2005 Individual Income Tax 500 and 500EZ Forms and General Instructions

FROM THE COMMISSIONER

This booklet is designed to provide information and assist individuals in filing their 2005 Georgia income tax return. On page 2 are "New Developments for Tax Year 2005" that I recommend you review before filling out your return. Last year more than 2 million Georgia taxpayers elected to use an electronic method to file their return. If you did not file electronically last year, I strongly encourage you to consider doing so this year. The benefits and methods of electronic filing are highlighted below.

If you require additional information or assistance, please contact one of the Department's regional offices, which are listed on page 27. Additional information is also available via the Internet at www.dor.ga.gov. You may also visit our website for a Spanish-language version of this booklet. (Visite www.dor.ga.gov para ver la versión española de este librete.)

Our mission and commitment is to serve Georgia's taxpayers in a prompt, courteous and professional manner and to effectively and fairly administer the State's tax laws. We welcome your comments and suggestions on how to better accomplish that mission.

Bart L. Graham
Commissioner

CREDIT CARD PAYMENTS

The Georgia Department of Revenue and Official Payments Corporation have partnered to allow taxpayers to pay individual income tax with credit cards. See page 26 or visit our website at www.dor.ga.gov for more information.

TWO-DIMENSIONAL BARCODE FORMS

If your software package produces a return with a two-dimensional (2D) barcode, the mailing address is different from that on the return in this publication. You can file a 2D barcode return using a tax preparer or a Department of Revenue-approved tax software package. A 2D barcode is similar to the one on the back of a Georgia driver's license.

Benefits of using a 2D barcode return:

- Receive your refund by direct deposit.
- Eliminates data entry errors.
- Processes faster than a regular paper return.

NOTE: Failure to mail your return to the correct address may cause processing delays. Please mail your return to the address indicated in the software package.

See page 26 for additional information.

ELECTRONIC FILING **GET YOUR REFUND IN 21 DAYS OR LESS**

Benefits of electronic filing:

- Refunds are typically issued in 21 days or less.
- Refunds can be received by direct deposit.
- It is fast, accurate and convenient.

There are two ways to file electronically:

1. Have your return prepared by a registered electronic returns originator (ERO); or,
2. File on-line from your personal computer.

****Qualified taxpayers can file electronically for free.****

Visit www.dor.ga.gov for more information.

NEW DEVELOPMENTS FOR TAX YEAR 2005

Refund Offsets to Board of Pardons and Parole and Dept. of Juvenile Justice Effective July 1, 2005, individual income tax refunds may be used to offset outstanding liabilities to the Georgia State Board of Pardons and Parole and to the Department of Juvenile Justice.

Eligible Educator Deduction of up to \$250 This deduction is allowed to eligible educators as provided and allowed by Section 62(a)(2)(D) of the Internal Revenue Code. For the 2005 tax year, if the taxpayer has taken the deduction on the federal return, the deduction is already recognized in Adjusted Gross Income for Georgia income tax purposes and no further adjustment is necessary.

Georgia National Guard Foundation For tax years beginning on or after January 1, 2005, taxpayers will be able to make contributions to the Georgia National Guard Foundation for the purpose of providing support to members of the Georgia Department of Defense.

Repeal of the gain recognition provisions regarding "like-kind" exchanges having out-of-state replacement property Retroactive for tax years beginning on or after January 1, 2004, O.C.G.A. § 48-7-27(b)(6) is repealed. Because Georgia law is now silent, all applicable federal provisions under the Internal Revenue Code will govern.

Tax Settlement and Compromise Fee Effective July 01, 2005, a \$100 nonrefundable fee must accompany each offer-in-compromise submitted to the Georgia Department of Revenue. If the offer is accepted by the Commissioner, the application fee is treated as part of the offer. The fee is waived if the applicant's total monthly income is at or below poverty level guidelines established by the U.S. Department of Health and Human Services.

Income Tax Credit for National Guard/Air National Guard members on Active Duty More than 90 Days Any Georgia resident who is a member of the National Guard or Air National Guard and who is on active duty for a period of more than 90 consecutive days is allowed a tax credit against his/her individual income tax. The credit cannot exceed the amount expended for qualified life insurance premiums nor the taxpayer's income tax liability.

Nonresidents If you are a legal resident of another state, you are not required to file a Georgia income tax return if your only activity for financial gain or profit in Georgia consists of performing services in Georgia for an employer, as an employee, where the wages for services performed does not exceed **the lesser of** five percent (5%) of the income received in all places during the taxable year **or \$5,000**.

Deduction for Expenses Related to Organ Donation For income tax years beginning on or after January 1, 2005, a deduction is allowed for certain expenses related to organ donation. The deduction is limited to the donor's unreimbursed expenses for travel, lodging and lost wages. The taxpayer may deduct up to \$10,000 in expenses related to the donation of all or part of their kidney, liver, pancreas, intestine, lung, or bone marrow during the tax year the organ donation is made. See O.C.G.A. § 48-7-27 for additional information.

Interest on Credits Effective April 12, 2005, no interest shall be paid on amended returns filed to claim tax credits.

Sales Tax Deduction Georgia has adopted most of the provisions of the Working Families Tax Relief Act of 2004 and the American Jobs Creation Act of 2004. Therefore, it is not necessary to adjust the Georgia return if the sales tax deduction is used on the Federal return.

