Instructions for Preparing the G-1003

- If you file and pay electronically or are filing Form G2-FL, you must file the G-1003 and related statements electronically. Also employers who are federally required to file income statements electronically must file them electronically for Georgia purposes. Reg. 560-7-8-.33. Even if the employer is not required to file electronically, they may choose to do so. To obtain a copy of our specifications, visit our website <https://etax.dor.ga.gov> or call **1-877-GADOR11 (1-877-423-6711)**.
- Income statements are due on or before February 28th of the following calendar year. If this date is a weekend or holiday, the due date is the next business day. **If a business closes** during the taxable year, income statements are due within 30 days after payment of final wages. Please note for a flow-through entity, the G-1003 and the related G2-As for nonresident members are due by the earlier of the date such entity's income tax return is filed or the due date for filing such entity's income tax return (without extension).
- Submit non-wage statements (1099s) only if Georgia tax is withheld. Statements that do not indicate Georgia tax withheld may be filed under the Combined Federal/State Filing Program.
- The "Number of Forms," "Form Type" "Georgia Taxable Wages" and "Georgia Tax Withheld" blocks must be completed where applicable.
- Copies of the corrected W2s/1099s/G2-As must accompany all amended returns.
