserted by the taxpayer on the property tax return or the taxpayer's notice of appeal shall become the assessed fair market value for the taxpayer's property for the tax year under appeal. If no such assertion of value was submitted by the taxpayer, the appeal shall be forwarded to the county board of equalization.

(B) In any county in which the number of appeals exceeds a number equal to or greater than 3 percent of the total number of parcels in the county or the sum of the current assessed value of the parcels under appeal is equal to or greater than 3 percent of the gross tax digest of the county, the county board of tax assessors shall be granted an additional 180 day period to make its determination and notify the taxpayer. The county board of tax assessors shall notify each affected taxpayer of the additional 180 day review period provided in this subparagraph by mail or electronic communication, including posting notice on the website of the county board of tax assessors if such a website is available. Such additional period shall commence immediately following the last day of the 180 days provided for under subparagraph (A) of this paragraph. If the county board of tax assessors fails to review the appeal and notify the taxpayer of any corrections or changes not later than the last day of such additional 180 day period, the most

recent property tax valuation asserted by the taxpayer on the property tax return or on appeal shall prevail and shall be deemed the value established on such appeal unless a time extension is granted under subparagraph (C) of this paragraph. If no such assertion of value was submitted by the taxpayer, the appeal shall be forwarded to the county board of equalization.

(C) Upon a sufficient showing of good cause by reason of unforeseen circumstances proven to the commissioner prior to the expiration of the additional 180 day period provided for under subparagraph (B) of this paragraph, the commissioner shall be authorized to provide for a time extension beyond the end of such additional 180 day period. The duration of any such time extension shall be specified in writing by the commissioner and shall also be posted on the website of the county board of tax assessors if such a website is available. If the county board of tax assessors fails to make its review and notify the taxpayer and the taxpayer's attorney not later than the last day of such time extension, the most recent property tax valuation asserted by the taxpayer on the property tax return or on the taxpayer's notice of appeal shall prevail and shall be deemed the value established on such appeal. If no such assertion of value was submitted by the taxpayer, the appeal shall be forwarded to the county board of equalization. In addition, the commissioner shall be authorized to require additional training or require such other remediation as the commissioner may deem appropriate for failure to meet the deadline imposed by the commissioner under this subparagraph.

(4) The determination by the county board of tax assessors of questions of factual characteristics of the property under appeal, as opposed to questions of value, shall be prima-facie correct in any appeal to the county board of equalization. However, the board of tax assessors shall have the burden of proving its opinions of value and the validity of its proposed assessment by a preponderance of evidence.

(5) The county board of equalization shall determine all questions presented to it on the basis of the best information available to the board.

(6)(A) Within 15 days of the receipt of the notice of appeal, the county board of equalization shall set a date for a hearing on the questions presented and shall so notify the taxpayer and the county board of tax assessors in writing. Such notice shall be sent by first-class mail to the taxpayer and to any authorized agent or representative of the taxpayer who the taxpayer has requested that such notice be sent. Such notice shall be transmitted by e-mail to the county board of tax assessors if such board has adopted a written policy consenting to electronic service, and, if it has not, then such notice shall be sent to such board by first-class mail or intergovernmental mail. Such written notice shall advise each party that he or she may request a list of witnesses, documents, or other written evidence to be presented at the hearing by the other party, which shall be provided to the requesting party not less than seven days prior to the time of the hearing. Any failure to comply with this requirement shall be grounds for an automatic continuance or for exclusion of such witness, documents, or other written evidence. A taxpayer may appear before the board of equalization concerning any appeal in person, by his or her authorized agent or representative, or both. The taxpayer shall specify in writing to the board of equalization the name of any such agent or representative prior to any appearance by the agent or representative before the board.

(B) Within 30 days of the date of notification to the taxpayer of the hearing required in this paragraph but not earlier than 20 days from the date of such notification to the taxpayer, the county board of equalization shall hold such hearing to determine the questions presented.

(C) If more than one property of a taxpayer is under appeal, the board of equalization shall, upon request of the taxpayer, consolidate all such appeals in one hearing and announce separate decisions as to each parcel or item of property. Any appeal from such a consolidated board of equalization hearing to the superior court as provided in this subsection shall constitute a single civil action, and, unless the taxpayer specifically so indicates in his or her notice of appeal, shall apply to all such parcels or items of property.

(D)(i) The board of equalization shall announce its decision on each appeal at the conclusion of the hearing held in accordance with subparagraph (B) of this paragraph before proceeding with another hearing. The decision of the county board of equalization shall be in writing, shall be signed by each member of the board, shall specifically decide each question presented by the appeal, shall specify the reason or reasons for each such decision as to the specific issues of taxability, uniformity of assessment, value, or denial of homestead exemptions depending upon the specific issue or issues raised by the taxpayer in the course of such taxpayer's appeal, shall state that with respect to the appeal no member of the board is disqualified from acting by virtue of subsection (j) of this Code section, and shall certify the date on which notice of the decision is given to the parties. Notice of the decision shall be delivered by hand to each party, with written receipt, or given to each party by sending a copy of the decision by registered or certified mail or statutory overnight delivery to the appellant and by filing the original copy of the decision with the county board of tax assessors. Each of the three members of the county board of equalization must be present and must participate in the deliberations on any appeal. A majority vote shall be required in any matter. All three members of the board shall sign the decision indicating their vote.

(ii) Except as otherwise provided in subparagraph (g)(4)(B) of this Code section, the county board of tax assessors shall use the valuation of the county board of equalization in compiling the tax digest for the county for the year in question and shall indicate such valuation as the previous year's value on the property tax notice of assessment of such taxpayer for the immediately following year rather than substituting the valuation which was changed by the county board of equalization.

(iii)(I) If the county's tax bills are issued before an appeal has been finally determined, the county board of tax assessors shall specify to the county tax commissioner the lesser of the valuation in the last year for which taxes were finally determined to be due on the property or 85 percent of the current year's value, unless the property in issue is homestead property and has been issued a building permit and structural improvements have occurred, or structural improvements have been made without a building permit, in which case, it shall specify 85 percent of the current year's valuation as set by the county board of tax assessors. Depending on the circumstances of the property, this amount shall be the basis for a temporary tax bill to be issued; provided, however, that a nonhomestead owner of a single property valued at \$2 million or more may elect to pay the temporary tax bill which specifies 85 percent of the current year's valuation; or, such owner may elect to pay the amount of the difference between the 85 percent tax bill based on the current year's valuation and the tax bill based on the valuation from the last year for which taxes were finally determined to be due on the property in conjunction with the amount of the tax bill based on valuation from the last year for which taxes were finally determined to be due on the property, to the tax commissioner's office. Only the amount which represents the difference between the tax bill based on the current year's valuation and the tax bill based on the valuation from the last year for which taxes were finally determined to be due will be held in an escrow account by the tax commissioner's office. Once the appeal is concluded, the escrowed funds shall be released by the tax commissioner's office to the prevailing party. The taxpayer may elect to pay the temporary tax bill in the amount of 100

percent of the current year's valuation if no substantial property improvement has occurred. The county tax commissioner shall have the authority to adjust such tax bill to reflect the 100 percent value as requested by the taxpayer. Such tax bill shall be accompanied by a notice to the taxpayer that the bill is a temporary tax bill pending the outcome of the appeal process. Such notice shall also indicate that upon resolution of the appeal, there may be additional taxes due or a refund issued.

(II) For the purposes of this Code section, any final value that causes a reduction in taxes and creates a refund that is owed to the taxpayer shall be paid by the tax commissioner to the taxpayer, entity, or transferee who paid the taxes with interest, as provided in subsection (m) of this Code section.

(III) For the purposes of this Code section, any final value that causes an increase in taxes and creates an additional billing shall be paid to the tax commissioner as any other tax due along with interest, as provided in subsection (m) of this Code section.

(7) The appeal administrator shall furnish the county board of equalization necessary facilities and administrative help. The appeal administrator shall see that the records and information of the county board of tax assessors are transmitted to the county board of equalization. The county board of equalization shall consider in the performance of its duties the information furnished by the county board of tax assessors and the taxpayer.