REMINDERS

Preparing Your Return. Verify the address label before attaching it to your return. If you do not have a label or if it is incorrect, write your name(s), social security number(s), and address on the return. Incorrect or omitted information will delay the processing of your return. Sign your return where indicated. Mail your return and documents, including Form 525-TV if tax is due, to the appropriate address. **Do not staple or paper clip documents to your return.**

If you need help completing your return, call one of the taxpayer assistance telephone numbers listed on page 27.

Publication of Tax Executions. Effective for income tax years beginning on or after January 1, 2003, the commissioner shall have the authority to publish in the media and on the Internet for public access all information with respect to executions issued for the collection of any tax, fee, license, penalty, interest, or collection costs due the State which are recorded on the public records of any county.

Refund Offsets to Other Agencies. Georgia law allows certain government agencies to submit claims against income tax refunds to pay outstanding obligations. These agencies include the Internal Revenue Service, Department of Corrections, Department of Human Resources, Georgia Higher Education Assistance Corporation, Department of Labor, Georgia State Board of Pardons & Parole, and Department of Juvenile Justice.

Innocent Spouse. Effective May 13, 2004, individuals granted innocent spouse relief under Section 6015 of the Internal Revenue Code are eligible for relief from liability for tax, interest and penalty to the extent relief was granted by the Internal Revenue Service. See O.C.G.A. § 48-7-86(g) for additional information.

Low Emission Vehicle Credit. For income tax years beginning on or after January 1, 2003, the credit for a new low emission vehicle is the lesser of 10 percent of the vehicle cost or \$2,500. A low emission vehicle is defined as a vehicle that is fueled solely by an "alternative fuel" and meets the U.S. EPA low emission vehicle standard. See page 23 for more information.

Zero Emission Vehicle Credit. For income tax years beginning on or after January 1, 2003, the allowable credit for a zero emission vehicle is the lesser of 20 percent of the vehicle cost or \$5,000.

Extension of Time for Filing Return. There are two ways to obtain an extension to file your Georgia income tax return: 1) Attach a copy of the Federal Form 4868 to the Georgia return when filed. If you request a federal extension electronically, you must attach a copy of the IRS confirmation letter to your Georgia return; or 2) Submit Georgia Form IT-303. You must mail Form IT-303 before the return due date and attach a copy to the return when filed. We will notify you only if your extension request is denied.

REMINDERS (continued)

An extension to file does not extend the date for paying the tax. Tax must be paid by the statutory due date to avoid late payment penalty and interest. Use Form IT-560 to pay tax due. The amount paid should be entered on Form 500, Page 2, Line 20. Form IT-560 is located on page 13.

Deceased Taxpayers. If a person received income in 2005 but died before filing a return, the Georgia income tax return should be filed by the surviving spouse, executor or administrator. Use the same filing status that was used on the final Federal income tax return. The due date for filing is the same as for Federal purposes.

If you are filing the return of a deceased taxpayer, write the taxpayer's name and date of death on the Taxpayer Signature line. If you are the surviving spouse of a deceased taxpayer and you are filing a joint return, sign your name on the Taxpayer Signature line, mark the box in the signature area on Page 2 of Forms 500 and 500EZ, and write the deceased taxpayer's name and date of death on the Spouse's Signature line. Also, write "Filing as surviving spouse," in the signature area of the return if appropriate. An executor or administrator must sign in his or her official capacity.

In the case of a refund check issued in the name of a deceased taxpayer, the surviving spouse, administrator or executor must mail the check along with a copy of the death certificate and Georgia Form 5347 to Georgia Department of Revenue, 1800 Century Blvd NE, Suite 3211, Atlanta, GA 30345-3205.

Due Dates. Calendar year taxpayers for 2005 are required to file on or before April 17, 2006 (April 15, 2006 is a Saturday). Fiscal year taxpayers must file on or before the 15th day of the fourth month after the close of their taxable year.

Supporting Documentation. If the amount on Form 500, Line 8 is \$40,000 or more, or less than the total income on your W-2, you must enclose a copy of Pages 1 and 2 of your Federal return. Regardless of income, if you itemize deductions on Form 1040, you must enclose a copy of Form 1040 and Schedule A with your Georgia return. Do not submit other Federal schedules. We will request additional information to support the amounts listed on your Georgia income tax return and related schedules if necessary.

Individual Retirement Accounts. The provisions concerning taxability and conversion from a traditional IRA to a Roth IRA are the same for Georgia as they are for the Internal Revenue Service.

Amended Returns. File Form 500X to correct information reported on Form 500. Do not use Form 500 to correct a previously filed return or use Form 500X as an original return. You can obtain Form 500X by calling (404) 417-6011 or downloading it from our website at www.dor.ga.gov.

Address Changes. We do not have a change of address form. Call the Registration and Licensing Unit at (404) 417-4490 to submit an address change. Also write the new address on your tax return and check the address change box.

Refund Inquiries. Before making a refund inquiry, please allow:

- 6 to 8 weeks for returns filed prior to April 1st.
- 12 weeks for returns filed after April 1st.

See page 27 for refund inquiry telephone numbers.