(8) If at any time during the appeal process to the county board of equalization and after certification by the county board of tax assessors to the county board of equalization, the county board of tax assessors and the taxpayer mutually agree in writing on the fair market value, then the county board of tax assessors, or the county board of equalization, as the case may be, shall enter the agreed amount in all appropriate records as the fair market value of the property under appeal, and the appeal shall be concluded. The provisions in subsection (c) of Code Section 48-5-299 shall apply to the valuation unless otherwise waived by both parties.

(9) Notwithstanding any other provision of law to the contrary, on any real property tax appeal made under this Code section on and after January 1, 2016, the assessed value being appealed may be lowered by the deciding body based upon the evidence presented but cannot be increased from the amount assessed by the county board of tax assessors. This subsection shall not apply to any appeal where the taxpayer files an appeal during a time when subsection (c) of Code Section 48-5-299 is in effect for the assessment being appealed.

(e.1) Appeals to hearing officer.

(1)(A) For any dispute involving the value or uniformity of a parcel of nonhomestead real property with a fair market value in excess of \$750,000.00 as shown on the taxpayer's annual notice of current assessment under Code Section 48-5-306, at the option of the taxpayer, an appeal may be submitted to a hearing officer in accordance with this subsection. If such taxpayer owns nonhomestead real property contiguous to such qualified nonhomestead real property, at the option of the taxpayer, such contiguous property may be consolidated with the qualified property for purposes of the hearing under this subsection.

(B)(i) As used in this subparagraph, the term "wireless property" means tangible personal property or equipment used directly for the provision of wireless services by a provider of wireless services which is attached to or is located underneath a wireless cell tower or at a

network data center location but which is not permanently affixed to such tower or data center so as to constitute a fixture.

(ii) For any dispute involving the values or uniformity of one or more account numbers of wireless property as defined in this subparagraph with an aggregate fair market value in excess of \$750,000.00 as shown on the taxpayer's annual notice of current assessment under Code Section 48-5-306, at the option of the taxpayer, an appeal may be submitted to a hearing officer in accordance with this subsection.

(2) Individuals desiring to serve as hearing officers and who are either state certified general real property appraisers or state certified residential real property appraisers as classified by the Georgia Real Estate Commission and the Georgia Real Estate Appraisers Board for real property appeals or are designated appraisers by a nationally recognized appraiser's organization for wireless property appeals shall complete and submit an application, a list of counties the hearing officer is willing to serve, disqualification questionnaire, and resume and be approved by the Georgia Real Estate Commission and the Georgia Real Estate Appraisers Board to serve as a hearing officer. Such board shall annually publish a list of qualified and approved hearing officers for Georgia.

(3) The appeal administrator shall furnish any hearing officer so selected the necessary facilities.

(4) An appeal shall be effected by e-mailing, if the county board of tax assessors has adopted a written policy consenting to electronic service, or by filing with the county board of tax assessors a notice of appeal to a hearing officer within 45 days from the date of mailing the notice of assessment pursuant to Code Section 48-5-306. A written objection to an assessment of real property or wireless property received by a county board of tax assessors stating the taxpayer's election to appeal to a hearing officer and showing the location of the real property or wireless property contained in the assessment notice shall be deemed a notice of appeal by the taxpayer.

(5) The county board of tax assessors may for no more than 90 days review the taxpayer's written appeal, and if changes or corrections are made by the county board of tax assessors, the board shall notify the taxpayer in writing of such changes. Within 30 days of the county board of tax assessors' mailing of such notice, the taxpayer may notify the county board of tax assessors in writing that the changes or corrections made by the county board of tax assessors are not acceptable, in which case, the county board of tax assessors shall, within 30 days of the date of mailing of such taxpayer's notification, send or deliver all necessary papers to the appeal administrator and mail a copy to the taxpayer or, alternatively, forward the appeal to the board of equalization if so elected by the taxpayer and such election is included in the taxpayer's notification that the changes are not acceptable. If, after review, the county board of tax assessors determines that no changes or corrections are warranted, the county board of tax assessors shall notify the taxpayer of such decision. The taxpayer may elect to forward the appeal to the board of equalization by notifying the county board of tax assessors within 30 days of the mailing of the county board of tax assessor's notice of no changes or corrections. Upon the expiration of 30 days following the mailing of the county board of tax assessors' notice of no changes or corrections, the county board of tax assessors shall certify the notice of appeal and send or deliver all necessary papers to the appeal administrator for the appeal to the hearing officer, or board of equalization if elected by the taxpayer, and mail a copy to the taxpayer.

(6)(A) The appeal administrator shall randomly select from such list a hearing officer who shall have experience or expertise in hearing or appraising the type of property that is the subject of

appeal to hear the appeal, unless the taxpayer and the county board of tax assessors mutually agree upon a hearing officer from such list. The appeal administrator shall notify the taxpayer and the taxpayer's attorney in compliance with subsection (o) of this Code section of the name of the hearing officer and transmit a copy of the hearing officer's disqualification questionnaire and resume provided for under paragraph (2) of this subsection. The hearing officer, in conjunction with all parties to the appeal, shall set a time and place to hear evidence and testimony from both parties. The hearing shall take place in the county where the property is located, or such other place as mutually agreed to by the parties and the hearing officer. The hearing officer shall provide electronic or written notice to the parties personally or by registered or certified mail or statutory overnight delivery not less than ten days before the hearing. Such written notice shall advise each party that documents or other written evidence to be presented at the hearing by a party must be provided to the other party not less than seven days prior to the time of the hearing and that any failure to comply with this requirement shall be grounds for an automatic continuance or for exclusion of such documents or other written evidence.

(B) If the appeal administrator, after a diligent search, cannot find a qualified hearing officer who is willing to serve, the appeal administrator shall transfer the certification of the appeal to the county or regional board of equalization and notify the taxpayer and the taxpayer's attorney in compliance with subsection (o) of this Code section and the county board of tax assessors of the transmittal of such appeal.

(7) The hearing officer shall swear in all witnesses, perform the powers, duties, and authority of a county or regional board of equalization, and determine the fair market value of the real property or wireless property based upon the testimony and evidence presented during the hearing. Any issues other than fair market value and uniformity raised in the appeal shall be preserved for appeal to the superior court. The board of tax assessors shall have the burden of proving its opinion of value and the validity of its proposed assessment by a preponderance of evidence. At the conclusion of the hearing, the hearing officer shall notify both parties of the decision verbally and shall either send both parties the decision in writing or deliver the decision by hand to each party, with written receipt.

(8) The taxpayer or the board of tax assessors may appeal the decision of the hearing officer to the superior court as provided in subsection (g) of this Code section.

(9) If, at any time during the appeal under this subsection, the taxpayer and the county board of tax assessors execute a signed written agreement on the fair market value and any other issues raised: the appeal shall terminate as of the date of such signed agreement; the fair market value as set forth in such agreement shall become final; and subsection (c) of Code Section 48-5-299 shall apply.

(9.1) The provisions contained in this subsection may be waived at any time by written consent of the taxpayer and the county board of tax assessors.

(10) Each hearing officer shall be compensated by the county for time expended in considering appeals. The compensation shall be paid at a rate of not less than \$75.00 per hour for the first hour and not less than \$25.00 per hour for each hour thereafter as determined by the county governing authority or as may be agreed upon by the parties with the consent of the county governing authority. Compensation pursuant to this paragraph shall be paid from the county treasury upon certification by the hearing officer of the hours expended in hearing of appeals. The attendance at any training required by the commissioner shall be part of the qualifications of the hearing officer, and any nominal cost of such training shall be paid by the hearing officer.

(11) The commissioner shall promulgate rules and regulations for the proper administration of this subsection, including, but not limited to, qualifications; training, including an eight-hour course on Georgia property law, Georgia evidence law, preponderance of evidence, burden of proof, credibility of the witnesses, and weight of evidence; disqualification questionnaire; selection; removal; an annual continuing education requirement of at least four hours of instruction in recent legislation, current case law, and updates on appraisal and equalization procedures, as prepared and required by the commissioner; and any other matters necessary to the proper administration of this subsection. The failure of any hearing officer to fulfill the requirements of this paragraph shall render such officer ineligible to serve. Such rules and regulations shall also include a uniform appeal form which shall require the initial assertion of a valuation of the property by the taxpayer. Any such assertion of value shall be subject to later revision by the taxpayer based upon written evidence. The commissioner shall seek input from all interested parties prior to such promulgation.