TAX TIPS

1. If you or your spouse are at least 62 years of age or totally and permanently disabled to such an extent that you are unable to perform any type of gainful employment, see the instructions for Line 9 on page 7 for the retirement income exclusion deduction and page 12 for the worksheet.
2. Write your social security number and the tax year on all payments and correspondence.
3. You are not required to submit 1099 form(s) with your Georgia income tax return unless Georgia income tax was withheld.
4. Nonresidents who receive income from Georgia sources may prorate Georgia income to exclude temporary assignments to duty stations outside Georgia. The formula to prorate Georgia income must take into consideration the following guidelines:
 - a. Georgia income must be calculated to reflect the total number of actual working days inside Georgia compared to the total number of actual working days employed both inside and outside Georgia.
 - b. All time excluded must be actual time worked outside Georgia.
 - c. Taxpayers may be required to provide documentation from employers verifying all time worked outside Georgia on temporary assignments.
5. For faster and more accurate posting to your account, use a payment voucher with a valid scanline from Georgia Department of Revenue's website at www.dor.ga.gov/forms.shtml or one produced by an approved software company listed at www.dor.ga.gov/processingctr/taxpayers.shtml.
A valid scanline has a row of numbers at the bottom that contains your taxpayer information.

RESIDENTS You are required to file a Georgia income tax return if any of the following apply: (a) You are required to file a Federal income tax return; (b) You have income subject to Georgia income tax but not subject to Federal income tax; (c) Your income exceeds the standard deduction and personal exemption(s). These requirements apply as long as your legal residence is in Georgia even if you are temporarily absent from the State or live outside the State temporarily. A full-year resident of Georgia is taxed on all income regardless of the source and regardless of where derived. A Georgia resident is allowed a credit for taxes paid to a nonresident state. See worksheet for other state(s) tax credit on page 11.

PART-YEAR RESIDENTS If you are a legal resident of Georgia for only a portion of the tax year and are required to file a Federal income tax return, you are required to file a Georgia income tax return. You must complete Form 500, Page 4, Schedule 3 to determine your Georgia taxable income. See page 10 for additional information.

NONRESIDENTS If you are a nonresident who works in Georgia or receives income from Georgia sources and are required to file a Federal income tax return, you are required to file a Georgia income tax return. You must complete Form 500, Page 4, Schedule 3 to determine your Georgia taxable income. If you are a legal resident of another state, you are not required to file a Georgia income tax return if your only activity for financial gain or profit in Georgia consists of performing services in Georgia for an employer, as an employee, where the wages for services performed does not exceed **the lesser of five percent (5%) of the income received in all places during the taxable year or \$5,000**. See page 10 for additional information.

NOTE: On Schedule 3, Line 9, the percentage is zero if Georgia AGI is zero or negative. If the adjusted Federal AGI is zero or negative, the Line 9 percentage is considered to be 100%. The percentage is also 100% if both adjusted Federal and Georgia AGI are zero or negative. In this case, the taxpayer is entitled to the full exemption amount and deductions.

PARTNERSHIPS Resident and nonresident partners must pay Georgia income tax on their portion of the partnership's net Georgia income. See Form 700 instructions for exceptions.

INCOME FROM S CORPORATIONS Georgia recognizes an election granted by the Internal Revenue Service for S Corporations when the election is based on the Internal Revenue Code of 1986. All nonresident shareholders must pay Georgia income tax on their portion of Georgia corporate income or the election will be terminated by the Commissioner. Resident shareholders shall report their total S Corporation income. All distributions received by a shareholder from earnings and profits accumulated prior to a corporation acquiring Georgia S Corporation status must be reported as dividends.

OTHER STATE'S TAX RETURN If you claim a credit for taxes paid to another state(s), you must include a copy of your return filed with that state along with your Georgia return. No credit for taxes paid to another state will be allowed unless the other state's return is enclosed.

FOREIGN STUDENTS AND OTHER TAXPAYERS REQUIRED TO FILE FORM 1040NR Taxpayers such as foreign students who are required to file a Federal Form 1040NR must also file a Georgia Form 500. Similar to Federal income tax rules, Georgia taxpayers are only allowed to deduct the applicable Georgia personal exemption and business-related expenses reflected on the Federal Form 1040NR. Taxpayers are not allowed to take the standard deduction and they are not allowed to itemize personal nonbusiness deductions.

MILITARY PERSONNEL

RESIDENTS Military personnel whose home of record is Georgia or who are otherwise residents of Georgia are subject to Georgia income tax on all income regardless of the source or where earned, unless specifically exempt by Georgia law. The time for filing tax returns and payment of tax by members of the armed services of the United States returning from service outside the continental United States is extended without application to any time within a period of six months immediately following their return to the continental United States. No penalties or interest will accrue during this period. See below for information concerning combat zone pay.

Georgia residents who are members of the National Guard or Air National Guard and who are on active duty for a period of more than 90 consecutive days are allowed a tax credit against their individual income tax. The credit cannot exceed the amount expended for qualified life insurance premiums nor the taxpayer's income tax liability.

See Form IND-CR for information about how to claim this credit.

NONRESIDENTS Nonresident military personnel whose home of record is not Georgia and who are not otherwise a resident of Georgia are not required to file a Georgia income tax return unless they have earned income from Georgia sources other than military pay. If they have earned Georgia income from other sources, they are required to file Georgia Form 500, completing Page 4, Schedule 3. Married nonresidents with income earned in Georgia whose spouse is a nonresident with no Georgia source income may file either a separate return claiming themselves only, or a joint return claiming total personal exemption and credit for dependents, prorated per Schedule 3. Schedule 3 must be completed for computation of Georgia taxable income. (See instructions for part-year and nonresidents on page 10.)

NOTE: If one spouse is a Georgia resident and one is a nonresident or part-year resident, enter 3 in the residency code box on Form 500, Page 1, Line 4, and complete Page 4, Schedule 3.

COMBAT ZONE PAY Beginning in tax year 2003, military income earned by a member of the national guard or any reserve component of the armed services while stationed in a combat zone is not subject to Georgia income tax. The exclusion from income is only with respect to military income earned in the combat zone during the period covered by the soldier's military orders. A copy of your federal return must be attached to your Georgia return to qualify for this exclusion. Amounts excluded on your Federal return cannot be excluded on your Georgia return.

GENERAL INFORMATION FOR FORM 500

FEDERAL AUDIT

Whenever a Federal audit or other Federal adjustment results in a change in net income for any year, you are required to furnish under separate cover, within 180 days, a schedule reflecting all changes to the Taxpayer Services Division, Department of Revenue, P.O. Box 740380, Atlanta, Georgia 30374-0380. **If you do not submit a return reflecting all changes and the Commissioner receives this information in a report from the United States Government, the Commissioner will issue an assessment for tax due within five years from the date the report is received from the United States Government.** A taxpayer who fails to notify the Commissioner within 180 days forfeits any Georgia refund as a result of an audit if the normal statute of limitations has expired. However, for tax years beginning on or after January 1, 1987, 90 percent of any overpayment can be applied to a balance due for another year that is a result of the same IRS audit.

WITHHOLDING ON NONRESIDENT DISTRIBUTIONS

Withholding is required on any distributions paid or credited by Partnerships, Limited Liability Companies and S Corporations. Withholding is reported on Form G-2-A and should be entered on Form 500, Page 2, Line 19. Include a copy of Form G-2-A with your return. To receive a withholding application form, call (404) 417-4490 or 1-877-602-8477.

NONRESIDENT COMPOSITE RETURN FILING

As an alternative to withholding, an entity may file a composite return for its nonresident members. This form is available upon request. (See page 25 for ordering information.)

WITHHOLDING ON THE SALE OF REAL PROPERTY

Withholding is required on the sale of Georgia real property by a nonresident. Tax withheld is reported on Form G-2RP and should be entered on Form 500, Page 2, Line 19. Include a copy of Form G-2RP with your return.

CLAIMS FOR REFUND

For income tax years 2002 and before. A claim for a refund of tax must be filed within three (3) years from the date the tax was paid. Taxes which have been paid by either withholding or estimated tax are treated as having been paid on the regular due date of the return. For example, the 2002 tax return is due April 15, 2003; therefore, a claim for refund of any payments made on or before April 15, 2003 must be filed on or before April 17, 2006. An extension of time to file the 2002 return does not change the April 17, 2006 deadline for filing a claim for refund.

For income tax years 2003 and after. A claim for a refund of tax must be made within three (3) years from the later of:

1. The date the tax was paid. (Taxes which have been paid by either withholding or estimated tax are treated as having been paid on the regular due date of the return);

OR

2. The due date of the income tax return, including any extensions which have been granted. For example, an extension for the 2003 tax year has been granted until August 16, 2004; therefore, a claim for refund of any payments made on or before August 16, 2004 must be filed on or before August 16, 2007.

2. Filing a previous year's form for the current year.
3. Not entering your spouse's name and/or social security number if you are filing a joint return.

GEORGIA HIGHER EDUCATION SAVINGS PLAN (GEORGIA'S SECTION 529 PLAN)

The Department of Revenue does not administer this plan. It is administered by the Georgia Higher Education Savings Plan. For more information, visit www.gacollegesavings.com or call 877-424-4377. The following highlights the plan's Georgia income tax provisions.

The purpose of the plan is to provide a tax-advantaged method of saving for post-secondary education. For Georgia income tax purposes, a deduction of up to **\$2,000 per beneficiary** is allowed for contributions made to the plan. In addition, Georgia income tax law provides an exclusion from Georgia taxable income for earnings when they are withdrawn for qualified education expenses. The major provisions are:

1. Contributions can be made until the total balance for all accounts for a beneficiary reaches \$235,000.
2. For taxable years beginning on or after January 1, 2002, up to \$2,000 per beneficiary can be deducted on a Georgia income tax return by parents or legal guardians of a designated beneficiary, provided the following are true:
 - The beneficiary is claimed as a dependent on the Georgia income tax return of the parents or legal guardians;
 - The parents or legal guardians **itemize deductions on their Federal and Georgia income tax returns.** Taxpayers who take the standard deduction on their returns are not eligible for the \$2,000 deduction related to the Georgia Higher Education Savings Plan; and
 - The parents or legal guardians own the account.

3. The deduction **decreases \$400 per beneficiary** for each \$1,000 of Federal Adjusted Gross Income over:
 - \$100,000 for a married filing joint return; or
 - \$50,000 for a single, head of household, qualifying widow(er), or married filing separate return.
4. Contributions made on or before April 17, 2006 may be treated as being made for the 2005 income tax year.
5. List the deduction on **Line 10, Schedule 1, Page 3** of Georgia Form 500. Write "Georgia 529 Plan Deduction" on Line 10.
6. The earnings portion of withdrawals used exclusively for qualified higher education expenses and withdrawals that are not subject to Federal income tax (see the one year exception below) are not subject to Georgia income tax. Georgia follows Federal guidelines under IRC § 529 to determine what are considered qualified higher education expenses.
7. Withdrawals that are not for qualified education expenses or that are subject to Federal income tax are subject to Georgia income tax. This includes amounts withdrawn from the Georgia Higher Education Savings Plan within one year from establishment of the plan.