(12) If the county's tax bills are issued before the hearing officer has rendered his or her decision on property which is on appeal, a temporary tax bill shall be issued in the same manner as otherwise required under division (e)(6)(D)(iii) of this Code section.

(13) Upon determination of the final value, the temporary tax bill shall be adjusted as required under division (e)(6)(D)(iii) of this Code section.

(f) *Nonbinding arbitration.*

(1) As used in this subsection, the term "certified appraisal" means an appraisal or appraisal report given, signed, and certified as such by a real property appraiser as classified by the Georgia Real Estate Commission and the Georgia Real Estate Appraisers Board.

(2) At the option of the taxpayer, an appeal shall be submitted to nonbinding arbitration in accordance with this subsection.

(3) (A) Following an election by the taxpayer to use the arbitration provisions of this subsection, an arbitration appeal shall be effected by the taxpayer by e-mailing, if the county board of tax assessors has adopted a written policy consenting to electronic service, or by filing a written notice of arbitration appeal with the county board of tax assessors. The notice of arbitration appeal shall specifically state the grounds for arbitration. The notice shall be filed within 45 days from the date of mailing the notice pursuant to Code Section 48-5-306. Within ten days of receipt of a taxpayer's notice of arbitration appeal, the board of tax assessors shall send to the taxpayer an acknowledgment of receipt of the appeal and a notice that the taxpayer shall, within 45 days of the date of transmittal of the acknowledgment of receipt of the appeal, provide to the county board of tax assessors for consideration a copy of a certified appraisal. Failure of the taxpayer to provide such certified appraisal within such 45 days shall terminate the appeal unless the taxpayer within such 45 day period elects to have the appeal immediately forwarded to the board of equalization. Prior to appointment of the arbitrator and within 45 days of the acknowledgment of the receipt of the appeal, the taxpayer shall provide a copy of the certified appraisal as specified in this paragraph to the county board of tax assessors for consideration. Within 45 days of receiving the taxpayer's certified appraisal, the county board of tax assessors shall either accept the taxpayer's appraisal, in which case that value shall become final, or the county board of tax assessors shall reject the taxpayer's appraisal by sending within ten days of the date of such rejection a written notification by certified mail of such rejection to the taxpayer and the taxpayer's attorney of record in compliance with subsection (o) of this Code section, in

which case the county board of tax assessors shall certify within 45 days the appeal to the appeal administrator of the county in which the property is located along with any other papers specified by the person seeking arbitration under this subsection, including, but not limited to, the staff information from the file used by the county board of tax assessors. In the event the taxpayer is not notified of a rejection of the taxpayer's appraisal within such ten-day period, the taxpayer's appraisal value shall become final. In the event that the county board of tax assessors neither accepts nor rejects the value set out in the certified appraisal within 45 days after the receipt of the certified appraisal, then the certified appraisal shall become the final value. All papers and information certified to the appeal administrator shall become a part of the record on arbitration. At the time of certification of the appeal, the county board of tax assessors shall serve the taxpayer and the taxpayer's attorney of record in compliance with subsection (o) of this Code section, if any, or employee with a copy of the certification along with any other papers specified by the person seeking arbitration along with the civil action file number assigned to the appeal, if any. Within 15 days of filing the certification to the appeal administrator, the presiding or chief judge of the superior court of the circuit in which the property is located shall issue an order authorizing the arbitration.

(B) At any point, the county board of tax assessors and the taxpayer may execute a signed, written agreement establishing the fair market value without entering into or completing the arbitration process. The fair market value as set forth in such agreement shall become the final value.

(C) The arbitration shall be conducted pursuant to the following procedure:

(i) The county board of tax assessors shall, at the time the appeal is certified to the appeal administrator under subparagraph (A) of this paragraph, provide to the taxpayer a notice of a meeting time and place to decide upon an arbitrator, to occur within 60 days after the date of sending the rejection of the taxpayer's certified appraisal. Following the notification of the taxpayer of the date and time of the meeting, the taxpayer shall be authorized to exercise a one-time option of changing the date and time of the meeting to a date and time acceptable to the taxpayer and the county board of tax assessors. If the parties agree, the matter shall be submitted to a single arbitrator chosen by the parties. If the parties cannot agree on the single arbitrator, the arbitrator may be chosen by the presiding or chief judge of the superior court of the circuit in which the property is located within 30 days after the filing of a petition by either party;

(ii) In order to be qualified to serve as an arbitrator, a person shall be classified as a state certified general real property appraiser or state certified residential real property appraiser pursuant to the rules and regulations of the Georgia Real Estate Commission and the Georgia Real Estate Appraisers Board and shall have experience or expertise in appraising the type of property that is the subject of the arbitration;

(iii) The arbitrator, within 30 days after his or her appointment, shall set a time and place to hear evidence and testimony from both parties. The arbitrator shall provide written notice to the parties personally or by registered or certified mail or statutory overnight delivery not less than ten days before the hearing. Such written notice shall advise each party that documents or other written evidence to be presented at the hearing by a party must be provided to the other party not less than seven days prior to the time of the hearing and that any failure to comply with this requirement, unless waived by mutual written agreement of such parties, shall be grounds for a continuance or for exclusion of such documents or other written evidence. The arbitrator, in consultation with the parties, may adjourn or postpone the hearing. Following notification of the

taxpayer of the date and time of the hearing, the taxpayer shall be authorized to exercise a one-time option of changing the date and time of the hearing to a date and time acceptable to the taxpayer and the county board of tax assessors. The presiding or chief judge of the superior court of the circuit in which the property is located may direct the arbitrator to proceed promptly with the hearing and the determination of the appeal upon application of any party. The hearing shall occur in the county in which the property is located or such other place as may be agreed upon in writing by the parties;

(iv) At the hearing, the parties shall be entitled to be heard, to present documents, testimony, and other matters, and to cross-examine witnesses. The arbitrator may hear and determine the controversy upon the documents, testimony, and other matters produced notwithstanding the failure of a party duly notified to appear;

(v) The arbitrator shall maintain a record of all pleadings, documents, testimony, and other matters introduced at the hearing. The arbitrator or any party to the proceeding may have the proceedings transcribed by a court reporter;

(vi) The provisions of this paragraph may be waived at any time by written consent of the taxpayer and the board of tax assessors;

(vii) At the conclusion of the hearing, the arbitrator shall render a decision regarding the fair market value of the property subject to nonbinding arbitration;

(viii) In order to determine the fair market value, the arbitrator may consider the final value for the property submitted by the county board of tax assessors at the hearing and the final value submitted by the taxpayer at the hearing. The taxpayer shall be responsible for the cost of any appraisal by the taxpayer's appraiser;

(ix) The arbitrator shall consider the final value submitted by the county board of tax assessors, the final value submitted by the taxpayer, and evidence supporting the values submitted by the county board of tax assessors and the taxpayer. The arbitrator shall determine the fair market value of the property under appeal. The arbitrator shall notify both parties of the decision verbally and shall either send both parties the decision in writing or deliver the decision by hand to each party, with written receipt;

(x) If the taxpayer's value is closest to the fair market value determined by the arbitrator, the county shall be responsible for the fees and costs of such arbitrator. If the value of the board of tax assessors is closest to the fair market value determined by the arbitrator, the taxpayer shall be responsible for the fees and costs of such arbitrator; and

(xi) The board of tax assessors shall have the burden of proving its opinion of value and the validity of its proposed assessment by a preponderance of evidence.

(4) If the county's tax bills are issued before an arbitrator has rendered his or her decision on property which is on appeal, a temporary tax bill shall be issued in the same manner as otherwise required under division (e)(6)(D)(iii) of this Code section.

(5) Upon determination of the final value, the temporary tax bill shall be adjusted as required under division (e)(6)(D)(iii) of this Code section.

(g) Appeals to the superior court.

(1) The taxpayer or the county board of tax assessors may appeal decisions of the county board of equalization, hearing officer, or arbitrator, as applicable, to the superior court of the county in which the property lies. By mutual written agreement, the taxpayer and the county board of tax assessors may waive an appeal to the county board of equalization and initiate an appeal under this subsection. A county board of tax assessors shall not appeal a decision of the county board of equalization, arbitrator, or hearing officer, as applicable, changing an assessment by 20 percent or less unless the board of tax assessors gives the county governing authority a written notice of its intention to appeal, and, within ten days of receipt of the notice, the county governing authority by majority vote does not prohibit the appeal. In the case of a joint city-county board of tax assessors, such notice shall be given to the city and county governing authorities, either of which may prohibit the appeal by majority vote within the allowed period of time.