No deduction will be allowed on a Georgia income tax return for contributions made to a plan other than Georgia's. For additional information; see Georgia Regulation 560-7-4-.04 at www.sos.state.ga.us/rules_regs.htm.

FEDERAL TAX CHANGES

Job Creation and Worker Assistance Act of 2002, Jobs and Growth Tax Relief Reconciliation Act of 2003, Working Families Tax Relief Act of 2004, and American Jobs Creation Act of 2004.

Georgia has adopted the provisions of these acts (as they relate to the computation of Federal adjusted gross income) for taxable years beginning on or after January 1, 2005, except for I.R.C. Section 168(k) (30% and 50% bonus depreciation), Section 1400L (tax benefits for the New York Liberty Zone), and Section 199 (deduction for income attributable to domestic production activities), which are treated as if they are not in effect. For tax years beginning on or after January 1, 2005, Georgia has now adopted the increased I.R.C. Section 179 deduction (\$105,000 in 2005) and the related phase out (\$420,000 in 2005) that was enacted as part of the Jobs and Growth Tax Relief Reconciliation Act of 2003.

Federal deduction for income attributable to domestic production activities (I.R.C. Section 199). This should be entered on Page 3, Schedule 1, Line 3.

Depreciation Differences. Depreciation differences due to the Federal acts mentioned above should be handled as follows. If the taxpayer has depreciation differences from more than one Federal act, it is not necessary to make a separate adjustment for each act.

A. Depreciation must be computed one way for Federal purposes and another way for Georgia purposes. To compute depreciation for Federal purposes, taxpayers should use the 2005 IRS Form 4562 and attach it to the Georgia return. This amount should be entered on Page 3, Schedule 1, Line 4 along with the words "2002 JCWA/2003 JGTRRA Depreciation Adjustment."

B. Depreciation must also be computed for Georgia purposes. Taxpayers should use Georgia Form 4562 to compute depreciation for Georgia purposes and attach it to the Georgia return. This amount should be entered on Page 3, Schedule 1, Line 10 along with the words "2002 JCWA/2003 JGTRRA Depreciation Adjustment." Georgia Form 4562 and related instructions can be obtained from our website at www.gatax.org or from any Revenue Office.

Depreciation and other differences may also be reported to you by a partnership, S Corporation, limited liability company, or limited liability partnership that you own. Positive adjustments from these should be entered on Form 500, Page 3, Schedule 1, Line 4. Negative adjustments should be entered on Form 500, Page 3, Schedule 1, Line 10.

Additionally, the provisions listed above may have an indirect effect on the calculation of Georgia taxable income.

1. When property is sold, for which different depreciation was claimed, there will be a difference in the gain on the sale of the property.

2. The depreciation adjustment may be different if the taxpayer is subject to passive-loss rules and is not able to claim the additional depreciation on the Federal return.

3. Other Federal items that are computed based on Adjusted Gross Income will have to be recomputed if provisions of the Federal acts are claimed. Some examples are itemized deductions, student loan interest deduction, self-employed health insurance deduction, etc.

Positive adjustments for these items should be entered on Form 500, Page 3, Schedule 1, Line 4. Negative adjustments should be entered on Form 500, Page 3, Schedule 1, Line 10.

If you did not live in Georgia or one spouse lived in Georgia but the other did not, enter 3 in the residency code box.

LINE 5 Enter the letter for your status in the filing status box. You must use the same filing status you used on your Federal return (see note below for the exception). If you filed as unmarried head of household or qualifying widow(er) on your Federal return, write D in the filing status box.

NOTE: If one spouse is a Georgia resident but the other is a nonresident without any Georgia source income and the federal return was filed jointly, the filing status on the Georgia return may be married filing jointly or married filing separately, with each spouse claiming the appropriate personal allowances and deductions.

LINE 6a-c Check box 6a for yourself and 6b if you are claiming your spouse. Enter the number of boxes checked in box 6c.

LINES 7a & b List your dependents in the space provided. Write the total number of dependents on Line 7a. **Do not include yourself or your spouse.** Add Line 6c and Line 7a. Write the total on Line 7b.

LINE 8 Enter the Federal adjusted gross income from Form 1040, 1040A or 1040EZ. **Do not use Federal taxable income.** If the amount is negative, fill in the circle to the left of the line number.

LINE 9 Enter the total adjustments from Schedule 1. If you have income that is taxable by the Federal government but not taxable to Georgia or vice versa, you must adjust your Federal adjusted gross income to determine your Georgia adjusted gross income. **You must document your adjustments on Page 3, Schedule 1, of Form 500.** If the amount is negative, fill in the circle to the left of the line number. All wages of Georgia residents are taxable for Georgia purposes. Credit for taxes paid to other states may apply. See Line 17 instructions on page 8.

ADJUSTMENTS THAT ARE ADDED:

1. Interest received from non-Georgia municipal bonds and dividends received from mutual funds that derived income from non-Georgia municipal bonds.
2. Loss carryovers from years when you were not subject to Georgia income tax.

3. Lump sum distributions from employee benefit plans reported on IRS Form 4972.

4. Depreciation because of differences in Georgia and Federal law during tax years 1981 through 1986.

5. Adjustments due to federal tax changes, including the 30 percent and/or 50 percent bonus depreciation in the first year for certain types of property. See page 6 for more information.

6. Federal deduction for income attributable to domestic production activities under I.R.C. Section 199.

ADJUSTMENTS THAT ARE SUBTRACTED:

1. Georgia taxes all pensions of all residents. However, Georgia law provides a retirement income exclusion of up to \$15,000 per taxpayer if the taxpayer is:

- (A) 62 years of age or older, or
- (B) permanently disabled to such an extent that the taxpayer is unable to perform any type of gainful employment

Under either condition, taxpayers must qualify on a separate basis. One spouse may not use income attributable to the other spouse to calculate his/her retirement income exclusion. The \$15,000 exclusion must be documented on Page 3, Schedule 1, of Form 500. If property is jointly owned, income is allocated to each taxpayer at 50 percent of the total. Up to \$4,000 of the \$15,000 maximum exclusion per taxpayer may be earned income. Part-year or nonresidents must prorate the exclusion. **NOTE:** You must enter the date of birth and/or the type and date of disability on Page 3, Schedule 1, of Form 500 or the exclusion will not be allowed. Use the worksheet on page 12 to compute the exclusion.

2. Interest and dividends on U.S. Government bonds and other U.S. obligations. These must be reduced by direct and indirect interest expenses which are attributable to the income.

NOTE: Interest received from the Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA), Federal Home Loan Mortgage Corporation (FHLMC), and interest derived from repurchase agreements are not considered to be obligations of the United States and are taxable.

3. Social Security or Railroad Retirement paid by the Railroad Retirement Board included in Federal adjusted gross income.

4. Salaries and wages reduced from Federal taxable income because of the Federal jobs tax credit.

5. Individual Retirement Account withdrawals where tax has been paid to Georgia because of the difference between Georgia and Federal law for tax years 1981 through 1986.

6. Keogh, SEP and SUB-S plan withdrawals where tax has been paid to Georgia because of the difference between Georgia and Federal law for tax years 1981 through 1986.

7. Depreciation because of differences in Georgia and Federal law during tax years 1981 through 1986.

FORM 500 INSTRUCTIONS (continued)

8. Georgia resident shareholders of Subchapter S corporations may make an adjustment to Federal adjusted gross income for Subchapter S income where the Subchapter S election is not recognized by Georgia or another state in order to avoid double taxation on this type of income. This adjustment is allowed only if tax was actually paid by the corporation to another state(s). In cases where the Subchapter S election is recognized by another state(s), the income should not be subtracted. Credit for taxes paid to other state(s) may apply. Refer to Line 17 instructions on this page.

9. Dependents' unearned income included in parents' Federal adjusted gross income.

10. Income tax refunds from states other than Georgia included in Federal adjusted gross income. Do not subtract Georgia income tax refunds included in Federal adjusted gross income.

11. Income from any fund, program or system which is exempted by Federal law or treaty.

12. Teacher's Retirement. This adjustment is to allow a teacher retired from the Teachers Retirement System of Georgia to subtract contributions previously taxed by Georgia. These are contributions paid between July 1, 1987, and December 31, 1989, if the contributions were reported and taxes paid thereon.

13. Employer FICA tax credit claimed on the Federal return. This applies only to food and beverage establishments that took a credit instead of a deduction on their Federal return for employer FICA tax paid on employee cash tips.

14. An individual, corporation or partnership which is a party to state contracts may subtract from Federal adjusted gross income 10% of qualified payments to minority subcontractors or \$100,000, whichever is less, per taxable year. A list of certified minority subcontractors is maintained by the Commissioner of the Department of Administrative Services. To register as a minority subcontractor or to view the list, call 404-656-6315 or visit <http://ssl.doas.state.ga.us/VendorDB/mainframe.jsp>.

15. Deductible portion of contributions to the Georgia Higher Education Savings Plan (see page 6).

16. Adjustments due to Federal tax changes, including the 30 percent and/or 50 percent bonus depreciation in the first year for certain types of property. See page 6 for more information.

17. Combat zone pay exclusion (see page 4).

18. Up to \$10,000 of unreimbursed travel expenses, lodging expenses, and lost wages incurred as a direct result of a taxpayer's donation of all or part of their kidney, liver, pancreas, intestine, lung, or bone marrow in the taxable year in which the donation is made.

Enclose a copy of Federal Schedule A with your Georgia income tax return. When Federal itemized deductions are reduced because of high income, the reduced amount is used as the starting point to compute Georgia itemized deductions.

NOTE: If you itemize deductions on your Federal return, you must itemize deductions on your Georgia return. If your filing status is married filing separate and your spouse itemizes, you must also itemize. Do not write on Lines 11a through 11c if you itemize deductions.

Your credit may be less than the tax paid to the other state(s). See page 23 and Form IND-CR for more information about credits.

NOTE: No credit for taxes paid to other state(s) will be allowed unless a copy of the other state(s)' income tax return is included with your Georgia return when filed.

Income or losses should be allocated to the person who owns the item. If any income or loss item is held jointly, the income or loss should be allocated to each taxpayer at fifty percent (50 percent).

Social Security and Railroad Retirement paid by the Railroad Retirement Board, exempted interest, or other income that is not taxable to Georgia should not be included in the retirement income exclusion calculation.