(2) An appeal by the taxpayer as provided in paragraph (1) of this subsection shall be effected by e-mailing, if the county board of tax assessors has adopted a written policy consenting to electronic service, or by mailing to or filing with the county board of tax assessors a written notice of appeal. An appeal by the county board of tax assessors shall be effected by giving notice to the taxpayer. The notice to the taxpayer shall be dated and shall contain the name and the last known address of the taxpayer. The notice of appeal shall specifically state the grounds for appeal. The notice shall be mailed or filed within 30 days from the date on which the decision of the county board of equalization, hearing officer, or arbitrator is delivered pursuant to subparagraph (e)(6)(D), paragraph (7) of subsection (e.1), or division (f)(3)(C)(ix) of this Code section. Within 45 days of receipt of a taxpayer's notice of appeal and before certification of the appeal to the superior court, the county board of tax assessors shall send to the taxpayer notice that a settlement conference, in which the county board of tax assessors and the taxpayer shall confer in good faith, will be held at a specified date and time which shall be no later than 30 days from the notice of the settlement conference, and notice of the amount of the filing fee, if any, required by the clerk of the superior court. The taxpayer may exercise a one-time option to reschedule the settlement conference to a different date and time acceptable to the taxpayer, but in no event later than 30 days from the date of the notice. If at the end of the 45 day review period the county board of tax assessors elects not to hold a settlement conference, then the appeal shall terminate and the taxpayer's stated value shall be entered in the records of the board of tax assessors as the fair market value for the year under appeal and the provisions of subsection (c) of Code Section 48-5-299 shall apply to such value. If the taxpayer chooses not to participate in the settlement conference, he or she may not seek and shall not be awarded fees and costs at such time when the appeal is settled in superior court. If at the conclusion of the settlement conference the parties reach an agreement, the settlement value shall be entered in the records of the county board of tax assessors as the fair market value for the tax year under appeal and the provisions of subsection (c) of Code Section 48-5-299 shall apply to such value. If at the conclusion of the settlement conference the parties cannot agree on a fair market value, then written notice shall be provided to the taxpayer that the filing fees must be paid by the taxpayer to the clerk of the superior court within ten days of the date of the conference, with a copy of the check delivered to the county board of tax assessors. Notwithstanding any other provision of law to the contrary, the amount of the filing fee for an appeal under this subsection shall be \$25.00. An appeal under this subsection shall not be subject to any other fees or additional costs otherwise required under any provision of Title 15 or under any other provision of law. Immediately following payment of such \$25.00 filing fee by the taxpayer to the clerk of the superior court, the clerk shall remit the proceeds thereof to the governing authority of the county which shall deposit the proceeds into the general fund of the

county. Within 30 days of receipt of proof of payment to the clerk of the superior court, the county board of tax assessors shall certify to the clerk of the superior court the notice of appeal and any other papers specified by the person appealing including, but not limited to, the staff information from the file used by the county board of tax assessors, the county board of equalization, the hearing officer, or the arbitrator. All papers and information certified to the clerk shall become a part of the record on appeal to the superior court. At the time of certification of the appeal, the county board of tax assessors shall serve the taxpayer and his or her attorney of record, if any, with a copy of the notice of appeal and with the civil action file number assigned to the appeal. Such service shall be effected in accordance with subsection (b) of Code Section 9-11-5. No discovery, motions, or other pleadings may be filed by the county board of tax assessors in the appeal until such service has been made.

(3) The appeal shall constitute a de novo action. The board of tax assessors shall have the burden of proving its opinions of value and the validity of its proposed assessment by a preponderance of evidence. Upon a failure of the board of tax assessors to meet such burden of proof, the court may, upon motion or sua sponte, authorize the finding that the value asserted by the board of tax assessors is unreasonable and authorize the determination of the final value of the property.

(4)(A) The appeal shall be placed on the court's next available jury or bench trial calendar, at the taxpayer's election, following the filing of the appeal unless continued by the court. If only questions of law are presented in the appeal, the appeal shall be heard as soon as practicable before the court sitting without a jury. Each hearing before the court sitting without a jury at the taxpayer's election shall be held within 30 days following the date on which the appeal is filed with the clerk of the superior court.

(B)(i) The county board of tax assessors shall use the valuation of the county board of equalization, the hearing officer, or the arbitrator, as applicable, in compiling the tax digest for the county.

(ii)(I) If the final determination of value on appeal is less than the valuation thus used, the tax commissioner shall be authorized to adjust the taxpayer's tax bill to reflect the final value for the year in question.

(II) If the final determination of value on appeal causes a reduction in taxes and creates a refund that is owed to the taxpayer, it shall be paid by the tax commissioner to the taxpayer, entity, or transferee who paid the taxes with interest, as provided in subsection (m) of this Code section.

(III) If the final determination of value on appeal is 85 percent or less of the valuation set by the county board of equalization, hearing officer, or arbitrator as to any real property, the taxpayer, in addition to the interest provided for in subsection (m) of this Code section, shall recover costs of litigation and reasonable attorney's fees incurred in the action. Any appeal of an award of attorney's fees by the county shall be specifically approved by the governing authority of the county.

(iii) If the final determination of value on appeal is greater than the valuation set by the county board of equalization, hearing officer, or arbitrator, as applicable, causes an increase in taxes, and creates an additional billing, it shall be paid to the tax commissioner as any other tax due along with interest, as provided in subsection (m) of this Code section.

(g.1) The provisions in subsection (c) of Code Section 48-5-299 shall apply to the valuation, unless otherwise waived in writing by both parties, as to:

(1) The valuation established or announced by any county board of equalization, arbitrator, hearing officer, or superior court; and

(2) Any written agreement or settlement of valuation reached by the county board of tax assessors and the taxpayer as permitted by this Code section.

(h) Recording of interviews or hearings.

(1) In the course of any assessment, appeal, or arbitration, or any related proceeding, the taxpayer shall be entitled to:

(A) Have an interview with an officer or employee who is authorized to discuss tax assessments of the board of tax assessors relating to the valuation of the taxpayer's property subject to such assessment, appeal, arbitration, or related proceeding, and the taxpayer may record the interview at the taxpayer's expense and with equipment provided by the taxpayer, and no such officer or employee of the board of tax assessors may refuse to participate in an interview relating to such valuation for reason of the taxpayer's choice to record such interview; and

(B) Record, at the taxpayer's expense and with equipment provided by the taxpayer, all proceedings before the board of equalization or any hearing officer.

(2) The interview referenced in subparagraph (A) of paragraph (1) of this subsection shall be granted to the taxpayer within 30 calendar days from the postmark date of the taxpayer's written request for the interview, and the interview shall be conducted in the office of the board of assessors. The time and date for the interview, within such 30 calendar day period, shall be mutually agreed upon between the taxpayer and the taxing authority. The taxing authority may extend the time period for the interview an additional 30 days upon written notification to the taxpayer.

(3) The superior courts of this state shall have jurisdiction to enforce the provisions of this subsection directly and without the issue being first brought to any administrative procedure or hearing. The taxpayer shall be awarded damages in the amount of \$100.00 per occurrence where the taxpayer requested the interview, in compliance with this subsection, and the board of assessors failed to timely comply; and the taxpayer shall be entitled to recover reasonable attorney's fees and expenses of litigation incurred in any action brought to compel such interview.

(i) Alternate members of boards of equalization.

(1) Alternate members of the county board of equalization in the order in which selected shall serve:

(A) As members of the county board of equalization in the event there is a permanent vacancy on the board created by the death, ineligibility, removal from the county, or incapacitating illness of a member or by any other circumstances. An alternate member who fills a permanent vacancy shall be considered a member of the board for the remainder of the unexpired term; or

(B) In any appeal for which an alternate member is selected for service by the appeal

administrator.

(2) A hearing panel shall consist of no more than three members at any time, one of whom shall serve as the presiding member for the purpose of the hearing.

(j) Disqualification.

(1) No member of the county board of equalization and no hearing officer shall serve with respect to any appeal concerning which he or she would be subject to a challenge for cause if he or she were a member of a panel of jurors in a civil case involving the same subject matter.

(2) The parties to an appeal to the county board of equalization or to a hearing officer shall file in writing with the appeal, in the case of the person appealing, or, in the case of the county board of tax assessors, with the certificate transmitting the appeal, questions relating to the disqualification of members of the county board of equalization or hearing officer. Each question shall be phrased so that it can be answered by an affirmative or negative response. The members of the county board of equalization or hearing officer shall, in writing under oath within two days of their receipt of the appeal, answer the questions and any question which may be adopted pursuant to subparagraph (e)(1)(D) of this Code section. Answers of the county board of equalization or hearing officers shall be part of the decision of the board or hearing officer and shall be served on each party by first-class mail. Determination of disqualification shall be made by the judge of the superior court upon the request of any party when the request is made within two days of the response of the board or hearing officer to the questions. The time prescribed under subparagraph (e)(6)(A) of this Code section shall be tolled pending the determination by the judge of the superior court.

(k) Compensation of board of equalization members.

(1) Each member of the county board of equalization shall be compensated by the county per diem for time expended in considering appeals. The compensation shall be paid at a rate of not less than \$25.00 per day and shall be determined by the county governing authority. The attendance at required approved appraisal courses shall be part of the official duties of a member of the board, and he or she shall be paid for each day in attendance at such courses and shall be allowed reasonable expenses necessarily incurred in connection with such courses. Compensation pursuant to this paragraph shall be paid from the county treasury upon certification by the member of the days expended in consideration of appeals or attending approved appraisal courses.

(2) Each member of the county board of equalization who participates in online training provided by the department shall be compensated by the county at the rate of \$25.00 per day for each eight hours of completed training. A member shall certify under oath and file an affidavit with the appeal administrator stating the number of hours required to complete such training and the number of hours which were actually completed. The appeal administrator shall review the affidavit and, following approval thereof, shall notify the county governing authority. The Council of Superior Court Clerks of Georgia shall develop and make available an appropriate form for such purpose. Compensation pursuant to this paragraph shall be paid from the county treasury following approval of the appeal administrator of the affidavit filed under this paragraph.

(l) Military service.

In the event of the absence of an individual from such individual's residence because of duty in

the armed forces, the filing requirements set forth in paragraph (3) of subsection (f) of this Code section shall be tolled for a period of 90 days. During this period, any member of the immediate family of the individual, or a friend of the individual, may notify the tax receiver or the tax commissioner of the individual's absence due to military service and submit written notice of representation for the limited purpose of the appeal. Upon receipt of this notice, the tax receiver or the tax commissioner shall initiate the appeal.

(m) Interest.

(1) For the purposes of this Code section, any final value that causes a reduction in taxes and creates a refund that is owed to the taxpayer shall be paid by the tax commissioner to the taxpayer, entity, or transferee who paid the taxes within 60 days from the date of the final determination of value. Such refund shall include interest at the same rate specified in Code Section 48-2-35 which shall accrue from the due date of the taxable year in question or the date paid, whichever is later, through the date on which the final determination of value was made. In no event shall the amount of such interest exceed \$150.00 for homestead property or \$5,000.00 for nonhomestead property. Any refund paid after the sixtieth day shall accrue interest from the sixty-first day until paid with interest at the same rate specified in Code Section 48-2-35. The interest accrued after the sixtieth day and forward shall not be subject to the limits imposed by this subsection. The tax commissioner shall pay the tax refund and any interest for the refund from current collections in the same proportion for each of the levying authorities for whom the taxes were collected.

(2) For the purposes of this Code section, any final value that causes an increase in taxes and creates an additional billing shall be paid to the tax commissioner as any other tax due. After the tax bill notice has been mailed out, the taxpayer shall be afforded 60 days from the date of the postmark to make full payment of the adjusted bill. Once the 60 day payment period has expired, the bill shall be considered past due and interest shall accrue from the original billing due date as specified in Code Section 48-2-40 without limit until the bill is paid in full. Once past due, all other fees, penalties, and late and collection notices shall apply as prescribed in this chapter for the collection of delinquent taxes.

(n) Service of notice.

A notice of appeal to a board of tax assessors under subsection (e), (e.1), (f), or (g) of this Code section shall be deemed filed as of the date of the United States Postal Service postmark, receipt of delivery by statutory overnight delivery, or, if the board of tax assessors has adopted a written policy consenting to electronic service, by transmitting a copy to the board of tax assessors via e-mail in portable document format using all e-mail addresses provided by the board of tax assessors. Service by mail, statutory overnight delivery, or electronic transmittal is complete upon such service. Proof of service may be made within 45 days of receipt of the annual notice of current assessment under Code Section 48-5-306 to the taxpayer by certificate of the taxpayer, the taxpayer's attorney, or the taxpayer's employee by written admission or by affidavit. Failure to make proof of service shall not affect the validity of service.

(o) When a taxpayer authorizes an agent, representative, or attorney in writing to act on the taxpayer's behalf, and a copy of such written authorization is provided to the county board of tax assessors, all notices required to be provided to the taxpayer under this Code section, including those regarding hearing times, dates, certifications, notice of changes or corrections, or other official actions, shall be provided to the taxpayer and the authorized agent, representative, or attorney. Upon agreement by the county board of tax assessors and the taxpayer's agent,

representative, or attorney, notices required by this Code section to be sent to the taxpayer or the taxpayer's agent, representative, or attorney may be sent by e-mail. The failure to comply with this subsection with respect to a notice required under this Code section shall result in the tolling of any deadline imposed on the taxpayer under this Code section with respect to that notice.

48-5-314. Confidentiality of taxpayer records; exceptions; penalties.

(a) (1) All records of the county board of tax assessors which consist of materials other than the return obtained from or furnished by an ad valorem taxpayer shall be confidential and shall not be subject to inspection by any person other than authorized personnel of appropriate tax administrators. As an illustration of the foregoing, materials which are confidential shall include, but shall not be limited to, taxpayers' accounting records, profit and loss statements, income and expense statements, balance sheets, and depreciation schedules. Such information shall remain confidential when it is made part of an appeal file. Nothing in this Code section, however, shall prevent any disclosure necessary or proper to the collection of any tax in any administrative or court proceeding.

(2) Records which consist of materials containing information gathered by personnel of the county board of tax assessors, such as field cards, shall not be confidential and are subject to inspection at all times during office hours. The provisions of this paragraph shall not remove the confidentiality of materials such as are specified in paragraph (1) of this subsection.

(3) Failure of the county board of tax assessors to make available records which are not confidential as provided in paragraph (2) of this subsection shall be a misdemeanor.

(b) Any person who knowingly and willfully furnishes information which is confidential under this Code section to a person who is not authorized by law to receive such information shall upon conviction be subject to a civil penalty not to exceed \$1,000.00.

Examination of County Tax Digests

48-5-340. Purpose of article.

It is the purpose and intent of this article to establish a procedure for use by the commissioner to equalize county property tax digests between counties and within counties so as to require county boards of tax assessors to make adjustments in the valuation of property to ensure uniformity and equity. The commissioner shall continue to examine the digest and exercise his responsibility to bring about property valuations that are reasonably uniform and equalized throughout the state.

48-5-341. Definitions.

As used in this article, the term:

- (1) "Assessment bias" means any tendency or trend of assessment ratios, when analyzed by an appropriate statistical method, which reveals assessment progressivity or assessment regressivity.
- (2) "Assessment progressivity" means any systematic pattern of assessment in which higher value properties are generally assessed at a larger percentage of fair market value than properties of lower value.
- (3) "Assessment ratio" means the fractional relationship the assessed value of property bears to the fair market value of the property as determined in paragraph (8) of subsection (b) of Code Section 48-5-274.
- (4) "Assessment regressivity" means any systematic pattern of assessment in which lower value properties are generally assessed at a larger percentage of fair market value than properties of higher value.
- (5) "Assessment variance" means the absolute value of the difference between the assessment ratio for each parcel of property within each class of property and the average assessment ratio for that class and expressed as a percentage of the average assessment ratio.
- (6) "Class of property" means any reasonable divisions of homogeneous groups of property that the commissioner determines are necessary to examine digests for uniformity and equalization.
- (7) "Digest evaluation cycle" means a recurring period of three years beginning initially on January 1 of the first year, as so designated by the commissioner for each county, and ending on December 31 of the third year thereafter.
- (8) "Digest review year" means the first year of each evaluation cycle for each county.

48-5-342. Commissioner to examine digests.

(a) The commissioner shall carefully examine the tax digests of the counties filed in his office. Each digest for a county in a digest review year shall be examined for the purpose of determining if the valuations of property for taxation purposes are reasonably uniform and equalized between counties and within counties.

(b) For any digest in any digest review year where the digest for the preceding digest review year was conditionally approved by the commissioner, the commissioner shall also carefully examine the digest to determine if it satisfactorily corrects the deficiencies that resulted in the digest for the preceding digest review year being conditionally approved.

(c) For each year, including each year that is not a digest review year for the county, the commissioner shall utilize the overall assessment ratio for the county as provided by the state auditor.

(d) It shall be the further duty of the commissioner to examine the itemizations of exempt properties appearing on the digest and, if in the judgment of the commissioner any properties appearing on the digest are subject to taxation, to so advise the board of tax assessors of the counties concerned with an explanation of his reasons for believing the property is subject to taxation.

(e)(1) The commissioner may, upon his or her own initiative or upon complaint by a taxpayer, examine the itemizations of properties appearing on the digest, and if in the judgment of the commissioner any properties are illegally appearing on the digest and should not be subject to taxation under this chapter, the commissioner shall strike such items from the digest and return the digest to the county for removal of such items and resubmission to the commissioner. The commissioner shall provide by rule and regulation procedures by which the county board of tax assessors may appeal such finding to the commissioner. If appealed by the board of tax assessors, the commissioner shall, after reviewing such appeal, issue a final order and include a finding as to the taxability of the digest items in dispute and shall finalize the digest in accordance therewith.

(2) If a property has been found by the commissioner to not be subject to taxation under this chapter and again appears on the digest at any time within five years of the initial determination of nontaxability and is again determined to be nontaxable, the commissioner shall strike such item from the digest and return the digest to the county for removal of such item and resubmission to the commissioner. The commissioner shall notify the Department of Community Affairs in writing of his or her finding and, upon receipt of such notice, the qualified local government status of such county shall be revoked for a period of three years following the receipt of such notice by the Department of Community Affairs unless reinstated earlier pursuant to this subsection. Upon such revocation, the governing authority of such county, without regard to any limitation of Code Section 48-5-295, shall be specifically authorized to remove immediately every member of the board of tax assessors and reappoint new members who shall serve for the unexpired terms of the removed members. The county governing authority shall provide written notification of such removal and new appointment to the commissioner. Upon certification of the corrected digest, the commissioner shall notify in writing the Department of Community Affairs, and upon receipt thereof, the Department of Community Affairs shall immediately reinstate the qualified local government status of such county.

(3) If a property has been found by the commissioner to not be subject to taxation under this chapter and if such nontaxable property has appeared on a county digest in any year within the

preceding five-year period, then the taxpayer shall be entitled to file a petition directly with the Georgia Tax Tribunal for a refund of all such taxes illegally collected or taxes paid, interest equal to the bank prime loan rate as posted by the Board of Governors of the Federal Reserve System in statistical release H. 15 or any publication that may supersede it plus 3 percent calculated from the date of payment of such taxes, and attorney's fees in an amount of not less than 15 percent nor more than 40 percent of the total of the illegally charged taxes and accrued interest. Such petition shall name the board of tax assessors and the tax receiver or tax commissioner of the county as the respondent in their official capacities and shall be served upon such board and tax receiver or tax commissioner. Service shall be accomplished by certified mail or statutory overnight delivery. The petition shall include a summary statement of facts and law upon which the petitioner relies in seeking the requested relief. The respondents shall file a response to the petitioner's statement of facts and law which constitutes their answer with the tribunal no later than 30 days after the service of the petition. The respondents shall serve a copy of their response on the petitioner's representative or, if the petitioner is not represented, on the petitioner and shall file a certificate of service with such response. If in any case a response has not been filed within the time required by this paragraph, the case shall automatically become in default unless the time for filing the response has been extended by agreement of the parties, for a period not to exceed 30 days, or by the judge of the tribunal. The default may be opened as a matter of right by the filing of a response within 15 days of the day of the default and payment of costs. At any time before the final judgment, the judge of the tribunal, in his or her discretion, may allow the default to be opened for providential cause that prevented the filing of the response, for excusable neglect, or when the tribunal judge, from all the facts, determines that a proper case has been made for the default to be opened on terms to be fixed by the tribunal judge. The tribunal judge shall proceed to hear and decide the matter and may grant appropriate relief under the law and facts presented.

48-5-342.1. Digest evaluation cycles established; time for review of digest.

(a) The commissioner shall by regulation establish the digest evaluation cycles for each of the counties in this state giving weight to the number of taxable parcels in each county, the geographical location of each county, and each such county's compliance with the provisions of Code Section 48-5-343. The starting date of each county's digest evaluation cycle shall be staggered so that the digest review year of one-third of the counties shall occur each year.

(b) For those digests submitted by counties in their designated digest review year, the commissioner shall begin his or her review of the digest in accordance with Code Section 48-5-343 and shall, within 30 days after the date the state auditor furnishes to the commissioner the ratios established pursuant to paragraph (8) of subsection (b) of Code Section 48-5-274 or by August 1 of the next succeeding tax year, whichever comes later, approve or conditionally approve the digest.

48-5-343. Approval of digests.

(a) The commissioner shall, when a county is in its digest review year, approve the digest of any such county as being reasonably uniform and equalized if the digest meets the following criteria:

(1) The average assessment ratio for each class of property within the county shall be as close to the assessments provided for in Code Section 48-5-7 as is reasonably practicable;

(2) The average assessment variance for each class of property within the county shall not be excessive with respect to that which is reasonably practicable; and

(3) Within each class of property, assessment ratios of the properties shall not reveal any significant assessment bias.

(b) The commissioner shall by regulation establish the statistical standards to be used in determining whether or not digests are in accordance with the uniformity requirements contained in subsection (a) of this Code section. The commissioner shall utilize information developed by the state auditor under Code Section 48-5-274.

(c) If the assessed value of the portion of the digest that does not meet the uniformity requirements constitutes 10 percent or less of the assessed value of the total digest, the commissioner may approve the digest if, in his judgment, the approval will not substantially violate the concept of uniformity and equalization.

48-5-344. Conditional approval of digests.

(a) If the commissioner determines that in any one or more of the counties that is in a digest review year the taxable values of property are not reasonably uniform and equalized in accordance with the requirements of subsection (a) of Code Section 48-5-343, he shall conditionally approve the digest and notify the county board of tax assessors in writing of his action.

(b) The written notification shall contain:

(1) A list of specific reasons that resulted in the digest being conditionally approved;

(2) A list of the statistical standards used by the commissioner when examining the digest; and

(3) Any other information the commissioner believes would be of assistance to the county board of tax assessors in correcting the deficiencies that resulted in the digest being conditionally approved or in otherwise making the digest reasonably uniform and equalized.

48-5-345. Receipt for digest and order authorizing use; assessment if deviation from proper assessment ratio.

(a)(1) Upon the determination by the commissioner that a county tax digest is in proper form, that the property therein that is under appeal is within the limits of Code Section 48-5-304, and that the digest is accompanied by all documents, statistics, and certifications required by the commissioner, including the number, overall value and percentage of total real property parcels of appeals in each county to the boards of equalization, arbitration, hearing officer, and superior court, and the number of taxpayers' failure to appear at any hearing, for the prior tax year, the commissioner shall issue a receipt for the digest and enter an order authorizing the use of said digest for the collection of taxes. All statistics and certifications regarding real property appeals provided to the commissioner under this paragraph shall be made publicly available on the Department of Revenue website.

(2) Nothing in this subsection shall be construed to prevent the superior court from allowing the new digest to be used as the basis for the temporary collection of taxes under Code Section 48-5-310.

(b) Each year the commissioner shall determine if the overall assessment ratio for each county, as computed by the state auditor under paragraph (8) of subsection (b) of Code Section 48-5-274, deviates substantially from the proper assessment ratio as provided in Code Section 48-5-7, and if such deviation exists, the commissioner shall assess against the county governing authority additional state tax in an amount equal to the difference between the amount the state's levy of one-quarter of a mill would have produced if the digest had been at the proper assessment ratio and the amount the digest that is actually used for collection purposes will produce. The commissioner shall notify the county governing authority annually of the amount so assessed and this amount shall be due and payable not later than five days after all appeals have been exhausted or the time for appeal has expired or the final date for payment of taxes in the county, whichever comes latest, and shall bear interest at the rate specified in Code Section 48-2-40 from the due date.

(c) Beginning with tax digests on or after the effective date of this subsection, no county shall be subject to the assessment authorized by subparagraph (b) of this Code section.

48-5-346. Effect of conditionally approving next subsequent digest.

(a) (1) If a county tax digest for its preceding digest review year was conditionally approved and the commissioner conditionally approves the digest for the next subsequent digest review year for the same or substantially the same reasons, the commissioner shall order the payment of the specific penalty as provided in this Code section and the withholding from the county of the state grants specified in this paragraph. The Office of Treasury and Fiscal Services and any other state agency or officer shall upon such order's taking effect permanently withhold from the county any funds otherwise becoming payable during the withholding period specified in subsection (b) of this Code section to the county under:

(A) The road mileage grant program specified in Article 1 of Chapter 17 of Title 36;

(B) The county appraisal staff grant program specified in Code Section 48-5-267; and

(C) The public road grant program specified in Code Section 48-14-3.

(2) In addition to the withholding of state grant funds specified in this Code section, a specific penalty is levied which shall be \$5.00 per taxable parcel of real property located in the county as of January 1 of the year in which the penalty is levied and it shall be paid by the governing authority of the county to the commissioner.

(b) The withholding of the grants and moneys shall begin not later than five days after all appeals have been exhausted, or the time for appeal has expired, and shall continue until such time as the digest is satisfactorily corrected as to the deficiencies identified by the commissioner that resulted in the digest being initially conditionally approved. The levy of the specific penalty shall be made at the same time that the withholding of grants begins and it shall be paid to the commissioner within 60 days after the commissioner has notified the county of the amount of such penalty.

(c) The commissioner shall determine and publish annually a list of all available state grants which will be withheld in accordance with this Code section.

(d) If the digest for the preceding digest review year was conditionally approved and the commissioner conditionally approves the digest submitted in the next subsequent digest review

year for different reasons, the county shall not have any penalties assessed or state grants withheld as a result of such conditional approval.

48-5-348. Appeal from conditional approvals.

(a) The commissioner, through a hearing officer, shall hear and determine appeals by local governing authorities on issues relating to the conditional approval of the digest by the commissioner including, but not limited to, the issue of the adequacy of the time period allowed to correct the deficiencies that resulted in the digest being conditionally approved.

(b) The hearing officer may compel the attendance of witnesses and the production of books and records or other documents from the county board of tax assessors. The hearing officer may also compel the production of appropriate records from the commissioner.

(c) With respect to any digest conditional approval by the commissioner which will not result in the withholding of state funds and the levy of specific penalties, the county governing authority shall be authorized to appeal only on the issue of the correctness of the commissioner's determination that the digest does not meet the requirements of subsection (a) of Code Section 48-5-343. With respect to any digest conditional approval by the commissioner which will result in the withholding of state funds or the penalty specified in subsection (a) of Code Section 48-5-346, the county governing authority shall be authorized to appeal on the issues of:

(1) The correctness of the commissioner's determination that the digest does not meet the requirements of Code Section 48-5-343; and

(2) The adequacy of the time period which was available to the county to correct prior deficiencies in the digest, including any issue of the adequacy of the time period allowed under Code Section 48-5-345 and any extension of time granted pursuant to any prior appeal.

(d) With respect to any additional state tax assessed against the county by the commissioner pursuant to subsection (b) of Code Section 48-5-345, the county governing authority shall be authorized to appeal on the correctness of the commissioner's determination that such an assessment is due and the accuracy of the amount so assessed.

(e) With respect to any specific penalty levied against the county by the commissioner pursuant to paragraph (2) of subsection (a) of Code Section 48-5-346, the county governing authority shall be authorized to appeal on the correctness of the commissioner's determination that such a levy is due and the accuracy of the amount so levied.

(f) Hearing officers provided for in this Code section shall be appointed by the State Board of Equalization. A hearing officer shall be assigned to hear appeals only from counties located wholly or partially in the congressional district in which the hearing officer resides.

(g) Any appeals filed pursuant to this Code section may not challenge the correctness of the information provided to the commissioner by the state auditor pursuant to Code Section 48-5-274.

48-5-349.2. Procedure for appeal to department.

(a)(1) An appeal to the department shall be effected by a local governing authority by filing with the commissioner a notice of appeal within 30 days after receipt by the local board of tax

assessors of the commissioner's notification of digest conditional approval or disapproval. The notice of appeal shall be accompanied by whatever records, reports, or other relevant information is required by rule or order of the commissioner.

(2) Upon receipt of an appeal of a conditional approval order of the commissioner where the specific penalty and the withholding of state grants to the county provided by Code Section 48-5-346 shall otherwise be imposed, the commissioner shall be authorized to enter into an agreement with the county specifying a detailed plan in the form required by the commissioner to ensure that the deficiencies in the digest will be corrected on or before the time of submission of the digest for the next succeeding digest review year. As a part of such agreement the commissioner shall be authorized to defer the imposition of all or part of the specific penalty and the withholding of state grants. Such deferral shall be predicated upon the county's detailed plans of correction being followed and where such a deferral has been agreed to by the commissioner and the county, the amounts deferred shall be permanently waived by the commissioner provided the agreement is faithfully completed by the county. In the event, however, the county only partially completes the agreement with the commissioner, the commissioner may, at his option, still allow all or a reduced amount of the specific penalty or withholding of funds to be waived if, in his judgment, the county's deviation from the original agreement was not unreasonable under the circumstances.

(b) Within ten days of receipt of a notice of appeal, the hearing officer shall set the date for a hearing on the appeal. At the initial hearing the hearing officer may require additional hearings or filings of additional information by any person having custody of such information. In determining whether additional hearings are needed, the hearing officer shall consider the need for such hearings in the county making the appeal for the purpose of receiving information on local factors affecting the determination of property valuations in the county.

(c)(1) After hearing all testimony determined necessary and after reviewing all filings and information determined to be relevant and necessary, the hearing officer shall reach a decision. Each decision shall be rendered in writing.

(2) The decision shall:

(A) Specifically decide each issue presented on appeal; and

(B) Certify the date on which the notice of the decision is given.

(3) Each party to an appeal shall be furnished a copy of the decision within ten days after the issuance of the decision.

(d)(1) The hearing officer shall be authorized to hear and grant an appeal with respect to a determination by the commissioner that a digest does not meet the requirements of subsection (a) of Code Section 48-5-343. The hearing officer may not hear and grant an appeal with respect to the correctness of the information supplied to the commissioner by the state auditor pursuant to Code Section 48-5-274. The digest shall be deemed approved in any case where an appeal is granted under this paragraph.

(2) The hearing officer shall be authorized to hear and grant an appeal with respect to the adequacy of the time period which was available to the county to correct prior deficiencies in the digest. If an appeal is granted under this paragraph, the specific penalty and the withholding of

state grants to the county provided by Code Section 48-5-346 shall not be imposed during the digest evaluation cycle in which the digest review year being appealed lies.

(3) The hearing officer shall be authorized to hear and grant an appeal with respect to a determination of an additional amount due which is assessed by the commissioner pursuant to subsection (b) of Code Section 48-5-345 to the extent such appeal is not based on the correctness of the information supplied to the commissioner by the state auditor pursuant to Code Section 48-5-274. If an appeal is granted under this paragraph, the commissioner may be directed to withdraw the assessment of the additional state tax or recalculate it in accordance with the findings of the hearing officer.

(4) The hearing officer shall be authorized to hear and grant an appeal with respect to a determination of a specific penalty which is levied by the commissioner pursuant to paragraph (2) of subsection (a) of Code Section 48-5-346 to the extent such appeal is not based on the correctness of the information supplied to the commissioner by the state auditor pursuant to Code Section 48-5-274. If an appeal is granted under this paragraph, the commissioner may be directed to withdraw the levy of the specific penalty or recalculate it in accordance with the findings of the hearing officer.

48-5-349.3. Appeal to superior court.

The commissioner or the county governing authority dissatisfied with the decision of the hearing officer on any question of law may appeal to the superior court of the county dissatisfied with the decision. Any appeal to the superior court shall be taken, so far as is applicable, in the manner provided by law for appeals to the superior court from decisions of the commissioner.

48-5-349.4. Compliance with decision of appeals board or court as correction of deficiency.

Compliance by any local governing authority with the findings and decision of the hearing officer, or of the court of final review, with respect to any matter concerning the local tax digest shall be considered satisfactory correction of the deficiency involved for the purposes of Code Sections 48-5-345 and 48-5-346.

48-5-349.5. Annual report.

Not later than January 20, 1990, and not later than the twentieth day of January of each year thereafter, the commissioner shall submit to the Senate Finance Committee and to the Ways and Means Committee of the House of Representatives an annual report concerning the implementation of this article. Such report shall contain such statistics and other matter as may be pertinent in determining from year to year the progress of the counties of this state in achieving the purpose and intent of this article, a statement of any state funds withheld from counties pursuant to this article and of the relevant circumstances, and such other matter as may be deemed pertinent by the commissioner.

Municipal Taxation

48-5-352. Determination of fair market value for county and municipal ad valorem property taxation purposes; counties to furnish information relative to fair market value of property.

(a) The provisions of any municipal charter to the contrary notwithstanding, in determining the fair market value of property within their respective tax jurisdictions for purposes of ad valorem property taxation, municipalities shall use the fair market value finally determined for the property for county ad valorem property taxation purposes. Fair market value shall be finally determined for county ad valorem property taxation purposes when all means for administrative and judicial review of the fair market value have been exhausted or are no longer available.

(b) As soon as the fair market value of property within a county is finally determined, such information shall be furnished without charge by the county to the governing authority of each municipality lying wholly or partially within the county.

48-5-353. Basis for fair market value of property subject to both municipal and county ad valorem taxes.

Except as otherwise provided in Code Section 48-5-7, the board of tax assessors in each municipality which has such a board pursuant to the municipal charter shall use as the basis for fair market value of property subject to both municipal and county ad valorem taxation the 100 percent fair market value determined for the property for county ad valorem taxation purposes before being reduced to the 40 percent assessed value required by law for county ad valorem taxation purposes.

48-5-357. Frontage owned by state or subdivisions abutting streets or sidewalks treated as owned by individuals for purpose of assessment for improvements; designation of signers.

Whenever the owners of land abutting on any street or sidewalk petition to have the street or sidewalk improved and the state or any of its political subdivisions is the owner of property abutting on the street, the frontage owned by the state or political subdivision shall be counted as if owned by an individual and shall be treated as if owned by an individual for the purposes of assessment. When the state is the owner of the property, the Governor may sign the application for and in behalf of the state. When a county is the owner of the property, the county governing authority may sign in behalf of the county. When a municipality is the owner of the property, the mayor of the municipality where the property is located may sign in behalf of the municipality.

48-5-359.1. Contract with county tax commissioner to assess and collect municipal taxes and prepare tax digest.

(a) (1) (A) This paragraph shall apply to a county which has fewer than 50,000 tax parcels within such county.

(B) Any county and any municipality wholly or partially located within such county may contract, subject to approval by the tax commissioner of the county, for the tax commissioner to prepare the tax digest for such municipality; to assess and collect municipal taxes in the same manner as county taxes; and, for the purpose of collecting such municipal taxes, to invoke any remedy

permitted for collection of municipal taxes. Any contract authorized by this subsection between the county governing authority and a municipality shall specify an amount to be paid by the municipality to the county which amount will substantially approximate the cost to the county of providing the service to the municipality. Notwithstanding the provisions of any other law, the tax commissioner is authorized to contract for and to accept, receive, and retain compensation from the municipality for such additional duties and responsibilities in addition to that compensation provided by law to be paid to the tax commissioner by the county.

(2) (A) This paragraph shall apply to any county which has 50,000 or more tax parcels within such county.

(B) Any county and any municipality wholly or partially located within such county may contract for the tax commissioner to prepare the tax digest for such municipality; to assess and collect municipal taxes in the same manner as county taxes; and, for the purpose of collecting such municipal taxes, to invoke any remedy permitted for collection of municipal taxes. Any contract authorized by this subsection between the county governing authority and a municipality shall specify an amount to be paid by the municipality to the county which amount will substantially approximate the cost to the county of providing the service to the municipality. Notwithstanding the provisions of any other law, the tax commissioner is authorized to accept, receive, and retain compensation from the county for such additional duties and responsibilities in addition to that compensation provided by law to be paid to the tax commissioner by the county.

(b) With respect to any county for which the office of tax commissioner has not been created, any reference in subsection (a) of this Code section to the tax commissioner shall be deemed to refer to the tax receiver and the tax collector.

Miscellaneous Local Administration Provisions

48-5-380. Refunds of taxes and license fees by counties and municipalities; time and manner of filing claims and actions for refund; authority to approve or disapprove claims.

(a) As provided in this Code section, each county and municipality shall refund to taxpayers any and all taxes and license fees:

(1) Which are determined to have been erroneously or illegally assessed and collected from the taxpayers under the laws of this state or under the resolutions or ordinances of any county or municipality; or

(2) Which are determined to have been voluntarily or involuntarily overpaid by the taxpayers.

(a.1) If property owners have been billed and have remitted property tax payments to either a county or a municipality based on the fair market value of the land and subsequently the fair market value of such land is reduced on an appeal, then the county or the municipality shall reimburse the property owner the difference between tax remitted and the final tax owed for each year in which the incorrect fair market value of the land was used in the calculations.

(b) Any taxpayer from whom a tax or license fee was collected who alleges that such tax or license fee was collected illegally or erroneously may file a claim for a refund with the governing authority of the county or municipality at any time within one year or, in the case of taxes, three years after the date of the payment of the tax or license fee to the county or municipality. The claim for refund shall be in writing and shall be in the form and shall contain the information required by the appropriate governing authority. The claim shall include a summary statement of the grounds upon which the taxpayer relies. In the event the taxpayer desires a conference or hearing before the governing authority in connection with any claim for a refund, the taxpayer shall so specify in writing in the claim. If the claim conforms to the requirements of this Code section, the governing authority shall grant a conference at a time specified by the governing authority. The governing authority shall consider information contained in the taxpayer's claim for a refund and such other information as is available. The governing authority shall approve or disapprove the taxpayer's claim and shall notify the taxpayer of its action. In the event any claim for refund is approved, the governing authority shall proceed under subsection (a) of this Code section to give effect to the terms of that subsection. No refund provided for in this Code section shall be assignable. Submitting a request for refund to the governing authority is not a prerequisite to bringing suit.

(c) The filing of a request for a refund with the governing authority under subsection (b) of this Code section shall act to stay the time period for initiating suit for a refund. Following the filing of a request for refund with the governing authority, no suit may be commenced until the earlier of the governing authority's denial of the request for refund or the expiration of 90 days from the date of filing the claim. Alternatively, any taxpayer may forgo requesting a refund from the governing authority under subsection (b) of this Code section and elect to proceed directly to filing suit.

(d) Any refunds approved or allowed under this Code section shall be paid from funds of the county, the municipality, the county board of education, the state, or any other entity to which the taxes or license fees were originally paid. Refunds shall be paid within 60 days of the

approval of the taxpayer's claim or within 60 days of the entry of a final decision in any action for a refund.

(e) The governing authority of any county, by resolution, and the governing authority of any municipality, by ordinance, shall adopt rules and regulations governing the administration of this Code section and may delegate the administration of this Code section, including the approval or disapproval of claims where the reason for the claim is based on an obvious clerical error, to an appropriate department in local government. In disputed cases where there is no obvious error, the approval or disapproval of claims may not be delegated by the governing authority.

(f) Nothing contained in subsections (b) or (c) of this Code section shall be deemed the exclusive remedy to seek a refund nor deprive taxpayers of the right to seek a refund mandated by subsection (a) by any other cause of action available at law or equity.

(g) Under no circumstances may a suit for refund be commenced more than five years from the date of the payment of taxes or fees at issue.