Part-year residents and nonresidents must prorate the retirement exclusion. Compute the retirement exclusion as if the taxpayer was a full-year resident, then prorate the exclusion. It is prorated using the ratio of Georgia source income before the retirement income exclusion (Form 500, Page 4, Line 8, Column C, computed without the retirement exclusion) to the Georgia adjusted gross income before the retirement income exclusion (Form 500, Page 4, Line 8, Column A, computed without the retirement exclusion).

PENALTIES AND INTEREST

A. Penalty for late filing of return - 5 percent of the tax shown on the return for each month or fractional part thereof, up to 25 percent.

B. Penalty for failure to pay tax shown on a return by the due date - 1/2 of 1 percent of the tax due for each month or fractional part thereof, up to 25 percent.

Note: The combined total of the penalty for late filing of return and penalty for failure to pay tax shown on a return cannot exceed 25 percent of the tax shown on a return.

C. A penalty of \$1,000 may be assessed against an individual who files a frivolous return. A frivolous return is one that: (1) does not contain information needed to compute the correct tax or the information shown on the return reflects a substantially incorrect tax; and (2) the conduct described in item (1) was done to delay or impede the administration of Georgia Tax Laws or is based on a position which is frivolous.

D. Penalty for negligent underpayment of the tax - 5 percent of the underpayment.

E. Penalty for fraudulent underpayment - 50 percent of the underpayment.

F. Penalty for failure to file estimated tax - 9 percent per annum for the period of underpayment. Form 500 UET is available upon request for computation of penalty on underestimated installments.

G. Interest is computed at 12 percent per annum on any unpaid tax from the due date until paid. An extension of time for filing or an installment payment agreement does not give relief from late payment penalty or interest.

PENALTIES AND INTEREST MAY BE AVOIDED BY COMPLETING YOUR RETURN ACCURATELY, FILING YOUR RETURN TIMELY, AND PAYING YOUR TAXES IN FULL WHEN DUE.

INSTRUCTIONS FOR ESTIMATED TAX FOR INDIVIDUALS AND FIDUCIARIES

For faster and more accurate posting to your account, use a payment voucher with a valid scanline from Georgia Department of Revenue's website www.dor.ga.gov/forms.shtml or one produced by an approved software company listed at www.dor.ga.gov/processingctr/taxpayers.shtml.

A valid scanline has a row of numbers at the bottom that contains your taxpayer information.

WHO MUST FILE ESTIMATED TAX. Each individual or fiduciary subject to Georgia income tax who reasonably expects to have gross income during the year which exceeds (1) personal exemption, plus (2) credit for dependents, plus (3) estimated deductions, plus (4) \$1,000 income not subject to withholding.

EXCEPTION. Estimated tax is not required if, under an agreement between the employer and the employee, additional tax is withheld to cover income that normally would require estimated tax to be filed. Individuals whose gross income from farming or fishing is at least two thirds of the total gross income from all sources may: (a) file as the other taxpayers or (b) file their return by March 1, 2007 and pay the full amount of tax due by that date.

PURPOSE OF ESTIMATED TAX. The purpose is to enable taxpayers having income not subject to withholding to currently pay their income tax. Taxpayers are also required to file an annual return claiming credit thereon for amounts paid or credited to their estimated tax.

PAYMENT OF ESTIMATED TAX. Payment in full of your estimated tax may be made with the first required installment or in equal installments during this year on or before April 15, June 15, September 15, and the following January 15. Please include your Social Security number on your check.

HOW TO ESTIMATE YOUR TAX. A schedule for computing your estimated tax is enclosed. Tax rate schedules are listed on Page 14.

PENALTIES. Failure to comply with the provisions of this law relative to underpayment of installments may result in the assessment of additional charges as a penalty. Willful failure to pay estimated tax will constitute a misdemeanor.

STANDARD DEDUCTION.

Single and head of household \$2,300
 Married filing jointly \$3,000
 Married filing separately \$1,500
 Additional Deduction: Age 65 or older \$1,300
 Blind \$1,300

These additional deductions are for you and your spouse only if the standard deduction is used. These amounts are standard regardless of income.

WHEN AND WHERE TO FILE. Estimated tax required for persons not regarded as farmers or fishermen shall be filed on or before April 15 of the taxable year, except if the above requirements are first met on or after April 1 and before June 1, estimated tax must be filed by June 15; on or after June 1 but before September 1, by September 15; and on or after September 1, by January 15 of the following year. Individuals filing on a fiscal year basis ending after December 31 must file on corresponding dates.

Make check or money order payable to:
"Georgia Department of Revenue"

Payment should be mailed to:
Georgia Department of Revenue
Processing Center
P.O. Box 105246
Atlanta, Georgia 30348-5246

You may also pay estimated tax with a credit card. Visit our website at www.dor.ga.gov for more information.

HOW TO COMPLETE FORM 500 ES. Calculate your estimated tax using the schedule on Page 14 (of the tax booklet). Line 12 is your estimated tax for the year. Divide Line 12 by the number of quarters of liability (see "When and Where to File" above) to compute the amount to be submitted quarterly. Enter this amount on Form 500 ES and submit to the Georgia Department of Revenue. A coupon booklet will be sent to you for the remaining quarters.

DEDUCTION AMOUNT FOR EACH EXEMPTION

Personal Exemption for self and spouse \$2,700
 Dependent Exemption \$3,000
 Maximum Retirement Income Exclusion \$15,000

Georgia Public Revenue Code Section 48-2-31 stipulates that taxes shall be paid in lawful money of the United States, free of any expense to the State of Georgia.

If you are unable to pay the full amount of tax due with your individual income tax return, you may request an installment agreement by completing this form. You are encouraged to make payments as large as possible to minimize the penalty and/or interest charges. Please note that requesting an installment agreement will not stop the accrual of these charges. You may want to consider other less costly alternatives before requesting an installment agreement.

To ensure proper handling, **place this form on the top of your tax return** when you mail it to the Department for processing.

If you have questions concerning this procedure, please call the Installment Unit at **(404) 417-6486 or 1-877-602-8477**.

DOUBLE CHECK YOUR RETURN

Please review the following items carefully before mailing your return:

- √ **If the mailing label is correct, place it on the form and write your social security number(s) in the appropriate area.** If the label is incorrect or you do not have a label, print or type your name(s), current address (including apartment number) and social security number(s) in the space provided. If your address has changed, print or type an "X" in the change of address box. Failure to check this box could delay receipt of your refund.
- √ Enclose your W-2(s) and other withholding statements with the return.
- √ Enclose a copy of Pages 1 and 2 of your Federal return and/or Federal Schedule A, if applicable.
- √ If you claimed another state(s) tax credit, enclose a copy of the other state(s) tax return.
- √ If there is an overpayment, indicate the amount to be refunded, credited to estimated tax and/or contributed to the Nongame-Endangered Wildlife Conservation Fund, Children and Elderly in Need Fund, Greenspace Trust Fund, Georgia Cancer Research Fund (Breast Cancer, Prostate Cancer and Ovarian Cancer), or Georgia National Guard Foundation.
- √ Be sure to use the correct envelope for refund and payment due returns. **Do not mail your Georgia return to the Internal Revenue Service.**
- √ Mail your payment to the Georgia Department of Revenue at the address listed on the form. *Write your social security number(s) and the tax year on your check or money order.*

NOTE: If your return reflects a balance due of less than \$1, you do not need to send payment to the Georgia Department of Revenue. If your return reflects a refund of less than \$1, you will not receive a refund check unless a separate application is filed in duplicate on Georgia Form IT-550.

Do not staple or paper clip your check, W-2's, or other documents to your tax return. Enclose all items in the return envelope.

Sending your return by certified mail could delay the processing of your refund.

A credit is also allowed to retrofit an existing single-family home with one or more of these features. The disabled person must be the taxpayer or the taxpayer's spouse if a joint return is filed. Qualified features are:

4. Write your Social Security Number on your check or money order.
5. **Do not** use staples or paper clips to attach your check. Remove your check stub and keep with your records.

For faster and more accurate posting to your account, use a payment voucher with a valid scanline from Georgia Department of Revenue's website www.dor.ga.gov/forms.shtml or one produced by an approved software company listed at www.dor.ga.gov/processingctr/taxpayers.shtml.

A valid scanline has a row of numbers at the bottom that contains your taxpayer information.

ACCEPTANCE OF CREDIT CARD PAYMENTS

The Georgia Department of Revenue and Official Payments Corporation (OPC) have partnered to allow taxpayers to pay individual income tax liabilities with credit cards. Taxpayers can make payments using OPC's secure website at www.officialpayments.com or by calling OPC toll-free at 1-800-2PAY-TAX. When calling, enter Jurisdiction Code 2000.

Credit cards are only accepted as payment for current year individual income tax due on original Forms 500, 500EZ, 500ES, and liabilities presented to taxpayers on Georgia Department of Revenue assessment notices, including installment payment agreements. Credit cards are not accepted at this time for payments associated with extensions or amended returns.

For more information, visit our website at www.dor.ga.gov or OPC's website at www.officialpayments.com.

FILE ELECTRONICALLY FOR FREE!

Last year more than 1.8 million taxpayers filed returns using an electronic filing method. In an effort to further promote electronic filing, the Department of Revenue has entered into an alliance with certain software companies to offer free on-line filing services to Georgia taxpayers. Under this agreement, qualified taxpayers can file their Georgia individual income tax returns for free using approved software. Visit our website at www.dor.ga.gov for more information.

If you choose to file a paper return, we highly recommend that you use a return with a two-dimensional barcode. See below for additional information.

TWO-DIMENSIONAL BARCODE RETURNS

Beginning with tax year 2001, the Department of Revenue began a method of processing individual income tax returns containing a two-dimensional (2D) barcode. This method was implemented to assist with processing your return in a more accurate and timely manner. A 2D barcode is similar to the one located on the back of your Georgia driver's license. Information from your return is captured by a machine-readable barcode rather than manually entered, which reduces the possibility of processing errors. The 2D barcode is only visible after your return has been printed.

During the past four years over two million 2D barcode returns were received and processed. This represents almost half of all paper returns processed. This increase is partially due to the fact that returns with a 2D barcode process faster than regular paper returns and without any data entry errors.

Certain tax software companies include the Georgia 2D barcode tax return in their software. Below is the list of companies approved by the Department of Revenue to produce the Georgia Form 500 Individual Income Tax Return with a 2D barcode.

NOTE: The Department of Revenue encourages electronic filing and the use of 2D barcode returns; however, we neither support nor recommend any software company.

MAILING ADDRESS

2D barcode returns are mailed to a different address than are regular paper returns. If your software program produces a 2D barcode return, mail your return to:
